Educators On The Frontline Advocacy Strategies For Your Classroom Your School And Your Profession:

Educators on the Frontline Jill Lewis (Ed. D.), Kathleen Stumpf Jongsma, Allen Berger, 2005 Offers teachers and other school personnel an overview of education advocacy explaining what the role of an education advocate is how they can change the education system how to get started and what the best advocacy strategies are Teacher Collaboration for Professional Learning Cynthia A. Lassonde, Susan E. Israel, 2009-12-09 Teacher Collaboration for Professional Learning contains the essential information tools and examples teachers and school leaders need to create manage and sustain successful collaborative groups Designed to be a hands on resource this practical guide shows you how to Advocate for collaborative teacher learning Develop and sustain collaborative research groups Organize and conduct productive research projects Address issues of ethics leadership and group dynamics Evaluate and sustain collaborative learning activities Based on data from a major survey Teacher Collaboration for Professional Learning features extensive case examples from model research communities collaborating within schools across districts in partnership with universities and as online networks The book also offers a wealth of reproducible templates as well as reflection questions and exercises invaluable tools for organizing study groups *Official Portraits and Unofficial Counterportraits of At Risk" Students"* Richard J. Meyer, 2010-01-15 This book chronicles fifth and sixth grade writers in a poor culturally diverse rural school in the southwest US coming into their voices cultivating those voices and using those voices in a variety of venues beginning with the classroom community and spreading outward The big ideas of official and unofficial portraits are presented followed by data and facets of the theoretical construct of counterportraits in each chapter as a response to official portraits *Closing the Gap* Karen Keaton Jackson, Sandra Vavra, 2007-09-01 Without contraries there is no progression William Blake This is a book about reality and hope Its chapters reframe the concept of gap acknowledging distances for example acknowledging old insights and theory while also honoring teacher discovery However it refuses to bow under the weight of these challenges Its contributors focus instead on how to overcome acknowledged inadequacies in learning how to teach writing as well as how to practice principled literacy instruction These contributors see gaps not as unbridgeable chasms but rather as opportunities to educate their students to use writing to understand the broader context of their education and pre service candidates to adapt curriculum creatively Contributors include new and seasoned secondary school teachers graduate students and university faculty who together remind us of old insights needing to be passed along Villanueva and show us new practices that challenge the conventions of the status quo and promote social justice To close the gaps in short they demonstrate how rhetoric and truth are intertwined In a time when too many children continue to be left behind this book should be required reading for all literacy teachers because it is in our continued willingness to learn from each other that hope resides

Improving Literacy Achievement in Urban Schools Louise Cherry Wilkinson, Lesley Mandel Morrow, Victoria Chou, 2008 All students deserve the opportunity to reach their full literacy potential yet research shows that the numerous challenges faced by today's urban schools prevent many students from achieving this goal. Therefore preparing teachers to effectively teach reading in diverse urban populations in ways that students find engaging and relevant must be a top priority of teacher education programs.

Secondary School Literacy Leslie S. Rush, A. Jonathan Eakle, Allen Berger, 2007 This collection is an authoritative resource that draws on the knowledge and expertise of outstanding scholars and provides crucial information about research theory and practice related to secondary school literacy. Leading scholars along with newer researchers in literacy education address topics such as the impact of state and federal mandates on literacy instruction in secondary classrooms English language learners and online reading comprehension. Chapter authors include Richard L. Allington, Donna E. Alvermann, Kathleen A. Hinchman, Robert T. Jimenez, Kevin M. Leander, Alfred W. Tatum, and Robert J. Tierney among others. Each chapter contains rich discussions of current research as well as practical classroom applications. As one reviewer noted, Each and every chapter is well documented and presents clearly established implications for teaching tied to the latest research findings. One of the major strengths of this edited volume lies in the way it points to a remarkable consistency across research findings representing a broad spectrum of disciplinary arenas. This volume is a welcome addition for any teacher, administrator, or district looking to implement sound research-based classroom practice and professional development.

Deserving and Entitled Anne L. Schneider, Helen M. Ingram, 2012-02-01 Public policy in the United States is marked by a contradiction between the American ideal of equality and the reality of an underclass of marginalized and disadvantaged people who are widely viewed as undeserving and incapable *Deserving and Entitled* provides a close inspection of many different policy arenas showing how the use of power and the manipulation of images have made it appear both natural and appropriate that some target populations benefit from policy while others do not These social constructions of deservedness and entitlement unless challenged become amplified over time and institutionalized into permanent lines of social economic and political cleavage The contributors here express concern that too often public policy sends messages harmful to democracy and contributes significantly to the pattern of uneven political participation in the United States
