*Edward Burne-Jones, Victorian Artist-dreamer* Stephen Wildman, Edward Coley Burne-Jones, John Christian, Alan Crawford, Laurence Des Cars, Metropolitan Museum of Art (New York, N.Y.), Birmingham Museums and Art Gallery, Musée d'Orsay, 1998 This publication is issued in conjunction with the 1998 exhibition of the same name held at The Metropolitan Museum of Art in New York and scheduled for venues in England and France Burnes Jones 1833 1898 created a style that had widespread influence on both British and European art a narrative style derived from medieval legend and fused with the influence of Italian Renaissance masters a style that ceded popularity to a growing taste for abstraction at the end of the 19th century Now Burne Jones s star has risen again and this catalogue contains full discussion of his life and work and representation of his prodigious output of drawings and paintings 9 5x12 5 Annotation copyrighted by Book News Inc Portland OR **Edward Burne-Jones** Stephen Wildman, 2013 **Edward Burne-Jones, Victorian Artist-Dreamer** ,

Edward Burne-Jones on Nature Liana De Girolami Cheney, 2021-05-21 This volume studies some of Edward Burne Jones s paintings focusing specifically on his approach to nature both through his observations about the real physical world and through his symbolic interpretations of earthly and celestial realms Burne Jones s appreciation for natural formations grew from his interests in astronomy and geography and was expanded by his aesthetic sensibility for physical and metaphysical beauty His drawings and watercolors carefully recorded the physical world he saw around him These studies provided the background for a collection of paintings about landscapes with flora and fauna and ignited an artistic furor that inspired the imagery he used in his allegorical fantasy and dream cycles about forests winding paths and sweet briar roses This study focuses on two main ideas Burne Jones s concept of ideal and artificial or magical nature expressed and represented in his drawings and paintings and the way in which he fused his scientific knowledge about nature with some of the symbolism in his paintings **Ceramics in the Victorian Era** Rachel Gotlieb, 2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890 Largely ignored in recent scholarship *Ceramics in the Victorian Era Meanings and Metaphors in Painting and Literature* argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period Each case study begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time

**English Spirituality** Gordon Mursell,2001-01-01 This wide ranging historical survey provides an indispensable resource for those interested in exploring teaching or studying English spirituality In two stand alone volumes it traces the history from Roman times until the year 2000 The main Christian traditions and a vast range of writers and spiritual themes from Anglo Saxon poems to late modern feminist spirituality are included These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years

*"Rival Sisters, Art and Music at the Birth of Modernism, 1815-1915"* James H. Rubin,2017-07-05 Introducing the concept of music and painting as rival sisters during the nineteenth century this interdisciplinary collection explores the productive exchange from rivalry to inspiration to collaboration between the two media in the age of Romanticism and Modernism The volume traces the relationship between art and music from the opposing claims for superiority of the early nineteenth century to the emergence of the concept of synesthesia around 1900 This collection puts forward a more complex history of the relationship between art and music than has been described in earlier works including an intermixing of models and distinctions between approaches to them Individual essays from art history musicology and literature examine the growing influence of art upon music and vice versa in the works of Berlioz Courbet Manet Fantin Latour Rodin Debussy and the Pre Raphaelites among other artists

**Worldwide Pre-Raphaelitism** Thomas J. Tobin,2006-01-01 Pre Raphaelitism s influence during the long nineteenth century was far reaching affecting artistic and literary thought in places media and times far removed from its origins in 1848 London Worldwide Pre Raphaelitism examines the movement s development beyond England from the continental immortals glorified by the nascent Pre Raphaelite Brotherhood to later reactions against and in sympathy with the ideals of the movement after it had ended This collection of essays by art historians literary critics fashion historians women s studies scholars and independent researchers from around the world enhances our understanding of the global impact of Pre Raphaelitism on the art historical and literary developments of the nineteenth and twentieth centuries

