*Empire and Nations* Harvey L. Dyck, H. Peter Krosby, 1969-12-15 *Empire and Nations* was written in tribute to the accomplishments of Frederic Hubert Soward teacher scholar and administrator who for forty two years served in the Department of History at the University of British Columbia Throughout his career he has made significant contributions to international understanding and the study of international relations through his writings public lectures and participation in international organizations and conferences The volume consists of essays by fourteen outstanding contributors all of whom are former students or associates of Professor Soward The essays have as their common subject the nations that evolved within the British Empire and found or are finding their place in the world Papers written by John Conway Harvey L Dyck G P de T Glazebrook Edward D Greathed John W Holmes R A MacKay Norman A M MacKenzie Kenneth A MacKirdy H Blair Neatby and Peter B Waite develop the subject from the perspectives of nation building in Canada and Canada's developing role in world affairs Peter Harnetty Jane Banefield Haynes and J Bertin Webster contribute studies of nationalism and empire in Asia and Africa Also included in the volume are a biographical introduction by Margaret A Ormsby a list of the writings of F H Soward compiled by Eleanor Mercer and a tribute to Professor Soward by Lester B Pearson *Canadian Foreign Policy* Brian Bow, Andrea Lane, 2020-11-01 *Canadian Foreign Policy* as an academic discipline is in crisis Despite its value CFP is often considered a stale and pale subfield of political science with an unfashionably state centred focus This book asks why Contributors from both inside and around the field investigate how they came to view themselves as participating in CFP as an academic project or not and what that means for both their intellectual trajectory and the development of the field How were they taught to think about Canada How does that affect their interpretation of this country's place in the world And how do they teach the subject themselves The thoughtful essays in this nuanced collection shine a light on issues such as the casualization of academic labour the prospect of Indigenizing the field and the relationship between study and practice More broadly they offer a much needed assessment of the boundaries goals and values of the discipline and an important guide to its revitalization **Parties Long Estranged** Margaret MacMillan, Francine McKenzie, 2003 This book brings together recent and original work to illuminate comparisons and contrasts between two former colonies of the British Empire The contributors include some of the top names in history and political science in Canada and Australia They cover the entire twentieth century and examine different aspects of Canadian Australian relations including trade civil aviation and military constitutional imperial and diplomatic relations The comparisons include Aboriginal rights nation building middle powers and attitudes toward the Empire This timely volume is well situated in the field of comparative studies a new and growing area It will be of interest to students and scholars of foreign affairs the British Commonwealth and its dismantling constitutional history and international relations Middle Powers in International Politics Carsten Holbraad, 1984-06-18 **Shaping Nations** Linda Cardinal, David Headon, 2002-03-01 As questions

concerning nationhood and national identity continue to preoccupy both Canada and Australia *Shaping Nations* brings together the work of Australian and Canadian scholars around five core themes constitutionalism colonialism republicanism national identity and governance Published in English John Buchan J. William Galbraith, 2013-08-10 An accomplished Scottish thriller writer journalist soldier spy and Member of Parliament John Buchan 1st Baron Tweedsmuir was Canada's governor general from 1935 to 1940 and helped draw Canada Britain and the United States closer together during the perilous days before and at the start of World War II *Canada and the World since 1867* Asa McKercher, 2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada's international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four interconnected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada's involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations

