Edge Of Doom:

Shades of Noir Joan Copjec, 1993-11-17 These essays examine film noir in the light of contemporary social and political concerns attempting to move beyond the views of the early French critics Topics range from the re emergence of noir in films such as *Bladerunner* to the relations between the sexes and the role of women The End of the World Martin H. Greenberg, 2010-07-08 Before *The Road* by Cormac McCarthy brought apocalyptic fiction into the mainstream there was science fiction No longer relegated to the fringes of literature this explosive collection of the world's best apocalyptic writers brings the inventors of alien invasions devastating meteors doomsday scenarios and all out nuclear war back to the bookstores with a bang The best writers of the early 1900s were the first to flood New York with tidal waves destroy Illinois with alien invaders paralyze Washington with meteors and lay waste to the Midwest with nuclear fallout Now collected for the first time ever in one apocalyptic volume are those early doomsday writers and their contemporaries including Neil Gaiman Orson Scott Card Lucius Shepard Robert Sheckley Norman Spinrad Arthur C Clarke William F Nolan Poul Anderson Fredric Brown Lester del Rey and more Relive these childhood classics or discover them here for the first time Each story details the eerie political social and environmental destruction of our world **The Living Age**, 1903 Daily Gifts of Grace Women of Faith, 2012-01-02 Women of Faith speakers share insight advice laughter and maybe even a few tears in this daily devotional Voices from fiction recognizable names from Christian conferences and well known Christian writers also are included Daily Gifts of Grace is a daily devotional designed specifically for women with a beautiful hardbound case and a magnetic closure Readers will be pleased to open it for a devotion that will help them face the day or for an inspirational devotion to close the day Contributors include Joni Eareckson Tada Lisa Whelchel Jenna Lucado Sheila Walsh Kim Cash Tate Patsy Clairmont Natalie Grant Lisa Harper and others For Every Fear a Promise Brad Hicks, 2012-12 Real people face real fears Dr Hicks inspires you to discover that God has designed a way to help you cope with the fears in your life There are many statements in Scripture that either explicitly or implicitly teach us not to fear What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear With each devotional you will find a fear not and a promise from Scripture As you discover and appropriate those promises your fears should begin to subside You will find yourself identifying with the stories that illustrate Bible truths about fear be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear and confront your personal fears and discover God's overcoming promises through each Scripture rich life applied devotional **Drama and Sonnets of William Shakespeare vol. 2** Samiran Kumar Paul, 2020-12-15 Shakespeare at best answers the needs of a particular generation in one country or another Those needs vary directors and actors audiences and common readers scholar teachers and students do not necessarily seek the same aids for understanding Shakespeare is an international possession transcending nations languages and professions More than the Bible which competes with the Koran and with Indian and Chinese religious writings Shakespeare is unique in

the world's culture not just in the world's theatres Shakespeare's literary and cultural authority is now so unquestioned that it has taken on an aura of historical inevitability and has enshrined the figure of the solitary author as the standard bearer of literary production. It is all the more important then to suggest that Shakespeare had a genius for timing managing to be born in exactly the right place and at the right time to nourish his particular form of greatness. He regularly demonstrates and celebrates the ideas and ideals of Renaissance humanism often even in his tragic plays presenting characters that embody the principles and ideals of Renaissance humanism or people of tremendous self knowledge and wit that are capable of self expression and the practice of individual freedom. Shakespeare himself can be understood as the ultimate product of Renaissance humanism he was an artist who openly practised and celebrated with a deep understanding of humanity and an uncanny ability for self expression.
