The New Palgrave Dictionary of Economics and the Law Peter Newman, 2016-04-30 A great deal of economics is about law the functioning of markets property rights and their enforcement financial obligations and so forth yet these legal aspects are almost never addressed in the academic study of economics Conversely the study and practice of law entails a significant understanding of economics yet the drafting and administration of laws often ignore economic principle The New Palgrave Dictionary of Economics and the Law is uniquely placed by the quality breadth and depth of its coverage to address this need for building bridges Drawn from the ranks of academics professional lawyers and economists in eight countries the 340 contributors include world experts in their fields Among them are Nobel laureates in economics and eminent legal scholars First published in 1998 and now available in paperback for the first time The New Palgrave Dictionary of Economics and the Law has established itself as a classic reference work in this important field

Russia's Capitalist Revolution Anders Åslund, 2007 Building Business in Post-Communist Russia, Eastern Europe, and Eurasia Dinissa Duvanova, 2013-02-18 Prior to 1989 the communist countries of Eastern Europe and the USSR lacked genuine employer and industry associations After the collapse of communism industry associations mushroomed throughout the region Duvanova argues that abusive regulatory regimes discourage the formation of business associations and poor regulatory enforcement tends to encourage associational membership growth Academic research often treats special interest groups as vehicles of protectionism and non productive collusion This book challenges this perspective with evidence of market friendly activities by industry associations and their benign influence on patterns of public governance Careful analysis of cross national quantitative data spanning more than 25 countries and qualitative examination of business associations in Russia Ukraine Kazakhstan and Croatia shows that postcommunist business associations function as substitutes for state and private mechanisms of economic governance These arguments and empirical findings put the long standing issues of economic regulations public goods and collective action in a new theoretical perspective

Perspectives on EU-Russia Relations Debra Johnson, Paul F. Robinson, Paul Robinson, 2005 This book explains how the internal dynamics of transition have influenced the relationship between Russia and the EU Taking an holistic approach the authors present a balanced analysis exploring EU Russian and US perspectives on the Russian EU relationship and examine a range of political economic business and security issues including the Northern dimension of Russian EU relations the Chechen situation Russian domestic economic policy trade the business environment energy and EU technical assistance They also address such questions as Will bilateral relations be achieved with a Western or Russian model Who is the main driver of Russian EU

relations Is Russia converging with the EU in terms of business culture legal environment and systems Does the Russian EU link provide a new model for EU external relations

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Eastern Europe, Russia and Central Asia 2003 ,2000* Foreign Investment and Privatization in Eastern Europe Patrick Artisien,Matija Rojec,Marjan Svetlicic,2016-01-03 Written in a clear and straightforward style and well grounded in succinct and pertinent analysis It will prove a boon to students and practitioners alike as moves proceed towards European integration British Book News This volume identifies and analyses the extent to which the countries of Central and Eastern Europe are likely to attract inward foreign direct investment FDI to the turn of the century Although these countries have been growing recipients of FDI Western multinationals remain cautious and are slow to commit large investment sums The book covers the contextual and thematic aspects of FDI as well as empirical country studies including the Commonwealth of Independent States Hungary Poland and Slovenia which address the legal environment for FDI its magnitude and motives and industrial breakdown The final section discusses the potential for closer economic and political integration in Europe

Unleashing Russia's Business Potential Harry G. Broadman,2002-01-01 Russia needs to continue to assess and improve its business environment in order to ensure continuing investment and sustained growth Currently many of the new businesses are being established in the larger urban areas but similar new businesses need to develop at the regional level This book based on in depth case studies of more than 70 companies across 13 regions in Russia examines four areas key to institutional development and formulates policy recommendations Topics include the determinants of inter enterprise competition and market structure at the local level the regulatory regime governing the price supply and access to local infrastructure services access to corporate finance in regional markets and the legal system for resolution of commercial disputes

The Economic History of Central, East and South-East Europe Matthias Morys,2020-12-29 The collapse of communism in Central East and South East Europe CESEE led to great hopes for the region and for Europe A quarter of a century on the picture is mixed in many CESEE countries the transformation process is incomplete and the economic catch up has taken longer than anticipated The current

situation has highlighted the need for a better understanding of the long term political and economic implications of the Central East and South East European historical experience This thematically organised text offers a clear and comprehensive guide to the economic history of CESEE from 1800 to the present day Bringing together authors from both East and West the book also draws on the cutting edge research of a new generation of scholars from the CESEE region Presenting a thoroughly modern overview of the history of the region the text will be invaluable to students of economic history and CESEE area studies
