*Employee Ownership in America* Corey M. Rosen, Katherine J. Klein, Karen M. Young, 1986      **Understanding Employee Ownership** Corey Rosen, Karen M. Young, 2018-08-06 No detailed description available for Understanding Employee Ownership      **Employee Ownership on Hostile Takeovers** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 1987      Work in America Carl E. Van Horn, Herbert A. Schaffner, 2003-12-15 The first comprehensive analysis of work and the workforce in the United States from the Industrial Revolution to the era of globalization This comprehensive two volume reference book is the first to analyze the central role of work and the workforce in U S life from the Industrial Revolution through today s information economy Drawing on a variety of disciplines economics public policy law human and civil rights cultural studies and organizational psychology its 256 entries examine key events concepts institutions and individuals in labor history Entries also tackle tough contemporary questions that reflect the conflicts inherent in capitalism What is the impact of work on families and communities On minority and immigrant populations How shall we respond to changing work roles and the growing influence of the transnational corporation Work in America describes and evaluates attempts to address social and class issues affirmative action occupational health and safety corporate management science and trade unionism and organized labor and offers the kind of comprehensive understanding needed to discover workable solutions      Taking the Measure of Work Dail L. Fields, 2013-06-01 This book is a handbook for people who want to assure the use of reliable and valid questionnaires for collecting information about organizations It significantly reduces the time and effort required for obtaining validated multi question measures of aspects of organizational health such as employee job satisfaction organizational commitment organizational justice and workplace behaviors It helps users in measuring some factors underlying employee perceptions of work such as job characteristics role ambiguity or conflict job stress and the extent to which employees believe their values and those of the organization are congruent All the measures in the book have been used and tested in research studies published in the 1990 s In addition all the measures describe the extent and types of reliability and validity tests that have been completed a feature that organizational researchers should find particularly useful All in all this book is a handy tool to increase the efficiency of researchers consultants managers or organizational development specialists in obtaining reliable and valid information about how employees view their jobs and organizations      *Chicago* Gregory Squires, 1989-02 Despite local folklore Chicago is not always a city that works No longer the Hog Butcher for the World the Windy City has in recent decades pursued economic growth at all costs to the detriment of many of its citizens This book describes the social economic and political costs of the growth ideology and examines the populist response that promises an alternative Chicago Tracing the city s uneven economic development since World War II the authors demonstrate how unchecked growth in favor of private enterprise has resulted in severe poverty unemployment crime reduced tax revenues and property values a decline in municipal services

and racial ethnic and class divisiveness And yet proponents of Daley style machine politics and the notion of the city as a growth machine still assert that the future of the city depends exclusively on its ability to grow The victory of Harold Washington is the most visible symbol of the movement toward an alternative Chicago Naming different priorities and using more participatory tactics this challenge to the politics of growth promotes development that is responsive to social need not just market signals Author note Gregory D Squires is Associate Professor of Sociology at the University of Wisconsin Milwaukee Larry Bennett is Associate Professor and Chair of the Political Science Department at DePaul University Kathleen McCourt is Associate Professor and Chair of the Department of Sociology and Anthropology at Loyola University of Chicago Philip Nyden is Associate Professor of Sociology at Loyola University of Chicago
