This new edition includes many new poems Emily Elizabeth Dickinson December 10 1830 May 15 1886 was born in Amherst MA Much of her later life was led in privacy in the family home in Massachusetts For some she was a recluse famous among locals for wearing white clothes seldom travelled preferred correspondence to meeting people in the esh and was known for talking to visitors thru a door She wrote nearly 1800 poems but only a few were published during her lifetime. The poetry of Emily Dickinson is among the strangest the most compelling and the most direct in world literature There is nothing else quite like it Dickinson writes in short lyrics often just eight lines long often in regular guatrains but often in irregular lines consisting of two half lines joined in the middle by a dash such as Tis Honour though I die in Had I presumed to hope Her subjects appear to be the traditional ones of poetry blocked in with capital letters God Love Hope Time Death Nature the Sea the Sun the World Childhood the Past History and so on Yet what exactly is Dickinson discussing Who is the I the Thee the we and the you in her poetry This is where things become much more ambiguous Dickinson is very clear at times in her poetry until one considers deeper exactly what she is saying but this ambiguity is one of the hallmarks and the delights of her art Includes an introduction bibliography notes ISBN 9781861713728 www crmoon com **Selected Letters** Emily Dickinson, 1986 A collection of letters written by
