**Education, Manpower, and Development in Singapore** Eng Fong Pang, 1982 Essays on educational planning labour force and economic development trends from 1957 to 1980 in Singapore discusses labour force participation employment creation labour market allocations basic needs satisfaction income distribution labour mobility technicians and professional worker labour demand human resources development migration policies population policies impact of educational levels on income etc Bibliography diagram and graphs *Economics of Education and Manpower Development* Linda Low, Mun Heng Toh, Teck Wong Soon, 1991 *The End of the [Asian Model]*? Holger Henke, Ian Boxill, 2000-03-15 With the economic crisis in Asia which unfolded in recent years the development model on which the phenomenal earlier success of several countries in the region was built requires increasing scrutiny This anthology questions the validity of the notion promoted by some observers and international financial organizations that there is a universally applicable model of industrialization common to Asian countries A number of senior and highly regarded Asia specialists are taking a critical look at the various development experiences of several and some often neglected Asian countries and evaluate their experiences in a comparative perspective Comparing the analyses of countries such as Mongolia the Pacific Islands or Sri Lanka with Singapore South Korea and other countries of the region leads the editors of this volume to the conclusion that the fashionable talk about a model is not justified and that the picture is much more complex Immigration in Singapore Vasu, Wen Ling Chan, Su Yin Yeap, 2025-10-01 This study traces the socio political effects of immigration on Singapore and its population a topic that has been the subject of intense debate in the nation as its population grows increasingly diverse Beyond the logic of economic imperatives the book aims to explore the larger consequences of taking in large number of immigrants and its analysis should appeal to scholars of migration social change and public policy **Policy-Making for Education Reform in Developing Countries** William K. Cummings, James H. Williams, 2008-08-15 Policy Making for Education Reform in Developing Countries aims at helping policymakers in developing countries better understand the processes and strategies for education reform and the policy options available to them This text focuses on the content of reform options and strategies for achieving educational improvement at different levels of the system e g primary secondary tertiary for different sub sectors e g management teachers and for different purposes with which education systems are tasked e g reaching peripheral groups of students linking youth and employment A holistic approach is increasingly recognized as essential to realizing the promises of education for the development of social and human capital innovation in a global economy sustained economic growth social harmony and greater civic participation decreased achievement gaps and increased equity **The Challenge of Eastern Asian Education** William K. Cummings, Philip G. Altbach, J Donald Monan Sj Professor of Higher Education and Director Philip G Altbach, 1997-01-01 Provides specific examples of Asian educational practice that may have relevance to the United States **Social Context, Policies, And Changes In Singapore: Beyond The First 50 Years** Intan Azura

Mokhtar,Yaacob Ibrahim,2022-03-02 This book is a collection of essays by thought and advocacy leaders policymakers and academics in Singapore who have been and are in positions of influence in shaping social policies and hence the social context in the country These essays are meant to initiate discussion promote debate and broaden understanding of the social issues at play the challenges faced and the trade offs involved in enhancing social policies strengthening the social compact and shaping the social context in Singapore This is done through addressing issues and challenges in 1 Government and Civil Society 2 Education 3 Employability and Employment 4 Social and Family Development 5 Demographics and Social Spending 6 Healthcare and Healthcare Financing 7 Urban Planning and the Environment 8 Disruptions New Technologies and Smart Nation It is hoped this book will be useful for students of sociology social policy or public policy as they discuss the dynamics and trade offs involved in planning shaping and implementing social and public policies in Singapore This book also hopes to inform and initiate dialogues among Singaporeans on the social issues and challenges we face in our city state and which we have to collectively address as a nation

**An African Exploration of the East Asian Education Experience** Birger

Fredriksen,Jee-Peng Tan,2008-01-01 This book aims to promote a better understanding of the education policy choices and implementation modalities that have enabled many East Asian countries over the last 30 40 years to move from education and economic conditions similar to those of many Sub Saharan Africa countries to attain the level of development they enjoy today

**Dynamic Human Resource Systems** James P. Begin,2014-12-11 The goal of this work was to use these cross national comparisons to better understand how human resource policies operate to affect firm performance not as individual practices but as bundles of interacting practices that have positive effects on both productivity and the quality of life of workers

**The Dynamics of Asian Labour Markets** John Benson,Ying Zhu,2011-03-02 Asia has undergone rapid economic transformation over the past two decades Despite its constant economic growth the 1997 98 Asian financial crisis and the resulting surge in unemployment highlighted the vulnerability of national systems that base development solely on economic growth This book fills a major research gap by exploring the nature dynamics and functioning of Asian labour markets in eight major Asian economies including Japan South Korea Hong Kong Singapore China Vietnam India and Malaysia It examines the type of labour markets that exist in Asia how they have responded to globalisation and how flexible they are to changing social and economic conditions The book analyses how the current transformation has impacted on the key parties such as employers employees trade unions governments organisations and society as a whole and considers the likely future trends and developments in Asian labour markets
