Eddge Of The Tightrope:

Edge of the Tightrope John H. Drew, 1979 **Dream Watchman** Serena Wilder, Tina Roberts, 2011-07-28 A family curse caused a thirteen year old girl to be transported to the 17th century in a place full of wicked sorcerers *Carnival Magic* Amy Ephron, 2019-05-07 A summer by the seashore turns into a fantastical adventure for Tess Max in this magical tale filled with excitement acrobatics hypnosis and wonder Tess and Max are back in England for another summer with their Aunt Evie this time by the seashore in South Devon And they re incredibly excited about the travelling carnival that s come to town There are rides games acrobats The House of Mirrors and even a psychic with a beautiful wagon all her own In a visit to the psychic s wagon while Tess is being hypnotized the wagon seems to move Before Tess can shake herself out of the hypnosis before Max can do anything they seem to be travelling along with the rest of the carnival too quickly for the two of them to jump out But where are they going and what awaits them Will they be caught in a world different from their own And do the Baranova twins acrobats who miss their sister almost as much as Tess and Max miss their family hold the keys to the mystery Internationally bestselling author Amy Ephron returns with a companion novel to *The Castle in the Mist* and creates a magical tale filled with adventure mystery fantasy family and fun Praise for *Carnival Magic* Full of wonder and real life enchantment Amy Ephron s *Carnival Magic* is a charming adventure that will make a believer out of anyone Rachel Vail author of *Well That Was Awkward* and the *Friendship Ring* series Tess is a thoroughly modern heroine She s athletic impulsive and fearless The siblings are authentic children and the fantastic elements are the stuff of daydreams Perfect for classroom read alouds Kirkus Reviews The short chapters filled with mystery and action will have readers eagerly continuing to discover the secrets that await them Fans of the first book will be eager for this fun middle grade fantasy with a classic sensibility Booklist The setting is contemporary yet the language and tone feel distinctly nostalgic This novel which works as a stand alone will captivate readers who enjoy their whimsy with a dash of risk School Library Journal *Carnival Magic* is a softer otherworldly take on childhood mystery reminiscent of classics like *A Secret Garden* it is in itself an escape Tess especially follows in that lineage of strong intelligent female characters a sort of Lucy Pevensie Hermione Granger hybrid who is a leader who believes in magic Teen Vogue Amy Ephron has always been a magical storyteller In *Carnival Magic* the companion book to Ephron s successful *The Castle in the Mist* Tess and Max are teaching children and their parents about the power of thoughtful decision making loyalty and self confidence Life lessons and carnival rides the perfect beach read for all ages Parade Ephron renders this magical world with such assertive beauty that readers of all ages who are fortunate enough to believe in the power of magic will enjoy immersing themselves in the roller coaster fun of these stories and come to trust even if for a short time that in this alternate universe it is possible for us to come together and touch the sky Jewish Journal *Ski*, 1984-01 *On the Rim* Mark Neumann, 1999 **Bloom Wherever God Plants You** J. Mastine Nisbett, 2019-10-30 Dean Joshua Mastine Nisbett reflects on God s involvement and purpose in his life He reminisces over

four decades of ordained ministry in two parishes Several parallels are made between the author and Biblical characters The call of Jeremiah while still in his mother's womb Hannah dedicating her child to God's service and Dean Nisbett's parents baptizing him when he was nineteen days old Amos the dresser of sycamore trees called to be a prophet and Dean Nisbett's call from the grafting of fruit trees to assist in the grafting of souls The anointing of David to be king of Israel and the election of Dean Nisbett as the second rector of St David's Episcopal Church Abraham's sacrificial testing of his son Isaac and the near death experience of Jevon Dean Nisbett's son Joshua who led the Israelites into the Promised Land and Joshua who led St David's into their Promised Land Haggai's call for the rebuilding of the temple and Dean Nisbett's congregation building a house of worship Jesus' passion, death and resurrection and Dean Nisbett's challenges at the onset of his ministry The author also identified with no room at the INN at Bethlehem and the flight to Egypt by the Holy Family Often times the lectionary readings resonate with a current experience of the author Through prayer, meditation, radical trust in God, creative and mutual ministry, difficulties were turned into opportunities and a little church was transformed into a healthy one Reflecting on a pilgrimage to Ghana, Dean Nisbett gives a graphic description of the African Slave Trade He agonizes over the Anglican Church's role in the business but is convinced God planted him in the said church to help change the narrative

