Education And Modern Spiritual Life:

Education and Modern Spiritual Life Rudolf Steiner, 1989-11 These lectures form one of the most comprehensive **Education and Modern** introductions to the philosophy of Waldorf education See also A Modern Art of Education Spiritual Life, Etc. (Further Revision by J. Darrell and Additional Lecture Translated by George Adams.). Rudolf Steiner, Jesse DARRELL, George Adams KAUFMANN (afterwards ADAMS (George)), 1954 **Education and Modern Spiritual** Rudolf Steiner Bo Dahlin, 2017-06-22 This book covers Rudolf Steiner's biography presented Life Rudolf Steiner, 1928 from an educational point of view and also unfolds the different aspects of Steiner's educational thought in Waldorf Education His point of view is unique in that it relates education to a wide horizon of different contexts such as social pedagogical evolutionary and spiritual aspects His ideas are philosophical ethical epistemological ontological However above all they are based on spiritual understanding of the human being and the world In many ways they stand in stark contrast to the views that inform present mainstream educational thought and practice Nevertheless there are points where Steiner s ideas can find a resonance in more recent educational thought Steiner was in many ways ahead of his time and his educational ideas are still relevant to many present day educational issues and problems **Holistic Learning and** Spirituality in Education John P. Miller, Selia Karsten, Diana Denton, Deborah Orr, Isabella Colalillo Kates, 2012-02-01 In Holistic Learning and Spirituality in Education scholars from around the globe address the theory practice and poetics of holistic education Some of the topics explored include educating the soul partnership education nourishing adolescents spirituality education and the modern assault on being human the Eros of teaching personal creativity as soul work pedagogies of compassion and meditation masculinity and meaningful life Spiritual, Life and Values Education for Children John Chi-Kin Lee, 2024-07-19 This book offers various perspectives on children's spirituality and its relation to life and values education from diverse socio cultural and educational contexts It brings together a collection of select research articles that were published over a period of two decades 1999 2020 in the International Journal of Children's Spirituality IJCS to celebrate the journal s 25th anniversary Featuring contributions by leading international scholars from U K U S A Canada Hong Kong China and Australia this volume offers a multidisciplinary snapshot of children's spirituality and its relation to life and values education It highlights the importance of socio cultural and religious traditions as well as perspectives on religious education and the spirituality of children shaped by religious cultural and educational systems in specific societies and contexts Chapters cover topics including the links between mirror neurons and human empathy and education the relationship between spirituality and citizenship the notion of inclusive spiritual education and the perspectives of spiritual education through the conceptual lens of transcendence raised awareness and spiritualism how outdoor play spaces can contribute to a child's spiritual development through enriching activities and approaches to help nurture students spiritual growth in their aspects of themselves self others the environment and with a Transcendent Other transcendence

This volume will be a key resource for researchers and postgraduate students interested in understanding children's spirituality and its implications for spiritual life and values education and the Kingdom of Childhood Rudolf Steiner,1995-07. You should not have any mystical ideas about meditation nor should you think it is easy Meditation must be completely clear in the modern sense Patience and inner soul energy are needed and above all it depends on an act that no one else can do for you it requires an inner resolve that you stick to When you begin to meditate you are performing the only completely free activity there is in human life Rudolf Steiner This completely revised edition provides an ordered sequence of statements by Steiner on the development of higher suprasensory knowing Imagination Inspiration and Intuition Nine chapters take the reader from the idea of inner development through the cultural and evolutionary need for higher knowing and then to examples of the practices and inner gestures required by this work Steiner describes the necessary steps and stages always insisting on the free individual and cognitive character of anthroposophic spiritual research This essential inner guide is for anyone on a path of true spiritual development.
