Thinking About Everything Dennis Ford,2008-11-04 Humorist Dennis Ford has seen it all After all he lives in New Jersey As a teacher and bookseller Ford contemplates some of life s great questions all without leaving his car These include What s the funniest

word in the English language How plastic surgery can turn devils into hotties The case of the perfectly fitting police uniform But Ford doesn't stop there He also devises a master plan to win the war in Iraq and ease the burden on the military explains how to apply for membership in the Society of Goths and backs up his belief that while Jesus may have been resurrected he most certainly wasn't crucified Politics religion psychology and popular culture it's all fair game Ford takes on everything shooting from the lip and saying out loud what everyone else keeps to themselves Stop taking life so seriously and consider the lighter side of things in *Thinking About Everything* *Souls of Distortion Awakening* J. Wicherink, 2006-02-17 This book reunites science and spirituality after their roads separated 300 years ago More and more scientists are discovering that both disciplines are only two sides of the same coin We are on the verge of a major paradigm change in science where the immaterial subjective world of the mind can no longer be separated from the objective material world This leap in human consciousness was already foreseen by the ancients and American indigenous people like the Maya Hopi and Aztecs who prophesized that this transformation of consciousness would take place in our time This book takes you on a journey from the ancient wisdom to the most modern scientific insights and demonstrates how both can be united
