of the stormy years 1848 and 1849 was at its height and he bade this earth farewell when the far more momentous events of the greatest and most fateful struggle that the world has ever seen kept us in breathless suspense Between those two periods lie nearly seventy years filled with tragedies for the dynasty political dissensions of every kind which kept the nations and countries of the Empire in a state of continuous convulsion and unsuccessful wars About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
