2 Homeland Security Austere Emergency Medical Support AEMS Field Guide The following protocols outline the emergency medical support that can be administered under austere conditions by emergency medical services (EMS) providers credentialed by the Department of Homeland Security, DHS Office of Health Affairs (OHA). These protocols are intended to supplement the DHS OHA Basic Life Support (BLS) and Advanced Life Support (ALS) protocols when providers are operating in austere environments. The protocols guide the management of individual patients while considering the circumstances under which patient evaluation and treatment may occur. Any given patient may require the use of a single protocol, a portion of a protocol, or a combination of several protocols. OHA expects that providers will use the protocols to assess and to establish a treatment plan for each patient.
