Education Of Linguistic And Cultural Minorities In The Oecd Countries:

The Education of Linguistic and Cultural Minorities in the OECD Countries Stacy Churchill, 1986 This book provides an overview of the principles used by policy makers in western industrialized countries as they seek to meet the educational needs of cultural and linguistic minorities The book synthesises data from more than 30 national case studies and consultants reports prepared for an OECD sponsored study

The education of linguistic and cultural minorities in the OECD countries ,1986 **Linguistic Genocide in Education--or Worldwide Diversity and Human Rights?** Tove Skutnabb-Kangas, 2013-05-13 In this powerful multidisciplinary book Tove Skutnabb Kangas shows how most indigenous and minority education contributes to linguistic genocide according to United Nations definitions Theory is combined with a wealth of factual encyclopedic information and with many examples and vignettes The examples come from all parts of the world and try to avoid Eurocentrism Oriented toward theory and practice facts and evaluations and reflection and action the book prompts readers to find information about the world and their local contexts to reflect and to act A Web site with additional resource materials to this book can be found at <http://www.ruc.dk/tovesk>

Language and Education in Multilingual Settings Bernard Spolsky, 1986 The difference between languages that children learn in the home their mother tongues and the languages valued by society and established as the medium of instruction in schools is an almost universal problem in educational systems Proposals for mother tongue education for bilingual programmes of various kinds or for more effective teaching of literary or standard languages all depend on an understanding of the underlying problem of language education in multilingual settings The writers of Language and Education in Multilingual Settings do not have a single view of the issues for they are international in background and experience and interdisciplinary in training and approach moreover as will be clear they differ in political and philosophical beliefs in scholarly rhetoric in research paradigms and in personal circumstances In this book researchers from India Yugoslavia the USSR the USA New Zealand Zambia Denmark Australia and Israel discuss practice and theory in various parts of the world

Language Planning and Education in Australasia and the South Pacific Richard B. Baldauf, Allan Luke, 1990 Includes papers on Aboriginal language planning Aboriginal bilingual education and language and education in the Torres Strait separately annotated

Cultural Studies in Foreign Language Education Michael Byram, 1989-01-01 Written by the winner of the 1987 BAAL book prize this book deals with the acquisition of understanding of foreign cultures and peoples It is also a study of the philosophy and purpose of language teaching in all its facets in the context of foreign language teaching in secondary education The book is written for language teachers and though it draws on disciplines not usually included in their education and professional training it does so from within the profession's own perspective It is an attempt to raise teachers and learners awareness of the full educational value of foreign language learning

Self-Determination Donald Clark, Robert Williamson, 2016-07-27 This is a significant contribution to the worldwide discussion of political self

determination as a source of socio cultural and political hope conflict and confusion Inspired by Martin Ennals long the quietly visionary Director General of Amnesty International the book consists of cases and penetratingly definitive analyses culminating in trenchant recommendations for action by world bodies With self determination intensely at issue so widely from the former Yugoslavia to Kashmir to Quebec this distinguished book by a global group of experts is particularly timely

