emphases remained constant These essays provide a view of evolution and change as well as an examination of the crises and turning points in the history of European integration Hoffmann chronicles the ebb and flow of the process from the time of Charles de Gaulle s challenge to Jean Monnet s conception of supranational integration through the 1970s period of stagnation and on to the 1992 single market program and the Maastricht Treaty Scholars will welcome the opportunity to have Hoffmann s analyses most long unavailable within one volume Students will find Hoffmann s consistent and cohesive vision an invaluable guide to understanding the evolution of European union      *The Eighth Champion of Christendom* Edith Pargeter,1945      *The House of Green Turf* Ellis Peters,2015-12-22 A car crash survivor is convinced she committed murder and private eye Francis Killian joins forces with George and Bunty Felse to uncover her past World famous opera singer Maggie Tressider wakes up in a hospital after an accident haunted by the certainty that she has committed a murder Her doctor suggests that with the help of a psychiatrist she may be able to lay the nameless specter to rest But Maggie chooses a very different expert to help her unearth the secrets of her past Her commission launches private investigator Francis Killian on a hunt across Europe in search of a grave But the trail also leads him to one Bunty Felse a former colleague of Maggie s and the wife of Inspector Felse The successful end of Killian s search is only the beginning of a long pilgrimage a journey that leads not only back into the past but also to a remote corner of the Austrian Alps where death awaits The House of Green Turf is the 8th book in the Felse Investigations but you may enjoy reading the series in any order
