Eddie Neville Of The Durham Bulls:

Eddie Neville of the Durham Bulls Bill Kirkland,2013-11-22 For many fans in the 1940s and 1950s it wasn't the exploits of major leagues that made baseball so popular. It was the local minor league heroes often lacking the talent or luck to make it to the majors who dominated their thoughts of baseball. One of these players was Eddie Neville. A gutsy left handed pitcher from the sandlots of Baltimore, Neville made his mark on the minor league towns he played in, particularly Durham, North Carolina, where he is still the winningest pitcher in the history of the Durham Bulls. His story is one of Class D pennant races and winters spent in the Canal Zone of Panama, all the time chasing the elusive dream to play in the big leagues. Blended in are looks at minor league personalities such as Muscle Shoals and Turkey Tyson and future major leaguers such as Tom Lasorda and Dick Groat.

A View from the Mound; My Father's Life in Baseball T. J. Lewis,2009-04-06 The tale of a man who made a lifetime contribution to the all American game. How he touched the lives of thousands of young men and friends in their words and memories from high school baseball through the major leagues. The Biography of my dad Joe Skippy Lewis. Interviews with Johnny Pesky, Alan Trammell, Mark The Bird Fidrych and More. *Professional Baseball in North Carolina* J. Chris Holaday,2015-09-11 Hundreds of major leaguers including the Hall of Fame's Hank Greenberg, Johnny Mize, Rod Carew, Carl Yastrzemski and Joe Morgan got their starts in North Carolina, where baseball has been a fixture in the state for nearly 100 years. In Charlotte and Durham, whose Bulls were in the 1988 film *Bull Durham*, as well as Red Springs and Snow Hill. Following an historical statewide overview, year by year summaries and histories are provided for each of the 72 towns from Albemarle to Zebulon. Notable players and club records are listed for each year, and the causes for the rise and fall of baseball in the different towns are discussed. Biographies of 20 prominent minor leaguers are included, as is an appendix of nearly 2,000 major leaguers who played for a North Carolina team. The state's Negro League and textile league histories are also related.

The Middle Atlantic League, 1925-1952 William E. Akin,2015-08-13 The small and midsized cities of western Pennsylvania, Ohio, and West Virginia reached their peaks of population and prosperity in the second quarter of the 20th century. The baseball teams from these towns formed the Middle Atlantic League, the strongest circuit in the low minors and the one with the most alumni to advance to the majors. This thorough history chronicles the MAL through three distinct phases: from its 1925 inaugural season to its dissolution in 1952. During the first several seasons, most clubs hung one step from financial disaster despite support from local communities. Then the league flourished during the Great Depression as president Elmer Daily magically found investors and night baseball boosted working class attendance. Now enjoying a modicum of financial stability and an infusion of young talent, the clubs became talent farms for major league teams. Both the league and its cities went into decline as the country underwent seismic cultural and economic shifts following World War II.

Baseball in North Carolina's Piedmont Chris Holaday,2003-04 Bordered by the Appalachian Mountains to the west and the flat coastal plain to the east, North Carolina's foothills region, also called the Piedmont, is home

to a remarkable baseball heritage For well over a century the game has played a meaningful role in the lives of Piedmont residents Countless thousands have participated in this national tradition and though some went on to become famous professional players in the big leagues most never played for more than their local team All however contributed to an important part of regional history The North Carolina Piedmont has long been famous for its minor league teams including the Durham Bulls and the Carolina Mudcats but it s not just the professionals who helped shape the area s baseball tradition College programs like those at the University of North Carolina Duke Wake Forest and NC State have all figured prominently on the national scene at one time or another High school teams from towns including Sanford have ranked among the nation s best while American Legion teams have even captured the national championship In the past it was the textile mills that contributed so much to the region s baseball heritage Many of the mills only exist in memories today but some of the teams they fielded with names like McCrary Wiscassett Cannon and Cooleemee became local legends With such a rich and colorful history there is no doubt that North Carolina s Piedmont is truly baseball country

Cracks in the Outfield Wall Chris Holaday,2024-04-05 The best known story of integration in baseball is Jackie Robinson who broke the major league color line in 1947 after coming up through the minor leagues the previous year His story however differs from those of the many players who integrated the game in the Jim Crow South at all professional levels Chris Holaday offers readers the first book length history of baseball s integration in the Carolinas showing its slow and unsteady progress narrating the experience of players in a range of distinct communities detailing the influence of baseball executives at the local and major league levels and revealing that the changing structure of the professional baseball system allowed the major leagues to control integration at the state level Holaday illuminates many smaller stories along the way including desegregation in Little League and American Legion baseball the first Black players to play in the tiny foothills town of Granite Falls North Carolina and the pipeline of Afro Cuban players from Havana to the Carolina leagues By showing how race and the national pastime intersected at the local level Holaday offers readers new context to understand the long struggle of equality in the game

The Encyclopedia of Minor League Baseball Lloyd Johnson,Miles Wolff,2024-12-19 When the pandemic hit in early 2020 baseball s minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019

Baseball Myron J. Smith,1998 Covering all aspects of baseball this supplement contains listings for reference works general works histories special studies professional leagues and teams youth foreign and amateur leagues and rules It contains over 5100 new references
