Reading Faces and Bodies: Behavioural and Neural Processes Underlying the Understanding of, and Interaction with, Others Paola Ricciardelli,Andrew P. Bayliss,Rossana Actis-Grosso,2017-04-27 The aim of this Research Topic was to offer an interdisciplinary forum for researchers interested in the interplay of face eye gaze and body perception in the understanding of others with an emphasis on behavioural and neural processing The papers included in this topic come from cognitive neuroscience and social psychology perspectives and shed new light on how facial and body cues interact with each other and with social ecological and contextual factors such as for example social identification and group membership to form a unified representation that can guide our perceptions and responses to other people Altogether they provide an up to date picture of advances in this fascinating research field *Respect for Persons* Robert (R. S.) Downie,Elizabeth

Telfer,2020-07-20 Originally published in 1969 this book provides a sustained examination of the idea of the individual person as of supreme worth in the language of analytical philosophy An important contribution to debates in moral philosophy it will be of use to students in the philosophy of religion and education and to those who are interested in the contribution which philosophical analysis can make to the understanding of traditional moral and political ideas

**Emotional Development and Youths' Predisposition to Deception** Oleksiy Chebykin,Olena Kosyanova,2024-08-26

This comprehensive book examines young people s propensity to deceive through the lens of emotional development and the research methods of polygraph and emotional maturity methodology It presents evidence based and practical results of this research identifying a predisposition to deceit in people with different types of emotional maturity The book begins with outlining the history and development of the polygraph and highlights the theoretical and methodological foundations of its application Sharing the main aims and results of this study the book then highlights the principal components and different types of emotional maturity how the emotional sphere plays a determining role in deceit and specifically how changes in self expression self regulation and empathy can govern a person s character to deceive On the basis of this extensive experimental data the authors clearly demonstrate how various features of the youth s tendency to deceive depended on age gender characteristics and educational and professional training This book is of great scientific and practical importance and will be useful to psychologists students scientific and pedagogical workers as well as specialists involved in the selection and audit of personnel and other readers interested in using the polygraph method to detect and predict fraud Dark

A General Theory of Emotions and Social Life Warren D. TenHouten, 2006-11-22 Founded upon the psychoevolutionary theories of Darwin Plutchik and Izard a general socioevolutionary theory of the emotions affect spectrum theory classifies a wide spectrum of the emotions and analyzes them on the sociological psychological and neurobiological levels This neurocognitive sociology of the emotions supersedes the major theoretical perspectives developed in the sociology of emotions by showing primary emotions to be adaptive reactions to fundamental problems of life which have evolved into elementary social relationships and which can predict occurrences of the entire spectrum of primary complex secondary and tertiary emotions Written by leading social theorist Warren D TenHouten this book presents an encyclopaedic classification of the emotions describing forty six emotions in detail and presenting a general multilevel theory of emotions and social life The scope of coverage of this key work is highly topical and comprehensive and includes the development of emotions in childhood symbolic elaboration of complex emotions emotions management violence and cultural and gender differences While primary emotions have clearly defined valences this theory shows that complex emotions obey no algebraic law and that all emotions have both creative and destructive potentialities

**Humanity in God's Image** Claudia Welz, 2016-08-18 How can we in our times understand the biblical concept that human beings have been created in the image of an invisible God This is a perennial but increasingly pressing question that lies at the heart of theological anthropology Humanity in God's Image An Interdisciplinary Exploration clarifies the meaning of this concept traces different Jewish and Christian interpretations of being created in God's image and reconsiders the significance of the imago Dei in a post Holocaust context As normative counterfactual notions human dignity and the imago Dei challenge us to see more Claudia Welz offers an interdisciplinary exploration of theological and ethical visions of the invisible By analysing poetry and art Welz exemplifies human self understanding in the interface between the visual and the linguistic The content of the imago Dei cannot be defined apart from the image carrier an embodied creature Compared to verbal visual and mental images how does this creature as a living image refer to God like a metaphor a

mimetic mirror or an elusive trace Combining hermeneutical and phenomenological perspectives with philosophy of religion and philosophy of language semiotics art history and literary studies Welz regards the imago Dei as a complex sign that is at once iconic indexical and symbolical pointing beyond itself     Managing Your Emotions Joyce Meyer, 2008-11-16 God Gave You Emotions on Purpose Our emotions play a vital role in living happy healthy successful lives All emotions from love and joy to anger and fear have an important part to play in understanding ourselves and others They help us discover the wonders of this life as well as warn us when we are in danger But this diversity of feelings is meant to complement our life not determine it In this life transforming book Joyce Meyer reveals powerful truths from God s Word that will help you learn to manage all of your emotions in the right direction Through hilarious illustrations and real life applications Joyce delivers the keys to keeping your emotions in the proper place while allowing the Spirit of God to lead and direct you Dynamic scriptural insights are included on topics such as How not to be led by feelings Codependency Forgiveness Mood swings Healing for damaged emotions Depression And much more Don t allow your feelings to determine your destiny Instead manage your emotions to complement and enhance your attitude for a joyful victorious life
