*Empowered Leaders* Hans Finzel, 2002-09-28 Is leadership really about the rewards excitement and exhilaration Or the responsibilities frustrations and exhausting nights Hans Finzel takes readers on a journey into the lives of the Bible s great leaders such as Moses Abraham Jesus unearthing powerful principles for effective leadership in any situation This powerful guide to developing the skills needed to become a successful leader poses some penetrating questions that force us to take an honest look at ourselves and our intentions in being a leader

*Effective Pastoring* Bill Lawrence, 1999-10-05 A great deal of confusion exists today as to what pastors are to be Lawrence writes Are they chaplains CEO s preachers managers or counselors Paul gave us the answer long ago They are to be equippers disciple makers Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David so does a pastor with his flock This is pastoring writes Lawrence serving as sculptors of souls

*Coaching Ministry Teams* Kenneth O. Gangel, 2006-10-18 In competitive sports we prize teamwork We know that a mature team will usually beat an astounding collection of individual players The burden of creating such esprit de corps falls to the coach and the team of leaders he has assembled After all a team without a coach cannot win But what happens when the coach himself does not understand the dynamics of teamwork In a similar manner every leader of every church is a coach of sorts with a ministry team responsible for the life of the church The question put to you as a pastor is this Are you a team player Even more to the point Whose team are you building Too many church leaders writes author Kenn Gangel have fallen into the trap of personal kingdom building a focused concern on one s own and present ministry without a wider recognition of kingdom participation The net effect of this condition has led to narrow vision stunted church growth and frustrated relationships within the body of Christ In contrast Gangel explores broad and penetrating support throughout the Word of God for team based inclusive cooperative leadership From Jethro s advice to Moses all the way to Jesus s approach to discipleship biblical leadership is viewed as a tool to be shared a model of servanthood mentoring and the mutual interdependence of gifts Along the way Gangel explores the character attributes of successful biblical leadership common things like humility patience and quiet dignity From there he reveals how these qualities open an authentic leader up to the wide and thrilling possibilities of working hand in hand with others in the Lord s work together

*Ministering to Twenty-First Century Families* Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty first century and so it follows that ministering to today s families presents an assortment of new challenges Rainey believes that the resources needed by the church to confront and combat family problems do exist and *Ministering to Twenty First Century Families* is a user friendly guide to combating the destruction of the family unit Offering practical solutions and encouraging action Rainey calls for a roll up your sleeves approach to healing weary families
