**Performing Authorship in Eighteenth-Century English Periodicals** Manushag N. Powell, 2012-06-29 Performing Authorship in Eighteenth Century Periodicals discusses the English periodical and how it shapes and expresses early conceptions of authorship in the eighteenth century Unique to the British eighteenth century the periodical is of great value to scholars of English cultural studies because it offers a venue where authors hash out often in extremely dramatic terms what they think it should take to be a writer what their relationship with their new mass media audience ought to be and what qualifications should act as gatekeepers to the profession Exploring these questions in The Female Spectator The Drury Lane Journal The Midwife The World The Covent Garden Journal and other periodicals of the early and mid eighteenth century Manushag Powell examines several paper wars waged between authors At the height of their popularity essay periodicals allowed professional writers to fashion and make saleable a new kind of narrative and performative literary personality the eidolon and arguably birthed a new cult of authorial personality In Performing Authorship in Eighteenth Century Periodicals Powell argues that the coupling of persona and genre imposes a lifespan on the periodical text the periodicals don't only rise and fall but are born and in good time they die

*Aspects of Death and the Afterlife in Greek Literature* George Alexander Gazis, Anthony Hooper, 2021-06-10 The concept of the afterlife has always been prominent in both Greek literature and

modern scholarship alike The fate of man after his her allotted time has come to an end has a central position in poetry philosophy and religion often leading to questions and answers as to how one can best live one s life and how can one deal with the burden of mortality that is inherent in every human being The Greeks devoted a considerable amount of their literary production in an attempt to answer these questions through a variety of different media whereas similar concerns appear to have been at the core of the ancient world in general This volume represents the first to examine the influences intersections and developments of understandings of death and the afterlife between poetic religious and philosophical traditions in ancient Greece in one resource Greek thinking on death and the afterlife was neither uniform simple nor static and by offering an examination of these matters in a properly interdisciplinary context this collection of papers aims to demonstrate the full richness complexity and flexibility of these ideas in the ancient Greek world and illuminate how freely writers from various genres drew inspiration from each other s thinking concerning eschatological matters Contributors Alberto Benarab Rick Benitez Nicolo Benzi Chiara Blanco Radcliffe Edmonds George Alexander Gazis Anthony Hooper Vaios Liapis Alex Long Ioannis Ziogas **Light** ,1921 Heritage or Heresy B. Schildgen,2016-01-23 This is an account of the roles of local and national movements and of memory and regret in the destruction or preservation of the architectural artistic and historic legacy of Europe in which the author examines what is cultural heritage and why it matters
