Dragonica: Fall of the Dragons Craig A. Price Jr.,2022-07-16 The empire is on the brink of a collapse But can the resistance convince the people of Kaeldroga it is time to march or will they miss their opportunity Devarius knows time is fleeting and the resistance needs to make their move He sends the heroes of the resistance to all corners of the land to unite everyone together under one banner to face the empire in a last battle When he arrives in the capital no one listens to him He finds himself imprisoned Meanwhile his sister across the country is facing a political showdown to convince a well meaning duke of the corruption of the emperor a corruption that has betrayed the duke's family in time's past The fate of all Kaeldroga lies in Devarius's hands Will they be able to overcome the empire or will they fall to another hundred years of tyranny under the emperor's rule If you love Eragon Dragonriders of Pern Ezaara Dragon Blood Dragon Gate and every other brilliant dragonrider epic out there you'll love Dragonica Fall of the Dragons because well dragons And wyverns drakes wyrms and amphipteres Get it Now

Eucontamination Paul Hoard,Billie Hoard,2025-07-25 For too long Christianity has been distorted by an overapplied purity disgust metaphor fueling exclusion reinforcing fear and enabling Christian Nationalism Eucontamination challenges this toxic framework arguing that Jesus did not retreat from impurity but transformed it This interdisciplinary work weaves together psychology psychoanalysis theology and sociology to expose how disgust has shaped Christian witness from theological education to church exclusion and social scapegoating But there is a better way The authors propose that Christ is not fragile in the face of sin but a good infection a force that spreads healing and redemption Instead of protecting a brittle purity true faith embraces eucontamination a sanctifying engagement with the world not a retreat from it For Christians seeking a faith that resists exclusion and embraces radical love Eucontamination offers a vision of transformation one where Truth Life and the Way are not delicate things to be defended but powerful forces moving through and within us all

Reason's Inquisition Christopher A. Colmo,2023-08-29 Reasons Inquisition On Doubtful Ground is an exploration in the literature of political philosophy before and after Alfarabi and ranging from Thucydides to Leo Strauss and Eric Voegelin These studies most of them previously unpublished open inquiries into theory and practice

reason and revelation and the relation between thinkers ancient and modern Readers may be surprised to see the Platonist Alfarabi presented as a critic of Plato's theory in the name of practice while Alfarabi and Hobbes are shown to have a common interest in a theory commensurate with action Strauss Voegelin and Lucien Febvre all explore the problem of reason and revelation in relation to the limits of human knowledge An ambitious study of Shakespeare's Macbeth explores the ambiguity of both nature and knowledge in relation to male and female good and evil present and future The contrast between ancients and moderns is explicit in questions of the modern aspects of Marlowe's Doctor Faustus and of Rousseau's reversal of Plato Kierkegaard and Heidegger bring radical modernity into focus against a Platonic background in the closing essay These diverse essays attempt to follow the thinkers and themes explored in turning a critical gaze upon reason itself
