**The Lost Promise of Civil Rights** Risa L. Goluboff, 2010-03-30 By uncovering the challenges workers and their lawyers launched against Jim Crow in the 1940s when civil rights were legally conceptually and constitutionally up for grabs Goluboff shows how *Brown v Board of Education* only partially fulfilled the lost promise of civil rights **Anglo-American Law**

**Collections** Mortimer D. Schwartz, Dan F. Henke, 1979 **Reform in America** Robert H. Walker, 2021-10-21 In discussing slavery and woman s rights social security and the graduated income tax writes Robert Walker the reformers have defined and redefined America Recognizing in the history of reform a prime source for the discovery of cultural priorities Walker seeks in *Reform in America* to organize the reform experience in a new way so that its collective patterns can be seen Reform in America identifies three principal streams of reform advocacy in American history Politico economic issues the mainstream of reform are exemplified by a detailed study of the politics of money from 1832 to 1913 Reform on behalf of special groups the second major category is illuminated by the examples of movements on behalf of blacks and women and by an examination of the civil liberties and civil rights movements which again have been principally concerned with the extension of rights and liberties to particular groups A third category is established by connecting communitarianism utopianism and visionary planning to form a tradition through which ideal alternatives are offered to the existing social order Walker s interpretation minimizes the stark contrasts in social activity and underlines those continuous forces that have moved American society steadily in the direction of broadened political participation increased concern for special groups and a dynamic sequence of cultural goals He thus draws our attention to what may be America s most lasting frontier the management of social change toward certain general objectives The appreciation of reform in the end requires an adjusted perception of the national character one that sees competitive individualism as at least balanced and perhaps outweighed by a demonstrated preoccupation with the common weal **Human Rights and World Public Order** Myres Smith

McDougal, Harold Dwight Lasswell, Lung-chu Chen, 2019 As a classic text of the New Haven School of International Law this book explores human rights and international law in the broadest sense taking into account social sciences research while embracing all values secured or consequently fulfilled or needed to thus be achieved The re issuance of this venerable title unveils this work to a new generation of scholars students and practitioners of international law and human rights
