The Triumph of Ignorance and Bliss James Polk, 2008 James Polk explores the mundane symbols interests and power The Concise Guide to Global Human Rights structures that increasingly permeate and define American society Daniel Fischlin, Martha Nandorfy, 2007 Lays the groundwork for understanding issues relating to global rights across a wide range of topics Forging Latin America Russell Crandall, 2023-08-29 A sweeping yet intimate exploration of Latin America s political history Forging Latin America profiles fifty two of the region s most influential figures who for better or worse have shaped its character and destiny from the Spanish Conquest to the present day This polyphonic gathering of dictators reformers revolutionaries artists writers priests and activists not only foregrounds the major political developments since 1492 but also spotlights lesser known stories of hope change and resistance from the ground up Along the way the book shows how ideas can bring down a government or build one how power corrodes ideology until the perpetuation of power becomes an ideology in and of itself and how the intellectual heritage of Latin America has been used disputed and **Upside Down** Eduardo Galeano, 2000-10-10 From the winner of the first reinvented over five astonishing centuries Lannan Prize for Cultural Freedom a bitingly funny kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano author of the incomparable Memory of Fire Trilogy combines a novelist s intensity a poet s lyricism a journalist's fearlessness and the strong judgments of an engaged historian Now his talents are richly displayed in Upside Down an eloquent passionate sometimes hilarious expos of our first world privileges and assumptions In a series of lesson plans and a program of study about our beleaguered planet Galeano takes the reader on a wild trip through the global looking glass From a master class in The Impunity of Power to a seminar on The Sacred Car with tips along the way on How to Resist Useless Vices and a declaration of The Right to Rave he surveys a world unevenly divided between abundance and deprivation carnival and torture power and helplessness We have accepted a reality we should reject Galeano teaches us one where machines are more precious than humans people are hungry poverty kills and children toil from dark to dark A work of fire and charm Upside Down makes us see the world anew and even glimpse how it might be set right Galeano's outrage is tempered by intelligence an ineradicable sense of humor and hope Los Angeles Times front page Rebel Musics, Volume 2 Fischlin Daniel Fischlin, 2020-02-10 When it was first published in 2003 Rebel Musics sought to explore how musical activism resonates as resistance to the dominant culture and how political action through music increases the potential for

people to determine their own fate If anything these issues seem to be even more pressing today Rebel Musics offers a fascinating journey into a rich complex world where music and politics unite and where rebel musicians are mobilizing for political change resistance and social justice Daniel Fischlin and Ajay Heble cover a wide range of artists genres and topics including Thomas Mapfumo Bob Marley William Parker Frank Zappa Edgard Varese Ice T American blues West African drumming hip hop gospel rock n roll cabaret Paul Robeson and free jazz This book shows how rebel music is at the heart of some of the most incisive critiques of global politics With explosive lyrics and driving rhythms rebel musicians are helping to mobilize movements for political change and social justice at home and around the world In celebration of the 50th anniversary of Black Rose Books this revised and expanded edition of Rebel Musics will include all the original essays as well as a new contribution by the editors Rounding out the new edition will be several new pieces from artists and scholars that will continue to spark debate about these vital topics in compelling ways **Queer Theory and the Jewish Question** Daniel Boyarin, Daniel Itzkovitz, Ann Pellegrini, 2003 Table of contents **Undoing Border Imperialism** Harsha Walia, 2014-02-15 Harsha Walia has played a central role in building some of North America's most innovative diverse and effective new movements That this brilliant organizer and theorist has found time to share her wisdom in this book is a tremendous gift to us all Naomi Klein author of The Shock Doctrine Undoing Border Imperialism combines academic discourse lived experiences of displacement and movement based practices into an exciting new book By reformulating immigrant rights movements within a transnational analysis of capitalism labor exploitation settler colonialism state building and racialized empire it provides the alternative conceptual frameworks of border imperialism and decolonization Drawing on the author's experiences in No One Is Illegal this work offers relevant insights for all social movement organizers on effective strategies to overcome the barriers and borders within movements in order to cultivate fierce loving and sustainable communities of resistance striving toward liberation The author grounds the book in collective vision with short contributions from over twenty organizers and writers from across North America Harsha Walia is a South Asian activist writer and popular educator rooted in emancipatory movements and communities for over a decade Praise for Undoing Border Imperialism Border imperialism is an apt conceptualization for capturing the politics of massive displacement due to capitalist neoglobalization Within the wealthy countries Canada's No One Is Illegal is one of the most effective organizations of migrants and allies Walia is an outstanding organizer who has done a lot of thinking and can write not a common combination Besides being brilliantly conceived and presented this book is the first extended work on immigration that refuses to make First Nations sovereignty invisible Roxanne Dunbar Ortiz author of Indians of the Americas and Blood on the Border Harsha Walia s Undoing Border Imperialism demonstrates that geography has certainly not ended and nor has the urge for people to stretch out our arms across borders to create our communities One of the most rewarding things about this book is its capaciousness astute insights that emerge out of careful organizing linked to the voices of a generation of

