Providence Public Library (R.I.)

Emil Ludwig Gifts Of Life A Retrospect:

Truth About William Shakespeare David Ellis,2013-09-13 A polemical attack on the ways recent Shakespeare biographers have disguised their lack of information **Gifts of Life** Emil Ludwig,2013-08 [Social Conservatism and the Middle Class in Germany, 1914-1933](#) Herman Lebovics,2015-12-08 Uprooted by the war exposed to the full brunt of economic dislocation and fearful of losing status in face of the growing might of big business and organized labor the middle classes in Weimar Germany longed for a solution to their plight that neither the capitalism nor the socialism of their day could offer This work examines the attempts of a number of scholars and publicists Sombart Salin Spann Niekisch Spengler and Fried to provide such a solution in the form of an ideology of social conservatism Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Leaving the Jewish Fold** Todd Endelman,2015-02-22 The definitive history of conversion and assimilation of Jews in Europe and America from the eighteenth century to the present Between the French Revolution and World War II hundreds of thousands of Jews left the Jewish fold by becoming Christians or in liberal states by intermarrying Telling the stories of both famous and obscure individuals Leaving the Jewish Fold explores the nature of this drift and defection from Judaism in Europe and America from the eighteenth century to today Arguing that religious conviction was rarely a motive for Jews who became Christians Todd Endelman shows that those who severed their Jewish ties were driven above all by pragmatic concerns especially the desire to escape the stigma of Jewishness and its social occupational and emotional burdens Through a detailed and colorful narrative Endelman considers the social settings national contexts and historical circumstances that encouraged Jews to abandon Judaism and factors that worked to the opposite effect Demonstrating that anti Jewish prejudice weighed more heavily on the Jews of Germany and Austria than those living in France and other liberal states as early as the first half of the nineteenth century he reexamines how Germany s political and social development deviated from other European states Endelman also reveals that liberal societies such as Great Britain and the United States which tolerated Jewish integration promoted radical assimilation and the dissolution of Jewish ties as often as hostile illiberal societies such as Germany and Poland Bringing together extensive research across several languages Leaving the Jewish Fold will be the essential work on conversion and assimilation in modern Jewish history for years to come **Our Own Devices** Edward Tenner,2004-06-08 This delightful and instructive history of invention shows why National Public Radio dubbed Tenner the philosopher of everyday technology Looking at how our inventions have impacted our world in ways we never intended or imagined he shows that the things we create have a tendency to bounce back and change us

The reclining chair originally designed for brief healthful relaxation has become the very symbol of obesity The helmet invented for military purposes has made possible new sports like mountain biking and rollerblading The typewriter created to make business run more smoothly has resulted in wide spread vision problems which in turn have made people more reliant on another invention eyeglasses As he sheds light on the many ways inventions surprise and renew us Tenner considers where technology will take us in the future and what we can expect from the devices that we no longer seem able to live without *Books for Young People* ,1929 *The Universal Jewish Encyclopedia* ... Isaac Landman,Simon Cohen,1942

Catalogue of Copyright Entries Library of Congress. Copyright Office,1931 *The Jews and Modern Capitalism* Werner Sombart,2017-09-04 Since its first appearance in Germany in 1911 *Jews and Modern Capitalism* has provoked vehement criticism As Samuel Z Klausner emphasizes the lasting value of Sombart's work rests not in his results most of which have long since been disproved but in his point of departure Openly acknowledging his debt to Max Weber Sombart set out to prove the double thesis of the Jewish foundation of capitalism and the capitalist foundation of Judaism Klausner placing Sombart's work in its historical and societal context examines the weaknesses and strengths of *Jews and Modern Capitalism*

Mahler in Context Charles Youmans,2020-11-19 *Mahler in Context* explores the institutions artists thinkers cultural movements socio political conditions and personal relationships that shaped Mahler's creative output Focusing on the contexts surrounding the artist the collection provides a sense of the complex crosscurrents against which Mahler was reacting as conductor composer and human being Topics explored include his youth and training performing career creative activity spiritual and philosophical influences and his reception after his death Together this collection of specially commissioned essays offers a wide ranging investigation of the ecology surrounding Mahler as a composer and a fuller appreciation of the topics that occupied his mind as he conceived his works Readers will benefit from engagement with lesser known dimensions of Mahler's life Through this broader contextual approach this book will serve as a valuable and unique resource for students scholars and a general readership "Dearest Georg": Love, Literature, and Power in Dark Times

Veza & Elias Canetti,2010-02-02 In 1934 Veza Taubner and Elias Canetti were married in Vienna Elias describes the arrangement to his brother Georges as a functional marriage Meanwhile an intense intellectual love affair develops between Veza and Georges a young doctor suffering from tuberculosis Four years later Veza and Elias flee Nazi ruled Vienna to London where they lead an impoverished and extremely complicated marital life in exile Spanning the major part of Elias's struggle for literary recognition from 1933 before the publication of his novel *Auto da F* to 1959 when he finished his monumental *Crowds and Power* the Canetti letters provide an intimate look at these formative years through the prism of a veritable love triangle the newly married Elias has a string of lovers his wife Veza is hopelessly in love with an idealized image of his youngest brother Georges and Georges is drawn to good looking men as well as to his motherly sister in law Independently and often secretly the couple communicates with Georges who lives in Paris Veza tells of Elias's amorous

escapades and bouts of madness Elias complains about Veza's poor nerves and depression Each of them worries about Georges's health if she could Veza would kiss away the germs Georges is an infrequent correspondent but he diligently stores away the letters from his brother and sister in law In 2003 long after his death they were accidentally discovered in a Paris basement and comprise not only a moving and insightful document but real literature [Books and Notes](#) Los Angeles
