Egalitarian Community Robert A. Atkins,1991 Egalitarian Community Robert A. Atkins,1991 Undertakes to use one grand theory of cultural anthropology Grid Group Analysis as developed by Mary Douglas to interpret a comparative study of early Christianity Grid Group Analysis addresses the problem of relating the cultural bias of a society to the observable behaviour of its members Christian Egalitarian Leadership Aida Besancon Spencer,William David Spencer,2020-10-30 Much has been written on servant leadership but it is not always tied to egalitarian leadership Sometimes authority and power instead of God s love are presented as the core of the Christian faith The church at times derails imitating worldly culture emphasizing entitlement that relies on an innate or permanent human hierarchy of rank Responding to today s conflict over leadership Christian Egalitarian Leadership calls us back to its biblical roots what is Christian egalitarian leadership Why is it biblical How does it work Thoughtful and devout Christian leaders carefully explain how sharing leadership follows God s intentions and is crucial to implement today The theoretical and practical ramifications of these concepts are extended to many areas of the Christian life by numerous qualified individuals women and men of different races and economic and social classes Chapters overview New Testament teachings biblical authority Old Testament and contemporary examples God s intention at creation pagan philosophy s influence on Christian hierarchal leadership multicultural and multi ethnic leadership in the United States and Africa marriage rearing children equipping youth and laity church planting retirement and missions from the cradle to the mission field **The Institutional Dynamics of Culture, Volumes I and II** Perri Six,2018-12-20 These two volumes present the most important recent developments in the institutional theory of culture and demonstrate their practical applications Sometimes called grid group analysis or cultural theory they derive from the work of Durkheim in the 1880s and 1900s and develop the insights of the anthropologist Mary Douglas and her followers from the 1960s on First redefined within social and cultural anthropology the theory s influence is shown in recent years to have permeated all the main disciplines of social science with substantial implications for politics history business work and organizations the environment technology and risk and crime and consumption Today the institutional theory of culture now rivals the rational choice Weberian and postmodern outlooks in influence across the social sciences **Biblical Multicultural Teams** Sheryl Takagi Silzer,2011 Biblical Multicultural Teams speaks to the heart of cultural misunderstanding our childhood upbringing Sheryl Takagi Silzer is able in this work to provide both an honest look at her own cross cultural experience and an astute academic understanding of cross cultural communication We all work and function in a multicultural world The advice and wisdom in Biblical Multicultural Teams will thus enable you to take a hard look at assumptions and attitudes found in your team and to work on submitting them to biblical standards of interaction Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L>

Colossae in Space and Time Alan H. Cadwallader,Michael Trainor,2011-12-07 The ancient site of Colossae in south

west Turkey has been sorely neglected by archaeologists and biblical commentators. It has never been excavated. Modern scholarship in general has been content to repeat nineteenth century assessments especially those of J B Lightfoot and W M Ramsay. This is the first modern contribution to gather the archaeological historical classical and biblical materials related to the site and its region some of which is published in English for the first time. It marks a major step forward in scholarship on Colossae and is designed to restore Colossae to time and space to its material and comparative significance. Colossae emerges as a site of uninterrupted human activity in dynamic interaction with its neighbours from before the Achaemenid period to beyond the end of Byzantine control. Evidence of a chalcolithic origin of Colossae is presented along with an assessment of the relationship of the site to the modern city of Honaz. An array of international scholars have brought their specialisations in various periods and disciplines to yield a radically new assessment of the history and importance of the site. All future scholarship will be able to use this volume as the necessary foundation for research. The volume includes the first chronology of the ancient site and the first English translation of the key Byzantine text centred on the ancient city as well as major new insights into the text of the Epistle to the Colossians.

Lo, I Tell You a Mystery David A. Ackerman, 2006-02-01

The divine mystery as interpreted by Paul offers transformation. The believer who identifies with the death and resurrection of Christ by putting to death the old way of life (Rom 6 5 11 Gal 2 20) enters into a new sphere of influence characterized by intimate fellowship with Christ. One who is in this sphere is free from the snare of Adam and the world and is no longer bound by the power of sin and death. The divine mystery also offers a new source of power by the indwelling Holy Spirit. The Spirit brings gifts to those in Christ that enable them to function as community. The highest and most significant of these is love which brings diversity together into unity. The indicative is that the Spirit graces believers with love. The imperative is that they should follow after the example of Paul and hence Christ in loving others. The divine Spirit is described as holy and makes holiness possible for those in Christ. The indicative is that fellowship with Christ is possible because of redemption. The imperative is that Christ demands loyalty which cannot be shared with any other particularly with prostitutes who represent the ways of the world or idols that open doors for demons from the Conclusion.