strugglers trying to find their own analysis to build their own movements to make this world our own This is both a manual and a memoir a guide to the world and a guide to the organizer's heart Vijay Prashad author of The Darker Nations A People s History of the Third World This book belongs in every wannabe revolutionary s war backpack I addictively jumped all over its contents a radical mixtape of ancestral wisdoms to present day grounded organizers theorizing about their own experiences A must for me is Walia's decision to infuse this volume s fight against border imperialism white supremacy and empire with the vulnerability of her own personal narrative This book is a breath of fresh air and offers an urgently needed movement based praxis Undoing Border Imperialism is too hot to be sitting on bookshelves it will help make the revolution Ashanti Alston Black Panther elder and former political prisoner **Postcolonial Translocations** Marga Munkelt, Markus Schmitz, Mark Stein, Silke Stroh, 2013 The sites from which postcolonial cultural articulations develop and the sites at which they are received have undergone profound transformations within the last decades This book traces the accelerating emergence of cultural crossovers and overlaps in a global perspective and through a variety of disciplinary approaches It starts from the premise that after the spatial turn human action and cultural representations can no longer be grasped as firmly located in or clearly demarcated by territorial entities. The collection of essays investigates postcolonial articulations of various genres and media in their spatiality and locatedness while envisaging acts of location as dynamic cultural processes It explores the ways in which critical spatial thinking can be made Productive Testing the uses and limitations of translocation as an open exploratory model for a critically spatialized postcolonial studies it covers a wide range of cultural expressions from the anglophone world and beyond literature film TV photography and other forms of visual art philosophy historical memory and tourism The extensive introductory chapter charts various facets of spatial thinking from a variety of disciplines and critically discusses their implications for postcolonial studies. The Contributors essays range from theoretical interventions into the critical routines of postcolonial criticism to case studies of specific cultural texts objects and events reflecting temporal and spatial material and intellectual physical and spiritual mobility. What emerges is a fascinating survey of the multiple directions postcolonial translocations can take in the future This book is aimed at students and scholars of postcolonial literary and cultural studies diaspora studies migration studies transnational studies globalisation studies critical space studies urban studies film studies media studies art history philosophy history and anthropology Contributors Diana Brydon Lars Eckstein Paloma Fresno Calleja Lucia Kr mer Gesa Mackenthun Thomas Martinek Sandra Meyer Therese M Meyer Marga Munkelt Lynda Ng Claudia Perner Katharina Rennhak Gundo Rial y Costas Markus Schmitz Mark Stein Silke Stroh Kathy Ann Tan Petra Tournay Theodotou Daria Tunca Jessica Voges Roland Walter Dirk Wiemann Cowboy Imperialism and Hollywood Film Mark Cronlund Anderson, 2007 Through Hollywood the history teacher who reaches the largest audiences the imagery of conquest has become effectively naturalized glorified and personified in the guise of the mythical frontiersman such as John Wayne and Harrison Ford as Indiana Jones This book examines eighteen movies ranging

