Who makes up the canon of sociology and who doesn't Does sociology need a canon in the first place Offers an innovative and passionate contribution to debates on the history and development of sociology and the exclusion of theorists who are female black or both from the mainstream of social theorizing With compelling biographical sketches bringing the dynamics behind the canon to life Kate Reed focuses sharp analysis on the exclusion of theorists on race and gender from important debates on inequality The Not So Outrageous Idea of a Christian Sociology Joseph A. Scimecca, 2023-08-04 This book provides a

rationale for a Christian sociology challenging the materialist epistemology of contemporary sociology which provides only a limited understanding of social behavior Developing a history of the origins of sociology that recognizes the centrality of Christianity to the discipline's development it considers the secularization thesis and questions surrounding positivism scientism and postmodernism as well as engaging with the work of a range of figures including Margaret Archer Robert Bellah Peter Berger Hans Joas Thomas Luckmann David Martin and Christian Smith A critique of modern sociology which argues that a Christian approach provides a better explanation than contemporary paradigms of the polarization occurring today in American society The Not So Outrageous Idea of a Christian Sociology will appeal to scholars and students with interests in sociological theory research methods and epistemology and the sociology of religion *Fundamentals of Social Sciences and Library Consortia* Dr. R. K. Bhatt & Mr Mahesh Chand, 2021-09-11 The present book entitled Fundamentals of Social Sciences and Library is an attempt to bring to gather the fundamental concept of the umbrella term Social Science which normally consist of four basic disciplines namely Political Science Economics Sociology and History though at a later

stage the multidisciplinary approaches have widened the scope of social science thereby resulted into the inclusion of several disciplines which in one context or the other are directly related to the study of human beings The present effort intends to study the most significant and important area of study in respect of a social institution known as The Library Thus the present work involves selected senior library professionals who not only have adequate background and knowledge of social science disciplines along with sound knowledge of the organization and management of the library The book is divided into six chapters namely i Social Science An Overview ii Political Science iii Economics iv Sociology v History vi Consortia and Social Sciences The book will be useful to the students pursuing the studies in the field of library and information science teachers involved in teaching the course which involves the teaching of multidisciplinary content especially the social science vis vis libraries as well as by all those who wants to study and do research the role of libraries and their contribution in the growth and development of social science disciplines