New York Magazine, 1984-10-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Clint Eastwood Ian Nathan, 2023-09-21 Clint Eastwood is Hollywood's elder statesman and its conscience He is the standard by which other films and filmmakers are judged He represents both classical Hollywood and an entirely modern uncompromising and unfussy directorial presence There are those who adore him as a cowboy, a superstar, the rugged, unyielding yet introspective face of American machismo There are those who read him as a great American auteur fashioning uncompromising, fascinating intellectual films about his country, about life, about whatever the hell takes his fancy No single figure in all of Hollywood operates so freely outside of the strictures of commercial pressure And yet, or perhaps that is because he makes hit after hit Separation of actor and director is almost impossible They are intimately related, cross pollinating but he has become in the latter half of his career to be viewed as one of the great American artists While drawing connections from his wider work as an actor and those who have influenced him it is his identity as a director that this book will celebrate This is not a career it is a landscape

The Web in the Sea Alice O. Howell,1993-04-01 With the mediating help of Sophia the divine feminine principle of wisdom we can decode the inner meaning of geometric shapes numbers and other symbols through intuition to enrich our experience of living and deepen our appreciation of the mystery of form Life has come out of the sea and as it did so millions of years ago it emerged in tiny forms of exquisite design The geometric web by which creation lifted life into being was preexistent Its counterpart lies in the seas of our own personal and collective unconscious as Carl Gustav Jung pointed out Through awareness we can discover preexisting patterns that can show us meaningful order in the chaos we experience at

times in the world and in our personal lives A companion to *Dove in the Stone* the book is illustrated with fifty line drawings and figures and includes an entertaining workbook *Sophia's Mondayschool* with exercises that guide readers in exploring for themselves the mysteries of sacred geometry

The Seventh Sunrise Larry Gordon, 2022-11-09 Larry Gordon provides thought provoking tales about life love joy grief compassion and kindness He writes with intrigue and humor His stories take you from a sacrificial mayfly surfing an eddy in the waters of a trout stream to a pantheon ballroom in the cosmos where Jupiter and Saturn dance cheek to cheek From two matches burning bright in the chilly night sky of the Los Angeles Coliseum to the twin peaks of Granite Mountain in Arizona and Mount Sinai halfway around the world Each story is anchored with God's whisper his word engraved in love Each chapter begins with a new day And with each dawn begins another moment of truth a time for joy a time for sorrow but most of all a time to care *The Seventh Sunrise* is chock full of wisdom hidden in the most obscure of places And within each concealed spot is a sanctuary cloaked with God's fingerprints

The Play Within the Play Gerhard Fischer, Bernhard Greiner, 2007 The thirty chapters of this innovative international study are all devoted to the topic of the play within the play The authors explore the wide range of aesthetic literary theoretical and philosophical issues associated with this rhetorical device not only in terms of its original meta theatrical setting from the baroque idea of a *theatrum mundi* onward to contemporary examples of postmodern self referential dramaturgy but also with regard to a variety of different generic applications e.g. in narrative fiction musical theatre and film The authors internationally recognized specialists in their respective fields draw on recent debates in such areas as postcolonial studies game and systems theories media and performance studies to analyze the specific qualities and characteristics of the play within the play as ultimate affirmation of the self the Hamlet paradigm as a self reflective agency of meta theatrical discourse and as a vehicle of intermedial and intercultural transformation The challenging study with its underlying premise of play as a key feature of cultural anthropology and human creativity breaks new ground by placing the play within the play at the centre of a number of intersecting scholarly discourses on areas of topical concern to scholars in the humanities

Memory and Latency in Contemporary Anglophone Literature Yvonne Liebermann, 2023-06-06 Up until fairly recently memory used to be mainly considered within the frames of the nation and related mechanisms of group identity Building on mechanisms of inclusion and exclusion this form of memory focused on the event as a central category of meaning making Taking its cue from a number of Anglophone novels this book examines the indeterminate traces of memories in literary texts that are not overtly concerned with memory but still latently informed by the past More concretely it analyzes novels that do not directly address memories and do not focus on the event as a central meaning making category Relegating memory to the realm of the latent that is the not directly graspable dimensions of a text the novels that this book analyses withdraw from overt memory discourses and create new ways of remembering that refigure the temporal tripartite of past present and future and negotiate what is memorable in the first place Combining the analysis of the novels overall structure with close

readings of selected passages this book links latency as a mode of memory with the productive agency of formal literary devices that work both on the micro and macro level activating readers to challenge their learned ways of reading for memory