from The Green Berets to Raiders of the Lost Ark from Red River to Hidalgo Others from Full Metal Jacket to The Big Border and Rule Harsha Walia, 2021-02-09 In Border and Rule one of North America's foremost thinkers Lebowski Jacket and immigrant rights organizers delivers an unflinching examination of migration as a pillar of global governance and gendered racial class formation Harsha Walia disrupts easy explanations for the migrant and refugee crises instead showing them to be the inevitable outcomes of the conquest capitalist globalization and climate change that are generating mass dispossession worldwide Border and Rule explores a number of seemingly disparate global geographies with shared logics of border rule that displace immobilize criminalize exploit and expel migrants and refugees With her keen ability to connect the dots Walia demonstrates how borders divide the international working class and consolidate imperial capitalist and racist nationalist rule Ambitious in scope and internationalist in orientation Border and Rule breaks through American exceptionalist and liberal responses to the migration crisis and cogently maps the lucrative connections between state violence capitalism and right wing nationalism around the world Illuminating the brutal mechanics of state formation Walia exposes US border policy as a product of violent territorial expansion settler colonialism enslavement and gendered racial ideology Further she compellingly details how Fortress Europe and White Australia are using immigration diplomacy and externalized borders to maintain a colonial present how temporary labor migration in the Arab Gulf states and Canada is central to citizenship regulation and labor control and how racial violence is escalating deadly nationalism in the US Israel India the Philippines Brazil and across Europe while producing a disaster of statelessness for millions elsewhere A must read in these difficult times of war inequality climate change and global health crisis Border and Rule is a clarion call for revolution The book includes a foreword from renowned scholar Robin D G Kelley and an afterword from acclaimed activist academic Nick Estes Eduardo Galeano Daniel Fischlin, Martha Nandorfy, 2002 Eduardo Galeano the single most important literary voice to come out of Latin America in the last decades Ibero-American Ecocriticism J. Manuel Gómez, 2024-02-19 Ibero American Ecocriticism Cultural and Social Explorations presents a distinct view of the diverse social and physical geographies of the Americas their political and cultural connections to the Iberian Peninsula and their relationship to the environment in its diverse representations. The topics ranging from myths and legends poetics young adult literature arts and performance to cinematography by women dialogue across chapters reveal a persistent usage of nature and environment as recurrent themes Through visual and plastic arts as well as poetic narratives of social utopias dystopias the contributors provide original readings on the effects of societal views and struggles to protect and consciously exploit the natural world The uniqueness of this book relies therefore on the geographical and cultural approach to the poetics of nature and its metaphorical and physical embodiment place and geography through utopian and dystopian world recreation and representation and finally the nexus with ecology and social actors **Humanism and Embodiment** Susan E. Babbitt, 2014-06-19 A live issue in anthropology and development studies humanism is not typically addressed by analytic

philosophers Arguing for humanism as a view about truths Humanism and Embodiment insists that disembodied reason not religion should be the target of secularists promoting freedom of enquiry and human community Susan Babbitt's original study presents humanism as a meta ethical view paralleling naturalistic realism in recent analytic epistemology and philosophy of science Considering the nature of knowledge particularly the radical contingency of knowledge claims upon causal mechanisms religious thinkers like Thomas Merton and Ivan Illich offer more scientific conceptions of practical deliberation than are offered by some non religious ethicists Drawing on philosophical sources such as Marxism Buddhism and Christianity this original study considers implications of an embodied conception of reason revealing philosophical practical and political implications Blood Red Lines Brendan O'Connor, 2021-01-19 An engaging and reflective look at how austerity and the billionaire class paved the way for Trump's presidency the rise of the alt right and the caging of migrants children and adults in detention centers across the country For all of the energy that the far right has demonstrated and for all of the support that they receive from institutional conservatives in the GOP and affiliated organizations the United States is experiencing an upsurge in left wing social movements unlike any other in the past half century with roots not in the Democratic Party but Occupy Wall Street and Black Lives Matter Drawing on his original reporting as well as archival research O Connor investigates how the capitalist class and the radical right mobilize racism to defend their interests while focusing on one of the most pressing issues of our time immigration José Martí, Ernesto "Che" Guevara, and Global Development Ethics S. Babbitt, 2014-09-18 This book argues that the overlooked ideas of Jos Mart and Ernesto Che Guevara explain recent politics in Latin America and the Caribbean but also even more significantly offer a defensible alternative direction for global development ethics Land, God, and Guns Levi Gahman, 2020-05-15 This book is an antidote to the forms of American nationalism masculinity exceptionalism and self anointed prowess that are currently being flexed on the global stage Through a fascinating combination of ethnographic research across seven US states and the application of postcolonial anti racist feminist and poststructuralist theories Land God and Guns reveals how time honoured rites of passage associated with taken for granted notions of manhood in the American Heartland are constitutive of a constellation of colonial worldviews capitalist logics gender essentialisms ethnocentric religious beliefs jingoistic populism racial animus and embodied violence A constellation that within the US upholds a heteropatriarchal and racist ordering of life that both privileges and ultimately damages its main proliferators white settler men This is a detailed work that at once unravels rural white settler masculinity and the US state at their roots whilst demonstrating why any analysis of the cultural production and social practice of masculinity in the United States must take into account the country's historical trajectories of imperialism land dispossession nation state building enslavement extractive accumulation and valorisation of masculinist assertions of dominance The Oxford Handbook of the History of International Law Bardo Fassbender, Anne Peters, Simone Peter, Daniel Högger, 2012-11 This handbook provides an authoritative and original overview of the origins of public international law It

analyses the modern history of international law from a global perspective and examines the lives of those who were most responsible for shaping it **The New Left** Dimitrios I. Roussopoulos,2007 Revisits the sixties and traces its ongoing impact on North American politics and culture