**Religious Categories and the Construction of the Indigenous**  
 Christopher Hartney, Daniel Tower, 2016-10-18 This volume significantly advances the academic debate surrounding the taxonomy and the categorisation of indigenous religion Developing approaches from leading scholars in the field this edited volume provides the space for established and rising voices to discuss the highly problematic topic of how indigenous religion can be defined and conceptualised *Constructing the Indigenous* highlights the central issues in the debate between those supporting and refining current academic frameworks and those who would argue that present thinking remains too dependant on misunderstandings that arise from definitions of religion that are too inflexible and from problems caused by the World Religion paradigm This book will prove essential reading for those that wish to engage with contemporary discussions regarding the definitions of religion and their relations to the indigenous category Contributors are Zoe Alderton Steve Bevis James L Cox Christopher Hartney Graham Harvey Milad Milani Björn Ola Tafjord Daniel J Tower Garry W Trompf and Jack Tsonis *Middle Powers & Commercial Diplomacy* D. Lee, 1999-08-12 This book marries the disciplines of International Relations and Diplomatic History to provide a major new study of the GATT system in the 1960s Using recently declassified British and American government documents this book identifies the key role British diplomats played at the Kennedy Round Through the close ties that characterise the Anglo American relationship the British influenced American policy and strategy in the negotiations The evidence of this study challenges realist theories of middle power influence in the

international political economy by demonstrating the determining role of state level factors such as diplomatic skill and policy expertise *Macdonald at 200* Patrice Dutil,Roger Hall,2014-10-10 Here are fifteen fresh interpretations of Canada's founding Prime Minister published for the occasion of the bicentennial of his birth in 1815 Well researched and crisply written by recognized scholars and specialists the collection throws new light on Macdonald's formative role in our nation

**The Politics of Canadian Foreign Policy, Fourth Edition** Kim Richard Nossal,Stéphane Roussel,Stéphane Paquin,2015-12-07 The fourth edition of this widely used text includes updates about the many changes that have occurred in Canadian foreign policy under Stephen Harper and the Conservatives between 2006 and 2015 Subjects discussed include the fading emphasis on internationalism the rise of a new foreign policy agenda that is increasingly shaped by domestic political imperatives and the changing organization of Canada's foreign policy bureaucracy As in previous editions this volume analyzes the deeply political context of how foreign policy is made in Canada Taking a broad historical perspective Kim Nossal Stéphane Roussel and Stéphane Paquin provide readers with the key foundations for the study of Canadian foreign policy They argue that foreign policy is forged in the nexus of politics at three levels the global the domestic and the governmental and that to understand how and why Canadian foreign policy looks the way it does one must look at the interplay of all three *Canada's Voice* Adam Chapnick,2010-01-01 It is hard to imagine a person who embodied the ideals of postwar Canadian foreign policy more than diplomat and scholar John Wendell Holmes Holmes joined the foreign service in 1943 headed the Canadian Institute of International Affairs from 1960 to 1973 and as a professor of international relations mentored a generation of students and scholars Canada's Voice draws upon family letters archival records and more than 150 personal interviews to chronicle how Holmes influenced the way diplomats scholars and statespeople abroad viewed Canada and its citizens and how Canadians saw themselves on the world stage Accessible and engrossing this is the only comprehensive biography of a man who helped shape foreign policy during Canada's golden age as a middle power

**Australian Foreign Policy in Asia** Allan Patience,2017-12-12 This book sets out to discuss what kind of middle power Australia is and whether its identity as a middle power negatively influences its relationship with Asia It looks at the history of the middle power concept develops three concepts of middle power status and examines Australia's relationships with China Japan and Indonesia as a focus It argues that Australia is an awkward partner in its relations with Asia due to both its historical colonial and discriminatory past as well its current dependence upon the United States for a security alliance It argues this should be changed by adopting a new middle power concept in Australian foreign policy **Visions for an**

**African Valley** DR JONATHAN M. JACKSON,2025-03-11 What was the effect of the numerous albeit often unsatisfied plans for development on the land and communities of the Kilombero valley throughout the colonial period and into the first decades of independence This book traces histories of development in and crucially visions of development for the Kilombero valley of south central Tanzania Taking the notion of development planning as a form of future making the book examines the

many visions or past futures projected onto Kilombero by colonial and national governments by international organisations syndicates and individuals It examines how such plans were conceived evaluates their successes and analyses their shortcomings against changing political and economic landscapes Four key themes agricultural intensification ecology control infrastructure and re settlement are shown to persistently surface and continue to shape the valleyscape today By considering past future visions for the reorganisation of rural life in Tanzania the book reveals how even recent initiatives have suffered through their failure to learn from this history Offering fresh insights and approaches to the historiography of development Visions for an African Valley shows Kilombero to be a prism which refracts broader phenomena across more than a century

