**Christian Thought at the Dawn of the 21st Century** Justo L. González, 2005 In this book Alvin Padilla Roberto Goizueta and Eldin Villafa e bring together an impressive array of Hispanic scholars from across the theological disciplines to articulate just such a comprehensive construction of Hispanic theology Their purpose is to delineate the common elements in Hispanic biblical studies theology and ethics and to draw these together into a statement of what Hispanic theology has to say to the larger theological community and to the church To do so they organize their presentation around four theological streams that run through Hispanic theology Reading Scripture from the Margins The contributors will present a reading of the biblical text that incorporates into its interpretative methodology the experience of alienation and marginalization the

central feature of Hispanic sociohistorical reality Subversive and Liberating Memories The contributors discover the subversive and liberating stories and voices within the Christian tradition and demonstrate how the memory of these liberate Hispanics and others from contemporary oppression Liberating Truth The authors offer fresh perspective on theological truth incorporating the distinctive Hispanic sources locus and expressions Liberating Praxis Drawing on current Hispanic religious experience for example spirituality church life and ministry the authors reflect on the way Hispanic religious experience is changing and how it will change the landscape of Western Christianity in the 21st century Theologizing en Español

Carmen Nanko-Fernandez ,2014-07-30 **Anatomy and Anatomists in Early Modern Spain** Bjørn Okholm

Skaarup,2016-03-09 Taking the Vesalian anatomical revolution as its point of departure this volume charts the apparent rise and fall of anatomy studies within universities in sixteenth century Spain focussing particularly on primary sources from 1550 to 1600 In doing so it both clarifies the Spanish contribution to the field of anatomy and disentangles the distorted political and historiographical viewpoints emerging from previous research Studies of early modern Iberian science have only been carried out coherently and collaboratively in the last few decades even though fierce debates on the subject have dominated Spanish historiography for more than two centuries In the field of anatomy studies many uninformed and biased readings of archival sources have resulted in a very confused picture of the practice of dissection and the teaching of anatomy in the Iberian Peninsula in which the highly complex conditions of anatomical research within Spain s national context are often oversimplified The new empirical evidence that this book brings to light suggests a far more multifaceted narrative of Iberian Renaissance anatomy than has been presented to date **Out in the Center** Harry C. Denny,Robert

Mundy,Liliana M. Naydan,Richard Sévère,Anna Sicari,2019-03-01 Out in the Center explores the personal struggles of tutors faculty and administrators in writing center communities as they negotiate the interplay between public controversies and features of their own intersectional identities These essays address how race ethnicity gender sexuality class faith multilingualism and learning differences along with their intersections challenge those who inhabit writing centers and engage in their conversations A diverse group of contributors interweaves personal experience with writing center theory and critical race theory as well as theories on the politics and performance of identity In doing so Out in the Center extends upon the writing center corpus to disrupt and reimagine conventional approaches to writing center theory and practice Out in the Center proposes that practitioners benefit from engaging in dialogue about identity to better navigate writing center work work that informs the local and carries forth a social and cultural impact that stretches well beyond academic institutions Contributors Allia Abdullah Matta Nancy Alvarez Hadi Banat Tammy S Conard Salvo Michele Eodice Rochell Isaac Sami Korgan Ella Leviyeva Alexandria Lockett Talisha Haltiwanger Morrison Anna Rita Napoleone Beth A Towle Elizabeth Weaver Tim Zmudka **Translation and the Spanish Empire in the Americas** Roberto A. Valdeón,2014-11-15

Two are the starting points of this book On the one hand the use of Do a Marina La Malinche as a symbol of the violation of

the Americas by the Spanish conquerors as well as a metaphor of her treason to the Mexican people On the other the role of the translations of Bartolom de las Casas s Brev sima relaci n de la destrucci n de las Indias in the creation and expansion of the Spanish Black Legend The author aims to go beyond them by considering the role of translators and interpreters during the early colonial period in Spanish America and by looking at the translations of the Spanish chronicles as instrumental in the promotion of other European empires The book discusses literary religious and administrative documents and engages in a dialogue with other disciplines that can provide a more nuanced view of the role of translation and of the mediators during the controversial encounter clash between Europeans and Amerindians **Word Mingas** Miguel Rocha Vivas,2021-08-15

Word Mingas is an English language translation by Paul M Worley and Melissa Birkhofer of the award winning book Mingas de la palabra written by Miguel Rocha Vivas Casa de las Am ricas 2016 It is an encompassing study of oralities multilayered cultural knowledge shared through the power of orality and written literatures by authors from Colombia and other regions in the hemisphere who self identify as Indigenous In consequential dialogue with the most recent theories of decoloniality and interculturality the book weaves and compares two threads of literary critique Rocha Vivas names as oralitegraphies and mirrored visions The study focuses on texts produced from the early 1990s to the present and offers productive avenues to discuss understand and foster dialogue with the wide array of symbolic literary systems of the original peoples Rocha Vivas offers a valuable contribution to the much needed dialogue on the basic rights of self representation self determination and the coexistence of multiple systems of representation and identity **Spain is Different?** Dale Knickerbocker,2021-12-15

