

EMPIRE STATESMAN

*The Rise and
Redemption of*
AL SMITH

ROBERT A. SLAYTON

Empire Statesman

United States. Patent Office

Empire Statesman:

Empire Statesman Robert A. Slayton, 2001 Born to Irish immigrants on the Lower East Side of Manhattan Al Smith was the earliest champion of immigrant Americans In 1928 Smith became the first Catholic to run for the presidency but his candidacy was fiercely opposed by the KKK and his campaign was wiped out by a tidal wave of anti Catholic hatred After years of hardship Smith reconciled his soured relationships with political bigwigs and once again became a generous heroic figure Photos The Accusation: Blood Libel in an American Town Edward Berenson, 2019-09-10 A chilling investigation of America s only alleged case of blood libel and what it reveals about antisemitism in the United States and Europe On Saturday September 22 1928 Barbara Griffiths age four strayed into the woods surrounding the upstate village of Massena New York Hundreds of people looked everywhere for the child but could not find her At one point someone suggested that Barbara had been kidnapped and killed by Jews and as the search continued policemen and townspeople alike gave credence to the quickly spreading rumors The allegation of ritual murder known to Jews as blood libel took hold To believe in the accusation seems bizarre at first glance blood libel was essentially unknown in the United States But a great many of Massena s inhabitants both Christians and Jews had emigrated recently from Central and Eastern Europe where it was all too common Historian Edward Berenson himself a native of Massena sheds light on the cross cultural forces that ignited America s only known instance of blood libel and traces its roots in Old World prejudice homegrown antisemitism and the resurgence of the Ku Klux Klan in the 1920s Residues of all three have persisted until the present day More than just the disturbing story of one town s embrace of an insidious anti Jewish myth The Accusation is a shocking and perceptive exploration of American and European responses to antisemitism **The Democrats in Turmoil** Bradley C. Nahrstadt, 2025-06-26 Recounting the Democratic National Conventions in 1896 1904 1912 1920 and 1924 this book details the bitter inner party struggles that almost always led to Democratic losses in the fall The Democrats couldn t win an election around the turn of the 20th century not because they couldn t find good candidates but because of the infighting and bitter nomination battles that took place prior to and during their national conventions With the exception of 1912 when Woodrow Wilson won the presidency because of the rift between Theodore Roosevelt and William Howard Taft and 1916 when Wilson barely won reelection the Democrats lost six of the eight presidential elections that took place between 1896 and 1924 In 1896 1904 1920 and 1924 that loss was directly attributable to the bruising convention fights that preceded the November general election This book tells the story of each of these contentious conventions the issues facing the country heading into the conventions and the general election the background and personalities of the men who fought for the nomination and the tumultuous rivalries among Democratic factions in the face of the Republicans relative unity **A Catholic in the White House?** T. Carty, 2016-03-14 According to most political and religious scholars and pundits JFK s victory in 1960 symbolized America s evolution from a Protestant nation to a pluralist community that included Catholics as all citizens However if the presidential election of 1960 was indeed

a turning point for American Catholics how do we explain the failure of any Catholic in over forty years to repeat Kennedy's accomplishment In this exhaustively researched study that fuses political cultural social and intellectual history Thomas Carty challenges the assumption that JFK's successful campaign for the Presidency ended decades if not centuries of religious and political tension between American Catholics and Protestants paving a new role for Catholics in American presidential politics

