Economics Restructuring And Local Environmental Management In The Czech:

Economic Restructuring and Local Environmental Management in the Czech Republic Petr Pavlínek, 1997

Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

Environmental Transitions

Petr Pavlínek, John Pickles, 2002-09-26 Environmental Transitions is a detailed and comprehensive account of the environmental changes in Central and Eastern Europe both under state socialism and during the period of transition to capitalism The change in politics in the late 1980s and early 1990s allowed an opportunity for a rapid environmental clean up in an area once considered one of the most environmentally devastated regions on earth The book illustrates how transformations after 1989 have brought major environmental improvements as well as new environmental problems It shows how environmental policy economic change and popular support for environmental movements have specific and changing geographies associated with them Environmental Transitions addresses a large number of topics including the historical geographical analysis of the environmental change health impacts of environmental degradation the role of environmental issues during the anti communist revolutions legislative reform and the effects of transition on environmental quality after 1989 Environmental Transitions contains detailed case studies from the region which illustrate the complexity of environmental issues and their intimate relationship with political and economic realities It gives theoretically informed ideas for understanding environmental change in the context of the political economy of state socialism and post communist transformations drawing on a wide body of literature from West Central and Eastern Europe

Re-Constructing the

Post-Soviet Industrial Region Adam Swain, 2007-04-11 This book examines the political economy of attempts to restructure the Donbass one of the Soviet Union s most important old economy rustbelt industrial regions It shows how local interest groups have successfully frustrated the central government s and the World Bank s proposed market oriented

restructuring and how a manufacturing based regional economy is surviving partially with restructuring postponed

Theorizing Transition John Pickles, Adrian Smith, 2005-08-31 Examining transformations using a variety of perspectives Theorizing Transition provides both a rich empirical map of the dimensions of post Communism and raises important theoretical issues about how we interpret these changes

Environmental Problems in East-Central Europe Frank Carter, David Turnock, 2002-09-26 In this new edition the progress made in the last decade to solve the environmental problems described in the first edition is assessed The attempts to bring environmental legislation into line with West European norms is also described Environmental Problems of East Central Europe looks at air and water pollution modern farming water supplies waste management and landscape protection These topics are placed within economic social and political profiles as spending on a clean environment must be reconciled with welfare spending and the safeguarding of jobs European Union assistance civil society and the work of environmental NGOs are also discussed All of these matters are considered within the context of the wider geographical area and then by each individual country including the previously communist states lying to the west of the Soviet Union now with the former federal states of Czechoslovakia and Yugoslavia broken up into seven different entities and a review of the former Soviet Union with particular reference to the Baltic States Environmental Problems in East Central Europe provides a wealth of up to date reference material with a vast amount of supporting literature on environmental conditions and the functioning of civil society and a map of each country The environment is being taken seriously by them all such is the influence of the Rio sustainability agenda in general and the EU environmental acquis in particular The book reveals that Eastern Europe is not a blighted area but in some respects has a higher biodiversity than Western Europe Although there is enormous waste and inefficiency in energy use people actually consume relatively little and the East therefore has some lessons for the West in terms of managing on the bases of fair share of the earth s resources

Environmental Sociology Leslie King, Deborah McCarthy Auriffeille, 2019-02-18 Environmental Sociology From Analysis to Action illustrates how sociological perspectives can help us better understand the causes and consequences of environmental problems and provides examples of efforts to ameliorate these problems The fourth edition of this environmental sociology reader includes 22 edited excerpts 10 of them new to this edition that address among other things environmental inequalities knowledge creation media and perspectives on disaster The selected pieces use a variety of sociological perspectives including environmental justice power structure research ecological modernization ecological footprint and more to examine a wide range of environment related topics New Readings Include Chapter 7 The Du Bois Nexus Intersectionality Political Economy and Environmental Injustice in the Peruvian Guano Trade in the 1800s Brett Clark Daniel Auerbach and Karen Xuan Zhang Chapter 8 Ruin s Progeny Race Environment and Appalachia s Coal Camp Blacks Karia L Brown Michael W Murphy and Appollonya M Porcelli Chapter 9 Environmental Apartheid Eco health and Rural Marginalization in South Africa Valerie Stull Michael M Bell and Mpumelelo Ncwadi Chapter 12 Legitimizing the

Historical Dictionary of the Czech State Rick Fawn, Jiri Hochman, 2010 Czechoslovakia has been at the center of some of the most difficult and tragic episodes of modern European history its sacrifice to Nazi Germany at Munich the Communist Coup of 1948 and the military crushing of the Prague Spring It has also enacted momentous change almost magically as in the peaceful overthrow of communism in 1989 and then the negotiated end to the country in 1992 Czechoslovak history has consequently produced enduring political metaphors for our times such as the Velvet Revolution and Velvet Divorce The second edition of the Historical Dictionary of the Czech State has been thoroughly updated and greatly expanded Featuring a chronology introductory essay appendix bibliography and hundreds of cross referenced dictionary entries this detailed authoritative reference provides understandings of the Czechs as a people the territory they inhabit their social cultural political and economic developments throughout history and interactions with their neighbors and the wider world

American Learned Men and Women with Czechoslovak Roots Mila Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That s what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethical background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to

determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective

Foreign Direct Investment and Regional Development in East Central Europe and the Former Soviet Union David Turnock, 2017-11-28

With the achievement of further EU and NATO enlargement a critical political and economic lens is now focused on East Central Europe and to a lesser extent the other former communist states Economic growth in each transition state and more broadly the region pivots around the prospects for foreign direct investment FDI with decisions on where foreign investors will locate their projects now vitally important This book the first one devoted to a geographical survey concentrating specifically on FDI in the region brings together a wide range of prominent authors from the US and Europe including the late Frank Carter to provide a timely and critical examination of the importance of foreign investment It presents a detailed analysis of location patterns and their significance for regional development with particular emphasis given to the important socioeconomic and political consequences of uneven distribution of FDI across the region and its constituent countries Divided into two parts the book first deals with general overarching themes and issues before applying these to more specific country case studies The second part deals with regional studies focusing broadly on the Western Balkans and Bulgaria before looking at specific economic sectors in individual countries

The Top Books of the Year Economics Restructuring And Local Environmental Management In The Czec The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Economics Restructuring And Local Environmental Management In The Czec : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
