Anameje, 2017-06-05 The church is made up of both the clergy and the laity And for it to properly fulfill the mission for which it was instituted by Christ all its members each according to his or her God given gift must contribute both to the upbuilding of the church and to its mission On the part of the laity their active participation in the general mission of the church ad intra and ad extra has been a great challenge in the life and practice of the church throughout its history The Second Vatican Council in its spirit of aggiornamento makes some positive difference This work critically examines the conciliar documents some relevant postconciliar documents and theological reflection of some theologians And finally it proffers solutions that will enhance the active participation of the laity in the mission of the church in general and the church in Southeast Nigeria in particular      *Michel Foucault and Theology* James Bernauer, 2017-03-02 Whilst Foucault s work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926 1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault s critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault s work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault s work for contemporary theology      **Mutuality Matters** Herbert Anderson, Edward Foley, 2004 Previous principles of hierarchy inequality and duty that defined the relationships between husband wife and children have been challenged and often replaced by more fluid bonds of equality intimacy emotional self disclosure communication and mutual trust The key question that has emerged for our times then is how exactly do families sustain genuine mutuality democracy and strong relationships Figuring out good answers to this question is the major theme of this book and the origin of the title Mutuality Matters      *Toward an Adult Church* Jane E. Regan, 2002 Penance Confirmation Eucharist Children participate in these sacraments and many other Catholic rites thanks to America s long standing model of parish catechesis Once children become adults however what becomes of their faith formation In *Toward an Adult Church A Vision of Faith Formation* Jane Regan explores the current structure of parish catechesis Basing her ideas on contemporary theory and traditional practice Regan sets forth an intriguing argument the vitality of the Church depends on establishing a new education paradigm one that is focused on adults How can parishes design a framework for adult catechesis Will such programs be accepted by local church communities Where does children s faith formation fit into the new structure Regan answers these questions and offers ideas