Epaphras Michael F. Trainor, 2008

Human beings are embedded in a set of social relations. A social network is one way of conceiving that set of relations in terms of a number of persons connected to one another by varying degrees of relatedness. In the early Jesus group documents featuring Paul and coworkers it takes little effort to envision the apostle's collection of friends and friends of friends that is the Pauline network. The persons who constituted that network are the focus of this set of brief books. For Christians of the Western tradition these persons are significant ancestors in faith. While each of them is worth knowing by themselves it is largely because of their standing within that web of social relations woven about and around Paul that they are of lasting interest. Through this series we hope to come to know those persons in ways befitting their first century Mediterranean culture. Epaphras belonged to Paul's network of friends. Because Epaphras is mentioned only three times in the Second

Testament in the letters to Philemon and the Colossians it is unsurprising that he is passed over by biblical scholars more interested in Paul's better known companions Michael Trainor points out however that even though Epaphras is mentioned infrequently Colossians portrays him as an authentic interpreter of Paul and an important teacher After all by the time the letter to the Colossians was written Paul was dead Epaphras ensures for that community and the next generation of Christians the continuity as well as the freshness and vitality of Paul's teaching Thus Epaphras has great relevance for Christians today who seek ways to engage the contemporary world in light of their discipleship

'All of You are One' Bruce Hansen, 2010-01-19 Hansen argues that unity formula employed in Gal 3:28, 1 Cor 12:13 and Col 3:11 offers equality between competing social groups

Tapestry of Grace Benjamin C. Shin, Sheryl Takagi Silzer, 2016-09-13 Why do the first generation still act like that Why can't we try some new ideas Why are the second generation so lazy Why are the second generation so disrespectful Isn't it a shame how the church is split between the two generations These and many more questions reflect the tangled conflicts within the Asian American church Cultural differences have led to many misunderstandings and conflicts Conflicts have created bitterness and churches have split apart How can these tangled threads be rewoven into a beautiful tapestry of God's grace What would it take for the Asian American church to reflect God's grace In *Tapestry of Grace* Dr Benjamin C Shin and Dr Sheryl Takagi Silzer apply their years of study and teaching to explain how the cultural complexities that occur between the different generations of the Asian American church can be untangled Taking lessons from their own spiritual journeys they show how each generation can experience the amazing grace of the Gospel

The Paul Quest Ben Witherington III, 2001-10-22 Ben Witherington III examines the various profiles of the historical Paul that have been newly discovered revealing how a reacquaintance with the classical Roman world has filled in even more details of Paul's life and work

Conflict and Community in Corinth Ben Witherington, 1995-01-24 This commentary applies an exegetical method informed by both sociological insight and rhetorical analysis to the study of I and 2 Corinthians The study also analyzes the two letters of Paul in terms of Greco Roman rhetoric and ancient social conditions and customs to shed fresh light on the context and content of the message

Paul's Idea of Community Robert J. Banks, 2020-01-21 This highly readable investigation of the early church explores the revolutionary nature dynamics and effects of the earliest Christian communities It introduces readers to the cultural setting of the house churches of biblical times examines the apostle Paul's vision of life in the Christian church and explores how the New Testament model of community applies to Christian practice today Updated and revised throughout this 40th anniversary edition incorporates recent research updates the bibliography and adds a new fictional narrative that depicts the life and times of the early church

Anthropology and Theology Douglas Davies, 2020-05-18 Anthropology and Christian Theology have traditionally interpreted religion in quite different ways and have often been thought of as hostile to one another In fact a fundamental concern for human experience lies at the heart of both disciplines This innovative book takes a new look at key anthropological and theological themes and explores the intricacies of their interplay throughout history and in the present Sacrifice embodiment ritual incarnation symbolism gift and power are all related in ways that shed new light on religious behaviour and belief Detailed analysis of fundamental Christian rites shows how they help generate emotional meaning and inspire philosophical ideas and demonstrates how the body serves as a vehicle for religious beliefs Through an examination of these issues and much more Davies reveals how religious rituals help people to become secure in their sense of identity This accessible foray into new territory is essential reading for anthropologists theologians or anyone interested in religion who is seeking new interpretations of familiar themes

Grace in Galatia Ben Witherington, 1998 Grace in Galatia is an innovative socio rhetorical study of Paul's most polemical letter Ben Witherington breaks new ground by analyzing the whole of Galatians as a deliberative discourse meant to forestall the Galatians from submitting to circumcision and the Jewish law The commentary features the latest discussion of major problems in Pauline studies including Paul's view of the law and the relationship between the historical data in Galatians and in Acts Yet the narrative character of Witherington's work allows it to remain exceedingly accessible The volume also includes sections following the major divisions of the commentary that point to the relevance of the text for believers today making Grace in Galatia of special value to pastors and general readers as well as students and scholars

What is Social-scientific Criticism? John Hall Elliott, Dan Otto Via, 1993 This book gives a clearly written authoritative introduction to social scientific criticism of the New Testament including the rise of this method its practitioners and the focal points of their work how the method is applied to the interpretation of the biblical text and the presuppositions and procedures of the method Four appendices glossary two bibliographies

The Oxford Handbook of Pauline Studies Matthew V. Novenson, R. Barry Matlock, 2022-04-08 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five

key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

Social Scientific Models for Interpreting the Bible

John Pilch, 2021-10-01 Fourteen members of The Context Group honor Bruce J Malina and his scholarship in this volume by following his consistent example of developing or using explicit social scientific models to interpret documents from the ancient Mediterranean world Ordinary features of that cultural world such as gossip reciprocity a pervasive military presence the power of women and becoming a follower of Jesus stand out with greater clarity in the Bible when a reader understands the cultural matrix in which such social dynamics function These essays reflect The Context Group's more than twenty years of collaborative experience in researching the cultural context of the Bible New insights are built on the solidly established foundations of their earlier cross cultural studies Readers will find the individual essays enlightening and challenging Taken as a whole they form a valuable resource and a stimulating and helpful aid to further study
