Perry decided it was too rainy to plow and went fishing That day George landed the largest largemouth ever recorded twenty
two pounds four ounces The fish has inspired and frustrated hundreds of anglers for decades They've dedicated their lives to
the pursuit of Sowbelly a nearly mythical fish whose swinelike girth holds the key to their dreams From an L A cop who came
within ounces of besting the record to an Alabaman who has lost his marriage and his daughter to this pursuit Burke takes
readers along for the ride in this legendary race The Power of Israel in the United States James Petras,2011-02-07 This
book is a chapter by chapter analysis and documentation of the power of Israel via the Israeli Jewish or Pro Zionist Lobby on
US Middle East policy It raises serious questions as to the primary beneficiary of US policy and its destructive results for the
United States The extraordinary extent of US political economic military and diplomatic support for the state of Israel is
explored along with the means whereby such support is generated and consolidated Contending that Zionist power in
America ensured unconditional US backing for Israeli colonization of Palestine and its massive uprooting of Palestinians it
views the interests of Israel rather than those of Big Oil as the primary cause of the disastrous US wars against Iraq and
threats of war against Iran and Syria It demonstrates and condemns US imitation of Israeli practice as it relates to conduct of
the war on terrorism and torture It sheds light on the AIPAC spying scandal and other Israeli espionage against America the
fraudulent and complicit role of America's academic terrorist experts in furthering criminal government policies and the
orchestration of the Danish cartoons to foment antipathy between Muslims and the West It questions the inability in America
to sustain or even formulate a discourse related to the subject of Israeli influence on the United States It calls for a review of
American Mid East policy with a view to reclaiming US independence of action based upon enlightened self interest and
progressive principles Congressional Record ,1890