Language, Minority Education, and Gender David Corson,1993-01-01 In reviewing the international literature on this vital subject this book examines three groups who seem most affected by unfair language practices in education women and girls minority cultural groups and minority social groups Language Policy Evaluation and the European Charter for Regional or Minority Languages F. Grin,2003-08-19 This book proposes an innovative treatment of minority language policies by looking at them as policy options that can be methodically evaluated The author applies the analytical concepts and technical tools of policy analysis to guide the reader through a step by step application of notions such as effectiveness and cost effectiveness with particular reference to the European Charter for Regional or Minority Languages The thrust of this book is deeply interdisciplinary and links the evaluation exercise to sociolinguistic political and legal considerations The Use of Welsh Martin John Ball,1988 This book explores patterns of marked variation in the use of the Welsh language looking at them from the linguistic viewpoint variation at different levels of language and from the sociolinguistic viewpoint regional and social varieties **Afrikaner Dissidents** Joha Louw-Potgieter,1988 The aim of this book is to demystify Afrikaner identity It deals with the issue on a social psychological level within the framework of social identity theory and shows how specific social identity is constructed by some people for themselves and for others **Migration and Intercultural Education in Europe** ,1990 This bibliography presents a selection of the European literature on migration and intercultural education published in 1988 1225 titles have been selected for entry on the basis of their relevance to the overall issue and their availability They have been classified according to a list of key words referring to the following areas migration processes education of migrants and social and linguistic status of new ethnic communities *Social Purpose and Schooling* Jerry Paquette,2017-05-08 First published in 1991 this work critically analyses the competing claims about alternative arrangements for schooling It does so in light of major popularly understood agendas for social and political purpose and of the troubled and much less clearly understood assumptions and issues behind them The book examines closely four generic types of arrangements for schooling in light of a comprehensive framework for understanding the publicness or privateness of schools and the relationships between social and educational purpose The book poses key questions about the meaning and purpose of schooling in the rapidly evolving social demographic and technological realities of the time It also probes fundamental assumptions values and beliefs behind educational and public policy making In doing so it offers a way to make sense of unorthodox arrangements for the provision and funding of schools **Language Diversity and Education** David Corson,2000-10 Graduate level text for students of language provides a current well informed overview and theoretical

perspective on the issue of equitable educational treatment for students from diverse language backgrounds **Australian Multiculturalism** Lois E. Foster, 1988 This book is a documentary history and critique of the concept and policy of multiculturalism in Australia for the period 1970 to 1986 The book brings together for the first time a range of documents charting the emergence and implementation of multiculturalism across the main institutions of Australian society and culture The institutions covered in the book are education health and welfare the Church law media the realm of work and as a summarising chapter human rights and race and community relations in Australian society in the 1980s The wide range of documents and the critical thematic introduction and contexting make the book ideal as a teaching text for students in many disciplines and an invaluable research source **Reversing Language Shift** Joshua A. Fishman, 1991-01-01 This book is about the theory and practice of assistance to speech communities whose native languages are threatened because their intergenerational continuity is proceeding negatively with fewer and fewer speakers or readers writers and even understanders every generation Bilingual Education Ofelia García, 1991-01-01 This volume contains interdisciplinary essays on bilingual education in various countries of the world Some contributions deal with policy and curricular issues with regard to minority and majority language some consider the enrichment aspect of bilingual education Others focus on language maintenance and revitalization still others look at ways in which bilingual education could stabilize the functions of the societal languages All contributions support bilingualism in society and consider how bilingual education could promote that goal A special section is devoted to US policies and politics *Contemporary British Identity* Christina Julios, 2017-11-30 Against the background of an increasingly diverse British society this book traces the evolution of British identity in the twentieth century Debates exploring the nature of Britishness and multiculturalism are here deconstructed through a linguistic lens which considers the role played by the English language in shaping Britain's national identity Within this context two significant historical events are considered the expansionism of nineteenth century British Empire and the subsequent rise of the United States to the position of world superpower In charting the development of British nationhood over time the book identifies three contrasting public narratives each reflecting society's perceptions of the identity question at particular points in time a discourse of laissez faire at the turn of the century a discourse of multiculturalism in the ensuing decades and a discourse of integration during the closing years The book raises fundamental questions about who we are as a nation and how we got here It also provides clues as to the direction the prevailing public discourse on British identity is likely to take in the twenty first century Language and Politics in the United States and Canada Thomas K. Ricento, Barbara Burnaby, 1998-05 Explores parallel and divergent developments in language policy and language rights in the U S and Canada especially the past 4 decades as a basis for reflection on what can be learned from one country's experience by the other **Focus on Bilingual Education** Ofelia García, 1991-07-05 This volume contains interdisciplinary essays on bilingual education in various countries of the world Some contributions deal with policy and curricular issues with

regard to minority and majority language some consider the enrichment aspect of bilingual education Others focus on language maintenance and revitalization still others look at ways in which bilingual education could stabilize the functions of the societal languages All contributions support bilingualism in society and consider how bilingual education could promote that goal A special section is devoted to US policies and politics