*Alfred Gilbert's Aestheticism* Jason Edwards,2017-07-05 Alfred Gilbert s Aestheticism presents the first sustained re evaluation of the life and work of one of the most acclaimed sculptors of the late Victorian period Drawing on important new archival sources this ground breaking study challenges the customary assumption that Aestheticism was primarily a literary painterly or architectural phenomena Jason Edwards reveals both the diverse ways in which Gilbert s sculptures operated within the context of Aestheticism and also

how these works provided a unique and provocative commentary on the history of masculine friendship and eroticism in the period leading up to and beyond the Wilde trials in 1895 Detailed readings are offered of the relationship of Gilbert's work to essays by Pater and Swinburne poems plays and novels by Wilde and W S Gilbert and paintings by Burne Jones Leighton Rossetti Solomon Whistler and Watts With over 90 illustrations including key contemporary photographs showing Gilbert's works in their original contexts this book makes a major contribution to the field of Victorian sculpture studies

**Transformative Beauty** Amy Woodson-Boulton, 2012-03-21 Why did British industrial cities build art museums By exploring the histories of the municipal art museums in Birmingham Liverpool and Manchester Transformative Beauty examines the underlying logic of the Victorian art museum movement These museums attempted to create a space free from the moral and physical ugliness of industrial capitalism Deeply engaged with the social criticism of John Ruskin reformers created a new prominent urban institution a domesticated public space that not only aimed to provide refuge from the corrosive effects of industrial society but also provided a remarkably unified secular alternative to traditional religion Woodson Boulton raises provocative questions about the meaning and use of art in relation to artistic practice urban development social justice education and class In today's context of global austerity and shrinking government support of public cultural institutions this book is a timely consideration of arts policy and purposes in modern society

**The Cambridge Companion to the Pre-Raphaelites** Elizabeth Prettejohn, 2012-07-23 A general introduction to the Pre Raphaelite movement treating both literature and visual art

**Reframing Decadence** Peter Jeffreys, 2016-02-19 During his sojourn in England during the 1870s a young Cavafy found himself enthralled by the aesthetic movement of cosmopolitan London It was during these years that he encountered the canvases and personalities of Pre Raphaelite painters including Burne Jones and Whistler as well as works of aesthetic writers who were effecting a revolution in British literary culture and channeling influences from France that would gradually coalesce into an international decadent movement In Reframing Decadence Peter Jeffreys returns us to this critical period of Cavafy's life showing the poet's creative indebtedness to British and French avant garde aesthetes whose collective impact on his poetry proved to be profound In the process Jeffreys offers a critical reappraisal of Cavafy's relation to Victorian aestheticism and French literary decadence Foremost among the tropes of decadence that captivated Cavafy were the decline of imperial Rome the rise of Christianity and the lingering twilight of Byzantium The influence of Walter Pater on Cavafy's view of classical and late antique history was immense inflected as it was with an unapologetic homoerotic aesthetic that Cavafy would adopt as his own making Pater's imaginary portraits an important touchstone for his own historicizing poetry Cavafy would move beyond Pater to explore a more openly homoerotic sensuality but he never quite abandoned this rich Victorian legacy one that contributed greatly to his emergence as a global poet Jeffreys concludes by considering Cavafy's current popularity as a gay poet and his curious relation to kitsch as manifest in his ongoing popularity via translation and visual media

*Internationalizing the History of American Art* Barbara

Groseclose,2009-01-01 A collection of essays presenting international perspectives on the narratives and the practices grounding the scholarly study of American art Provided by publisher **Imagining England's Past** Susan

Owens,2023-04-26 England has long built its sense of self on visions of its past What does it mean for medieval writers to summon King Arthur from the post Roman fog for William Morris to resurrect the skills of the medieval workshop and Julia Margaret Cameron to portray the Arthurian court with her Victorian camera or for Yinka Shonibare in the final years of the twentieth century to visualize a Black Victorian dandy By exploring the imaginations of successive generations this book reveals how diverse notions of the past have inspired literature art music architecture and fashion It shines a light on subjects from myths to mock Tudor houses Stonehenge to steampunk and asks how and why the past continues so powerfully to shape the present Not a history of England but a history of those who have written painted and dreamed it into being Imagining England s Past offers a lively erudite account of the making and manipulation of the days of old **Walter Pater**

