Education For Equality Some Guidelines For Good Practice:

Education for Equality: Some Guidelines for Good Practice Mike Cole, 1989 **Equality, Education, and Physical Education** John Evans, 2017-04-28 In this book first published in 1993 John Evans presents a guideline for challenging sexism racism and elitism in programmes of physical education Physical education in relation to social class gender race and disability is also discussed The results arising show problems in the teaching of physical education and examines the importance of physical education in the development of the child in today's educational system It is the intention of the contributors to help practitioners clarify their thinking on concepts and issues involved in effecting equal opportunities in physical education In turn it is hoped that this will lead to better formation of physical education programmes which demonstrate both equality and equity This title will be of interest not only to teachers but to students of sociology and education Equity Or Excellence? Educ & C James Lynch, Celia Modgil, Sohan Modgil, 2014-07-10 First published in 1992 The books aim to engage with a broad audience aiming at new laicized paradigms of understanding capable of being shared with a wider international public This series of books is committed to the premise that racism and all other forms of negative prejudice are detrimental to a harmonious and healthy pluralist world society and that it is the duty of all good democratic citizens to combat them but that there are many valid routes by which such prejudice can be challenged and that there are other kinds of prejudice and abuse which must also be combatted This is the third volume in a series of four books dedicated to a re examination of cultural diversity and its implications for education and schooling *Women and Education in Aotearoa* Sue Middleton, Alison Jones, 1997 Collection of essays on the contemporary educational experience of girls and women Back cover *Trump, the Alt-Right and Public Pedagogies of Hate and for Fascism* Mike Cole, 2018-10-03 Trump the Alt Right and Public Pedagogies of Hate and for Fascism What Is To Be Done uses public pedagogy as a theoretical lens through which to view discourses of hate and for fascism in the era of Trump and to promote an anti fascist and pro socialist public pedagogy It makes the case for re igniting a rhetoric that goes beyond the undermining of neoliberal capitalism and the promotion of social justice and re aligns the left against fascism and for a socialism of the twenty first century Beginning with an examination of the history of traditional fascism in the twentieth century the book looks at the similarities and differences between the Trump regime and traditional Western post war fascism Cole goes on to consider the alt right movement the reasons for its rise and the significance of the internet being harnessed as a tool with which to promote a fascistic public pedagogy Finally the book examines the resistance against these discourses and addresses the question of what is to be done This topical book will be of great interest to scholars to postgraduate students and to researchers as well as to advanced undergraduate students in the fields of education studies pedagogy and sociology as well as readers in general who are are interested in the phenomenon of Trumpism **Practical Ideas for Multi-cultural Learning and Teaching in the Primary Classroom** Ruth Hessari, Dave Hill, 2017-07-20 Originally published in 1989 The practical

application of multicultural education to the British elementary school classroom is discussed The first part explores the historical development of multicultural education considering sex and class inequality and local and national educational practices and makes suggestions for improvement Part two suggests practical ideas for explicit and hidden curricula Seven themes for ethnically diverse topics are suggested and for each area teacher aims and pupil objectives are defined and potential resources are listed Five areas of aspects of social and personal development in a multicultural context are then explored Includes a foreword by Lord Swann