The Revolution of '28 Robert Chiles, 2018-03-15 The Revolution of 28 explores the career of New York governor and 1928 Democratic presidential nominee Alfred E. Smith Robert Chiles peers into Smith's work and uncovers a distinctive strain of American progressivism that resonated among urban ethnic working class Americans in the early twentieth century The book charts the rise of that idiomatic progressivism during Smith's early years as a state legislator through his time as governor of the Empire State in the 1920s before proceeding to a revisionist narrative of the 1928 presidential campaign exploring the ways in which Smith's gubernatorial progressivism was presented to a national audience As Chiles points out new stock voters responded enthusiastically to Smith's candidacy on both economic and cultural levels Chiles offers a historical argument that describes the impact of this coalition on the new liberal formation that was to come with Franklin Delano Roosevelt's New Deal demonstrating the broad practical consequences of Smith's political career In particular Chiles notes how Smith's progressive agenda became Democratic partisan dogma and a rallying point for policy formation and electoral success at the state and national levels Chiles sets the record straight in The Revolution of 28 by paying close attention to how Smith identified and activated his emergent coalition and put it to use in his campaign of 1928 before quickly losing control over it after his failed presidential bid

The Statesman's Year-book Frederick Martin, Sir John Scott Keltie, Isaac Parker Anderson Renwick, Mortimer Epstein, Sigfrid Henry Steinberg, John Paxton, Brian Hunter (Librarian), Barry Turner, 1906

Skyscraper Benjamin Flowers, 2012-02-25 Selected by Choice magazine as an Outstanding Academic Title Nowhere in the world is there a greater concentration of significant skyscrapers than in New York City And though this iconographic American building style has roots in Chicago New York is where it has grown into such a powerful reflection of American commerce and culture In *Skyscraper: The Politics and Power of Building New York City in the Twentieth Century* Benjamin Flowers explores the role of culture and ideology in shaping the construction of skyscrapers and the way wealth and power have operated to reshape the urban landscape Flowers narrates this modern tale by closely examining the creation and reception of three significant sites the Empire State Building the Seagram Building and the World Trade Center He demonstrates how architects and their clients employed a diverse range of modernist styles to engage with and influence broader cultural themes in American society immigration the Cold War and the rise of American global capitalism *Skyscraper* explores the various wider meanings associated with this architectural form as well as contemporary reactions to it across the critical spectrum Employing a broad array of archival sources such as corporate records architects' papers newspaper ads and political cartoons Flowers examines the personal political cultural and

economic agendas that motivate architects and their clients to build ever higher He depicts the American saga of commerce wealth and power in the twentieth century through their most visible symbol the skyscraper *Everybody Ought to Be Rich* David Farber,2013-05-30 The extraordinary life and times of a colorful capitalist who invented the idea of consumer credit

Statesman's Handbook for Russia Russia. Komitet ministrov. Kant's[eli[a[rī[a],1896 "The" Statesman's Yearbook ,1892 **Queen's Quarterly** ,1919 *The Man He Became* James Tobin,2014-09-02 When polio paralyzed Franklin Roosevelt at thirty nine people wept to think that the young man of golden promise must live out his days as a helpless invalid He never again walked on his own But in just over a decade he had regained his strength and seized the presidency This was the most remarkable comeback in the history of American politics And as author James Tobin shows it was the pivot of Roosevelt s life the triumphant struggle that tempered and revealed his true character With enormous ambition canny resourcefulness and sheer grit FDR willed himself back into contention and turned personal disaster to his political advantage Tobin s dramatic account of Roosevelt s ordeal and victory offers central insights into the forging of one of our greatest presidents *Walter Lippmann* Tom Arnold-Forster,2025-06-03 The life and ideas of one of the twentieth century s leading political thinkers Walter Lippmann 1889 1974 was among the most influential and wide ranging political writers in modern America As both a journalist and political theorist he shaped ideas about liberalism and democracy the nature of public opinion US power and empire and the roles of journalists experts and citizens Tom Arnold Forster provides a bold historical reassessment of Lippmann s intellectual life offering fresh perspectives on a career at the intersection of daily news and democratic theory This incisive book shows how Lippmann helped define the public debates of American liberalism from the Progressive Era to the Cold War By exploring his ideas in their historical context Arnold Forster challenges the claim that Lippmann was primarily a theorist of expertise and technocracy Instead Lippmann emerges as a strikingly political thinker public facing and multifarious who focused on what politics meant and how it worked in modern democracies Covering subjects from press freedom to urban reform to economic and foreign policy while tracing the evolution from his early liberal socialism to later conservative liberalism this book explores Lippmann s thought as reflecting the protean character of liberal politics and the crises and paradoxes of democracy Walter Lippmann An Intellectual Biography is a richly historical account of a complex political thinker Lippmann s ideas played a formative role in the twentieth century and resonate powerfully with our fraught present The Statesman's Year Book ,1902 The New Statesman ,1915 **The Great Rent Wars** Robert M. Fogelson,2013-10-15 Written by one of the country s foremost urban historians The Great Rent Wars tells the fascinating but little known story of the battles between landlords and tenants in the nation s largest city from 1917 through 1929 These conflicts were triggered by the post war housing shortage which prompted landlords to raise rents drove tenants to go on rent strikes and spurred the state legislature a conservative body dominated by upstate Republicans to impose rent control in New York a radical and unprecedented step that transformed landlord tenant relations The Great