*The John A. Macdonald Retrospective 2-Book Bundle* Ged Martin, 2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada's most famous political leader a figure of legendary proportions in the history of Canada's birth and development Ged Martin's biography tells Macdonald's story Shocked by Canada's 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country's first prime minister He drove the Dominion's westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada's founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald's formative role in shaping government promoting women's rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200

[Reviewing Britain's Presence East of Suez](#) Maike Hausen, 2022-06-14 Maike Hausen presents a transnational multi perspective review of strategic and security discussions among the former British white settler colonies Australia Canada and New Zealand in the 1960s Focusing on the foreign policy debate surrounding the British decision to withdraw their military East of Suez from Southeast Asia she reviews extensive source material to examine the transformation of political diplomatic and strategic ties between Great Britain and Australia Canada and New Zealand By embedding the East of Suez discussion into a larger framework of long term postcolonial transformations and developments of the Cold War and decolonization the study traces how the British decision upset the traditional conduct of concerted

foreign policy and led to notions of crisis and uncertainty as well as to reviews that would ultimately contribute to more independent national outlooks and policies

Law, Rhetoric and Irony in the Formation of Canadian Civil Culture Michael Dorland, Maurice René Charland, 2002-01-01 In Rhetoric Irony and Law in the Formation of Canadian Civil Culture Michael Dorland and Maurice Charland examine how over the roughly 400 year period since the encounter of First Peoples with Europeans in North America rhetorical or discursive fields took form in politics and constitution making in the formation of a public sphere and in education and language The study looks at how these fields changed over time within the French regime the British regime and in Canada since 1867 and how they converged through trial and error into a Canadian civil culture The authors establish a triangulation of fields of discourse formed by law as a technical discourse system rhetoric as a public discourse system and irony as a means of accessing the public realm as the key pillars upon which a civil culture in Canada took form in order to scrutinize the process of creating a civil culture By presenting case studies ranging from the legal implications of the transition from French to English law to the continued importance of the Louis Riel case and trial the authors provide detailed analyses of how communication practices form a common institutional culture As scholars of communication and rhetoric Dorland and Charland have written a challenging examination of the history of Canadian governance and the central role played by legal and other discourses in the formation of civil culture

**Challenge to Mars** Peter Brock, Thomas Paul Socknat, 1999-01-01 The fourteen essays in Part I look at the interwar years which gave rise to an array of pacifist organizations both religious and humanist throughout Europe and North America Twelve essays in Part II deal with the brutal challenge to pacifist ideals posed by the Second World War and include a look at the fate of those courageous Germans who refused to fight for Hitler

**Do Think Tanks Matter?** Donald E. Abelson, 2009 Assessing the evolution and influence of public policy institutes

Do Think Tanks Matter?, Second Edition Donald E. Abelson, 2009-09-01 It is often assumed that think tanks carry enormous weight with lawmakers In Do Think Tanks Matter Donald Abelson argues that the basic question of how think tanks have evolved and under what conditions they can and do have an effect is consistently ignored Think tank directors often credit their institutes with influencing major policy debates and government legislation and many journalists and scholars believe the explosion of think tanks in the latter part of the twentieth century indicates their growing importance in the policy making process Abelson goes beyond assumptions identifying the influence and relevance of public policy institutes in today's political arena in the United States where they've become an integral feature of the political landscape and in Canada where despite recent growth in numbers they enjoy less prominence than their US counterparts By focusing on the policy cycle issue articulation policy formation and implementation Abelson argues that individual think tanks have sometimes played an important role in shaping the political dialogue and the policy preferences and choices of decision makers but often in different ways and at different stages of the policy cycle This revised and updated edition of the book includes up to date data 2000-08 on the growing visibility and policy relevance of think tanks
