[Second Growth](#) Sean Markey, John T. Pierce, Kelly Vodden, Mark Roseland, 2007-10-01 Broader political and economic changes are dramatically reshaping rural and small town communities in British Columbia and across Canada Increasingly however much of the responsibility for community based prosperity and survival is falling to communities themselves This book is drawn from a three year participatory research project with four communities in British Columbia two municipalities and two Aboriginal communities The first part of the book examines

historical and contemporary forces of restructuring linking the development of rural communities with the legacy of resource development and Aboriginal marginalization across the province The second part of the book presents the theoretical and practical dynamics of the community economic development CED process and outlines a variety of strategies communities can initiate to diversify their local economies Second Growth advances understanding of local development by addressing two important deficiencies in the CED literature First CED is a rapidly expanding field that requires enhanced theoretical direction and historical analysis Second there is a need for systematic case study analyses of CED strategies in rural small town conditions As communities struggle to confront complex forces of change sound theoretical frameworks and tested best practices are important tools in facilitating the prospects for a second growth in rural and small town communities The book will appeal to educators and students of rural and economic geography policy makers and citizens who wish to better understand the transformations taking place across the rural landscape      **Rural Education (1991)** Deyoung