Employs a variety of theoretical approaches including critical and genre theories archetypal criticism and biblical studies Analyses an important literary trend apocalyptic fiction around the end of the second millennium Contextualises and explains the Spanish novels historically and compares and contrasts them with other global apocalyptic fictions Supports its observations with close reading of the texts Musimor Ruth N. Franco-Talboy,2012-04 This is the story of a small book named Musimor who narrated the story about a book fair celebration in his home town and how he has to defend his educational value content to be part of it P 4 of cover **Constitutional Debates, Rhetoric, and Political Philosophy in Spain's Parliamentary History** Francisco J. Bellido,2024-03-29 This book examines the conceptual contributions of constituent representatives in Spain during the nineteenth and twentieth centuries The Spanish Parliament has been the stage for the political modernisation of the country Constitutional debates have historically led to the gradual acknowledgement and broadening usually unevenly of citizens rights At the same time constitutional debates have created opportunities to design institutions and settle legal mechanisms to enforce rights and distribute state resources The book identifies and analyses rhetorical and conceptual innovations produced in such debates from a historical perspective *The Orient in Spain* Mercedes Garcia-Arenal Rodriguez,Fernando Rodríguez Mediano,2013-04-15 Taking as its main subject a series of notorious forgeries by Muslim converts in sixteenth century Granada including an apocryphal gospel in Arabic this

book studies the emotional cultural and religious world view of the Morisco minority and the complexity of its identity caught between the wish to respect Arabic cultural traditions and the pressures of evangelization and efforts at integration into Old Christian society Orientalist scholarship in Early Modern Spain in which an interest in Oriental languages mainly Arabic was linked to important historiographical questions such as the uses and value of Arabic sources and the problem of the integration of al Andalus within a providentialist history of Spain is also addressed The authors consider these issues not only from a local point of view but from a wider perspective in an attempt to understand how these matters related to more general European intellectual and religious developments

**Remaining and Becoming** Shelley Roberts,2000-12-01

*Remaining and Becoming* Cultural Crosscurrents in an Hispano School deals with the politics of identity and the concept of boundaries during a time of rapid change It investigates how the role of schooling for Hispanos in the Norte o School District a pseudonym in Northern New Mexico a public school district not fully consolidated until 1972 has changed significantly over the past three generations Today the Hispanos a minority in the outside world but a majority in their own are debating how the functions of the school should respond to the changes resulting from the coming of public education to their region But the contemporary story of education in Norte o has much deeper roots in the political religious and cultural history of Northern New Mexico a region where over a period of several centuries Spain Mexico and the United States each have claimed sovereignty with differing goals for and attitudes about the welfare of the people This study is an analysis of the ambiguity of education the losses and gains that are its consequences the lingering doubts about the past and the questions about what future education can and should serve It is about asking Is what the students are learning worth as much as what they are forgetting How does schooling affect the evolving process of asserting renegotiating and defending an Hispano identity By exploring historical factors and ideologies of a particular school within a particular community Roberts seeks to understand community expectations for the school as a fitting place for its children The goal is not to generalize from the particular to the universal but to join others in suggesting that we move away from discussing students in a generic sense and focus instead on looking at them in relation to the community in which they live The fascinating and largely unknown story this book tells will be of interest to educators researchers and students across a range of fields including sociology of education educational anthropology multicultural education ethnic studies Chicano studies and qualitative research in education

**The Worlds of Langston Hughes** Vera M. Kutzinski, 2012-10-15 The poet Langston Hughes was a tireless world traveler and a prolific translator editor and marketer Translations of his own writings traveled even more widely than he did earning him adulation throughout Europe Asia and especially the Americas In *The Worlds of Langston Hughes* Vera Kutzinski contends that for writers who are part of the African diaspora translation is more than just a literary practice it is a fact of life and a way of thinking Focusing on Hughes s autobiographies translations of his poetry his own translations and the political lyrics that brought him to the attention of the infamous McCarthy Committee she shows that translating and being translated and often mistranslated are as vital to Hughes s own poetics as they are to understanding the historical network of cultural relations known as literary modernism As Kutzinski maps the trajectory of Hughes s writings across Europe and the Americas we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored Madrid Havana Buenos Aires Mexico City and of course Harlem The result is a fresh look at Hughes not as a solitary author who wrote in a single language but as an international figure at the heart of a global intellectual and artistic formation
