## WOMEN OF THE SANTA FE TRAIL

The Women of the Santa Fe Trail endured untold hardships traveling across the Great Plains. In 1829, six Hispanic women were the first known female travelers going east on the trail. In 1832, Mary Donoho was the first woman whose name was recorded to travel west along the trail. Susan Shelby Magoffin and Marion Sloan followed and both wrote about their experiences.

Hightower,2013-10-10 This lively book takes Oklahoma history into the world of Wild West capitalism It begins with a useful survey of banking from the early days of the American republic until commercial patterns coalesced in the East It then follows the course of American expansion westward tracing the evolution of commerce and banking in Oklahoma from their genesis to the eve of statehood in 1907 Banking in Oklahoma before Statehood is not just a story of men sitting behind desks Author Michael J Hightower describes the riverboat trade in the Arkansas and Red River valleys and freighting on the Santa Fe Trail Shortages of both currency and credit posed major impediments to regional commerce until storekeepers solved these problems by moving beyond barter to open ad hoc establishments known as merchant banks Banking went through a wild adolescence during the territorial period The era saw robberies and insider shenanigans rivalries between banks with territorial and national charters speculation in land and natural resources and land fraud in the Indian Territory But as banking matured the better capitalized institutions became the nucleus of commercial culture in the Oklahoma and Indian

Territories To tell this story the author blends documentary historical research in both public and corporate archives with his own interviews and those that WPA field workers conducted with old timers during the New Deal Bankers were never far from the action during the territorial period and the institutions they built were both cause and effect of Oklahoma's inclusion in national networks of banking and commerce The no holds barred brand of capitalism that breathed life into the Oklahoma frontier has remained alive and well since the days of the fur traders As one knowledgeable observer said in the 1980s You've always had the gambling spirit in Oklahoma

**The Western Dare** Roz Denny Fox,2013-02-01 Can modern women survive the rigors of pioneer life Professor Nolan Campbell is doubtful But his sharp tongued sister Sherry wants to prove that today's women can handle anything She dares Camp to recruit a group of women to reenact the kind of wagon train journey made by settlers of the 1820s And he accepts curious what the outcome will be For single mother Emily Benton this trip is vital Emily is desperate to reconnect with her children and to do that she's got to remove them from the influence of their indulgent grandparents Lucky for her she's as determined and capable as any pioneer Surrounded by big horses and smart women Camp discovers that wagon train life isn't what he expected Sometimes it's fun not to mention funny and sometimes it's frightening Kind of like falling in love With the beautiful capable Emily
