Empire Building And Empire Builders Twelve Studies:

Empire-building and Empire-builders Edward Ingram, 2013-12-16 The twelve studies of empire building and empire builders which make up this volume range widely across the dream world that was the British Empire from the late eighteenth century to the Second World War The essays re interpret the work of imperial heroes eminent historians and fictional heroines They illustrate the variety of techniques used by British empire builders and the variety of explanations they gave to account for their sometimes infamous behaviour Managing the Business of Empire Peter Burroughs, A.J. Stockwell, 2013-05-13 This collection of essays honours David Fieldhouse latterly Vere Harmsworth Professor of Imperial and Naval History at Cambridge and a foremost authority on the economics of the modern British Empire The contributors include an impressive array of former students colleagues and friends and their subjects range widely across the economic and administrative fields of British imperial history in the nineteenth and twentieth centuries Reflecting many of Fieldhouse's own areas of scholarly interest the essays address economics and business theories of imperialism strategies of administration and decolonization The Statecraft of British Imperialism Robert D. King, Robin W. Kilson, 1999 These stimulating essays reassess the meaning of British imperialism in the nineteenth and twentieth centuries They are written by leading authorities in the field and range in scope from the aftermath of the American revolution to the liquidation of the British empire from the Caribbean to the Pacific from Suez to Hong Kong Conquest and Resistance in the Ethiopian Empire, 1880 - 1974 Abbas Gnamo, 2014-01-23 This work examines the philosophical origins of Oromo egalitarian and democratic thoughts and practice the Gadaa Qaalluu system kinship organization the introduction and spread of Islam and the consequent socio cultural change It sheds light on the advent of the Ethiopian empire under Menelik II its conquests and Arsi Oromo fierce resistance 1880 1900 the nature and legacy of Ethiopian imperial polity centre periphery relations feudal political economy and its impacts on the newly conquered regions with a focus on Arsi Oromo country The book also analyzes the root causes of the national political crisis including but not limited to the attempts at transforming the empire state to a nation state around a single culture contested definition of national identity and state legitimacy grievance narratives uprisings the birth and development of competing nationalisms as well as the limitations of the current ethnic federalism to address the national question in Ethiopia **Colonialism as Civilizing Mission** Harald Fischer-Tiné, Michael Mann, 2004 Inherent in colonialism was the idea of self legitimation the most powerful tool of which was the colonizer's claim to bring the fruits of progress and modernity to the subject people In colonial logic people who were different because they were inferior had to be made similar and hence equal by civilizing them However once this equality had been attained the very basis for colonial rule would vanish Colonialism as Civilizing Mission explores British colonial ideology at work in South Asia Ranging from studies on sport and national education and pulp fiction to infanticide psychiatric therapy and religion these essays on the various forms expressions and consequences of the British civilizing mission in South Asia shed light on a topic that even

today continues to be an important factor in South Asian politics

Youth and Empire David M. Pomfret, 2015-12-16 This is the first study of its kind to provide such a broadly comparative and in depth analysis of children and empire Youth and Empire brings to light new research and new interpretations on two relatively neglected fields of study the history of imperialism in East and South East Asia and more pointedly the influence of childhood and children s voices on modern empires By utilizing a diverse range of unpublished source materials drawn from three different continents David M Pomfret examines the emergence of children and childhood as a central historical force in the global history of empire in the late nineteenth and twentieth centuries This book is unusual in its scope extending across the two empires of Britain and France and to points of intense impact in tropical places where indigenous immigrant and foreign cultures mixed Hong Kong Singapore Saigon and Hanoi It thereby shows how childhood was crucial to definitions of race and thus European authority in these parts of the world By examining the various contradictory and overlapping meanings of childhood in colonial Asia Pomfret is able to provide new and often surprising readings of a set of problems that continue to trouble our contemporary world

Promised Lands Jonathan Parry, 2024-12-10 A major history of the British Empire s early involvement in the Middle East Napoleon s invasion of Egypt in 1798 showed how vulnerable India was to attack by France and Russia It forced the British Empire to try to secure the two routes that a European might use to reach the subcontinent through Egypt and the Red Sea and through Baghdad and the Persian Gulf Promised Lands is a panoramic history of this vibrant and explosive age Charting the development of Britain s political interest in the Middle East from the Napoleonic Wars to the Crimean War in the 1850s Jonathan Parry examines the various strategies employed by British and Indian officials describing how they sought influence with local Arabs Mamluks Kurds Christians and Jews He tells a story of commercial and naval power boosted by the arrival of steamships in the 1830s and discusses how classical and biblical history fed into British visions of what these lands might become The region was subject to the Ottoman Empire yet the sultan s grip on it appeared weak Should Ottoman claims to sovereignty be recognised and exploited or ignored and opposed Could the Sultan s government be made to support British objectives or would it always favour France or Russia Promised Lands shows how what started as a geopolitical contest became a drama about diplomatic competition religion race and the unforeseen consequences of history
