Emerging Role Of Deacons:

The Emerging Role of Deacons Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church

The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry

The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church's deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation

Deacons Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping churches to flourish

Deacons Henry Webb, 2001-10-01 After nineteen years in print and over 200 000 copies sold Broadman Holman is publishing an updated edition of *Deacons: Servant Models in the Church* Henry Webb deals with every aspect of the roles and offices of deacons in the church including the deacon's marriage wife children family life conduct priorities and other pertinent aspects of deacons as role models of servant leadership in the church

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other

confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **The Deacon Reader** James Keating, 2006 The essays collected in this book aim to give the reader an overview of the theological and pastoral nature of the diaconate and thus to clarify the fundamental identity of the deacon for those who are discerning such a call as aspirants and those who are already candidates for the office From Introduction

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Three James Leo Garrett Jr., 2019-08-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many Volume 3 contains his works on ecclesiology and provides much needed light in a day of great confusion on many issues related to the nature purpose and mission of the church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations

Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor

Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons *Discovering and Developing Your Deacons* Russell R. Cook,2015-09-02 Whether you are in a new church or a more established one if you have a congregation you have a growing need for more servants You need others to help you Yet you may not know where to start or how to proceed with identifying enlisting equipping and engaging servant leaders for your church In *Discovering and Developing Your Deacons* you will find the help you need If you are wondering whether or not you even need the ministry of Deacons or if youd like to know more about the process of discovering the right way to find them this book is for you You may have questions about the characteristics of men who can serve and how you can identify those qualities This book answers clearly and concisely ten of the most often asked questions related to starting or restarting an effective Deacon ministry It is not Gods intention that a Pastor and one or two other leaders perform all needed ministry This is akin to what God intended for the Apostles in Acts 6 when they had become overwhelmed with the ministry needs of a multiplying church This book details how to find the kind of men described in Acts 6 not only find them but identify them by their reputation character qualities and servant hearts This is a process that can be undertaken by any church that sees the need and has a desire to follow clear scripturally based guidelines **Women Deacons** Gary Macy,William T. Ditewig,Phyllis Zagano,2012 Three related essays by experts on the diaconate that examine the concept of women deacons in the Catholic Church from Thistorical contemporary and future perspectives *The Adventures of Pastor Perry Puffinton* Ronnie Mitchell,2017-11-03 *The Adventures of Pastor Perry Puffinton* is an entertaining and thought provoking fictitious story with a real life feel It will guide the reader on a journey down the halls of the average evangelical church and involve them in the interworking of the church setting up to do Gods business **The Effective Church Board** Michael J. Anthony,2000-10-11 Are you a recently elected church board member who hasn t received training for your new position Are you a current board member disillusioned by negative experiences and interpersonal conflicts Education specialist Michael Anthony asked a cross section of almost a hundred pastors and church officers in addition to staff members and denominational officials to give their input about what is happening in church boards across America The results of the survey were compiled into a comprehensive handbook that addresses topics such as Developing a vision statement Writing job descriptions Setting long and short range goals Facing financial storms Resolving interpersonal conflicts Reviving a declining church This unique multi denominational training resource emphasizes developing a team structure It can be used for individual instruction group discussions and orientation sessions The case studies clearly identify situations and leadership experiences common to many church boards **The Pyramid and the Box** Joel Tetreau,2013-07-01 Congregations the members who attend them and the leaders who serve them are too often wounded by the ill effects of bad decision making *The Pyramid and the Box* attempts to answer three primary questions about decision making in the local church What is decision making Who are the legitimate decision

makers How do you execute effective decision making 100 Year Tribute to First Baptist Church Brandon, Florida Rear Admiral Joseph H. Miller, 2016-03-29 This book is unique There is no other tribute like it The church is the people The people who are true Christians are listed in Gods Book in heaven This church has survived for 100 years because of small groups of people There is no church history book that lists over 100 pages of testimonies from people about how their church has blessed them Their testimonials are a book in itself One cannot read the testimonial section and not be blessed True Christians for the first time have been given the opportunity to speak for God as a testimony to the world about one of His universal churches This book lists some of the great sermons of the ministry leaders of the church The many problems that Gods people and the church must face the next hundred years are listed The churches in America are in a spiritual decline in influence and numbers The people must act Probably the only known course for this to happen is in the summary of this book There is only One Church that will be exalted and glorified during the End Times Gods church founded by Jesus Apostles 2000 years ago is based on the teachings of Christ Jesus The First Baptist Church of Brandon was brought into existence by men of God based on New Testament teachings 700 years before Jesus was born there were fifty prophecies about Jesus in Isaiah alone Some scholars call Isaiah The Fifth Gospel after Matthew Mark Luke and John 46 p 187 Love your neighbor as yourself Lev 19 18 was written 1400 years before Christ John describes Jesus at the Creation In the beginning was the Word and the Word was with God and the Word was God John 1 1 This tribute is a model for any church **The Fallacy of Affinity** Barron Witherspoon Sr, 2010-08 The Fallacy of Affinity makes the case for Cross Cultural Worship as an imperative for all Christians The book makes the case biblically and empirically and supports the case with practical experience The Fallacy of Affinity debunks the theory that homogeneous congregations grow faster and grow deeper than diverse congregations They may grow faster but they do not grow deeper The author not only suggests it is good to have diversity in Christian congregations he claims Any ministry that does not have a clear and compelling objective to enable Cross Cultural Worship among the fellowship of believers is working against God s plan for his church The Fallacy of Affinity is also the story of one man s spiritual journey from the life of a typical youth in a segregated community including segregated worship to a life of full appreciation for the benefits of diversity in the Christian context The book speaks to the head with hard hitting facts and to the heart with real life stories Barron Witherspoon Sr is a bivocational leader He is a vice president at Procter Gamble the world s largest consumer products company and an ordained preacher with a global itinerant ministry He and his wife Karen now live work and worship in Cincinnati Ohio They have two adult children Briana and Barron Jr **Journal of the Australian Early Medieval Association** Geoffrey D.