**and the Language of Sculpture** Lene ?termark-Johansen,2017-07-05 Walter Pater and the Language of Sculpture is the first monograph to discuss the Victorian critic Walter Pater s attitude to sculpture It brings together Pater s aesthetic theories with his theories on language and writing to demonstrate how his ideas of the visual and written language are closely interlinked Going beyond Pater s views on sculpture as an art form this study traces the notion of relief rilievo and hybrid form in Pater and his view of the writer as sculptor a carver in language Alongside her treatment of rilievo as a pervasive trope Lene termark Johansen also employs the idea of rivalry paragone more broadly examining Pater s concern with positioning himself as an art critic in the late Victorian art world Situating Pater within centuries of European aesthetic theories as never before done Walter Pater and the Language of Sculpture throws new light on the extraordinary complexity and coherence of Pater s writing The critic is repositioned solidly within Victorian art and literature **Ghost Storeys**

Cameron Macdonell,2017-07-04 Most studies of modern Gothic media assume that beyond the 1830s modern Gothic architecture and literature had very little in common The work of Ralph Adams Cram 1863 1942 America s most prolific Gothic Revival architect and an author of ghost stories challenges that assumption The first interdisciplinary study of Cram s aesthetics Cameron Macdonell s Ghost Storeys deconstructs the boundaries of Gothic architecture and literature through a microhistory of St Mary s Anglican Church in Walkerville Ontario Focusing on Cram and the church s main patron Edward Walker 1851 1915 Macdonell explores the intricate intersections of Gothic aesthetics architectural ethics literature theology cultural values and community construction in an Edwardian era company town When Walker commissioned the church he believed that its economy of salvation could save him from the syphilis that afflicted his body and stained his soul However while implementing that economy Cram whose architectural theory social commentary and ghost stories were pessimistic about reviving the Gothic in the modern world also created an architecture haunted by the sickness of humanity Painstakingly researched and lavishly illustrated Ghost Storeys redefines the allegorical relationship between a marginalized

church and the Gothic Revival movement as a global interdisciplinary phenomenon     *Masterpieces of European Painting, 1800-1920, in the Metropolitan Museum of Art* Metropolitan Museum of Art (New York, N.Y.), Kathryn Calley Galitz, 2007

*Dorian Unbound* Sean O'Toole, 2023-04-18 A bold reimagining of the literary history of Decadence through a close examination of the transnational contexts of Oscar Wilde's classic novel *The Picture of Dorian Gray* Building upon a large body of archival and critical work on Oscar Wilde's only novel *Dorian Unbound* offers a new account of the importance of transnational contexts in the forging of Wilde's imagination and the wider genealogy of literary Decadence Sean O Toole argues that the attention critics have rightly paid to Wilde's backgrounds in Victorian Aestheticism and French Decadence has had the unintended effect of obscuring a much broader network of transnational contexts Attention to these contexts allows us to reconsider how we read *The Picture of Dorian Gray* what we believe we know about Wilde and how we understand literary Decadence as both a persistent highly mobile cultural mode and a precursor to global modernism In developing a transnational framework for reading *Dorian Gray* O Toole recovers a subterranean network of nineteenth century cultural movements At the same time he joins several active and vital conversations about what it might mean to expand the geographical reach of Victorian studies and to trace the globalization of literature over a longer period of time *Dorian Unbound* includes chapters on the Irish Gothic German historical romance US magic picture tradition and experimental English epigrams as well as a detailed history and a new close reading of the novel in an effort to understand Wilde's contribution to a more dynamic idea of Decadence than has been previously known From its rigorous account of the broad archive of texts that Wilde read and the array of cultural movements from which he drew inspiration in writing *Dorian Gray* to the novel's afterlives and global resonances O Toole paints a richer picture of the author and his famously allusive prose This book makes a compelling case for a comparative reading of the novel in a global context It will appeal to historians and admirers of Wilde's career as well as to scholars of nineteenth century literature queer and narrative theory Irish studies and art history