Rent Wars traces the tumultuous history of rent control in New York from its inception to its expiration as it unfolded in New York Albany and Washington D C At the heart of this story are such memorable figures as Al Smith Fiorello H La Guardia and Oliver Wendell Holmes as well as a host of tenants landlords judges and politicians who have long been forgotten Fogelson also explores the heated debates over landlord tenant law housing policy and other issues that are as controversial today as they were a century ago

Dry Manhattan Michael A. Lerner,2009-06-30 In 1919 the United States made its boldest attempt at social reform Prohibition This noble experiment was aggressively promoted and spectacularly unsuccessful in New York City In the first major work on Prohibition in a quarter century and the only full history of Prohibition in the era s most vibrant city Lerner describes a battle between competing visions of the United States that encompassed much more than the freedom to drink

Index of Trademarks Issued from the United States Patent Office United States. Patent Office,1949

Higher Neal Bascomb,2004-09-21 The Roaring Twenties in New York was a time of exuberant ambition free flowing optimism an explosion of artistic expression in the age of Prohibition New York was the city that embodied the spirit and strength of a newly powerful America In 1924 in the vibrant heart of Manhattan a fierce rivalry was born Two architects William Van Alen and Craig Severance former friends and successful partners but now bitter adversaries set out to imprint their individual marks on the greatest canvas in the world the rapidly evolving skyline of New York City Each man desired to build the city s tallest building or skyscraper Each would stop at nothing to outdo his rival Van Alen was a creative genius who envisioned a bold contemporary building that would move beyond the tired architecture of the previous century By a stroke of good fortune he found a larger than life patron in automobile magnate Walter Chrysler and they set out to build the legendary Chrysler building Severance by comparison was a brilliant businessman and he tapped his circle of downtown old money investors to begin construction on the Manhattan Company Building at 40 Wall Street From ground breaking to bricklaying Van Alen and Severance fought a cunning duel of wills Each man was forced to revamp his architectural design in an attempt to push higher to overcome his rival in mid construction as the structures rose floor by floor in record time Yet just as the battle was underway a third party entered the arena and announced plans to build an even larger building This project would be overseen by one of Chrysler s principal rivals a representative of the General Motors group and the building ultimately became known as The Empire State Building Infused with narrative thrills and perfectly rendered historical and engineering detail Higher brings to life a sensational episode in American history Author Neal Bascomb interweaves characters such as Al Smith and Governor Franklin Delano Roosevelt leading up to an astonishing climax that illustrates one of the most ingenious and secret architectural achievements of all time

Pitman's where to Look ,1911

Yeah, reviewing a books **Empire Statesman** could amass your near connections listings. This is just one of the solutions for you to be successful. As understood, finishing does not recommend that you have wonderful points.

Comprehending as skillfully as accord even more than further will present each success. neighboring to, the notice as with ease as keenness of this Empire Statesman can be taken as competently as picked to act.
