International Journalism and Democracy Angela Romano,2010-05-08 This book examines different models from around the world of how journalism can support deliberation the processes in which societies recognize and discuss the issues that affect them appraise the potential responses and make decisions about whether and how to take action Authors from across the globe identify the types of journalism that might best assist or even drive deliberative activity in different cultural and political contexts Case studies from 15 nations spotlight different approaches to deliberative journalism including strategies that have been sometimes been labeled as public or civic journalism peace journalism development journalism citizen

journalism the street press community journalism social entrepreneurship or other names Each of the approaches that are described offer a distinctive potential to support deliberative democracy but the book does not present any of these models or case studies as examples of categorical success Rather it explores different elements of the nature strengths limitations and challenges of each approach as well as issues affecting their longer term sustainability and effectiveness **New Zealand Government & Politics** Raymond Miller, 2006 New Zealand Government and Politics now in its fourth edition is the leading undergraduate textbook for students of New Zealand political science It provides an overview of the context key institutions and processes written by leading academics and non academics This fully revised and refreshed edition has 22 new chapters including an analysis of the 2005 election *Downfall* Paul Diamond, 2022-11-10 In 1920 New Zealanders were shocked by the news that the brilliant well connected mayor of genteel Whanganui had shot a young gay poet D Arcy Cresswell who was blackmailing him They were then riveted by the trial that followed Mackay was sentenced to hard labour and later left the country only to be shot by a police sniper during street unrest in Berlin during the rise of the Nazis Mackay had married into Whanganui high society and the story has long been the town's dark secret The outcome of years of digging by historian Paul Diamond this book shines a clear light on the vengeful impulses behind the blackmail and Mackay's ruination The cast of this tale includes the Prince of Wales the president of the RSA Sir Robert Stout Blanche Baughan even Lady Ottoline Morrell But it is much more than an extraordinary story of scandal At its heart the Mackay affair reveals the perilous existence of homosexual men and how society conspired to control and punish them *Toxic and Intoxicating Oil* Patricia Widener, 2021-03-12 When oil and gas exploration was expanding across Aotearoa New Zealanders faced the typically distinct problems of oil spills hydraulic fracturing offshore exploration climate fears and disputes over unresolved Indigenous claims nearly simultaneously Collectively these grievances created the foundation for an organized civil society to construct and then magnify a comprehensive critical oil narrative in dialogue practice and aspiration Community advocates and socioecological activists mobilized for their health and well being for their neighborhoods and beaches for Planet Earth and Planet Ocean and for terrestrial and aquatic species and ecosystems In this allied ethnography quotes are used extensively to convey the tenor of some of the country's most passionate and committed people By analyzing the intersections of a social movement and the political economy of oil Patricia Widener reveals a nuanced story of oil resistance and promotion at a time when many anti drilling activists believed themselves to be on the front lines of the industry's inevitable decline Direkte Demokratie und Parlamentarismus Theo Öhlinger, Klaus Poier, 2015-01-12 Angaben zur beteiligten Person Khol Andreas Khol 2000 2006 Pr sident des Nationalrates **Australian Journalism Review**, 2003 **New Zealand Books in Print 2004** Thorpe-Bowker Staff, 2004-06 Directory containing updated bibliographic information on all in print New Zealand books 33rd edition of an annual publication The 12 500 book entries are listed by title and there is an index to authors Also provided are details of 975 publishers and distributors and local agents of overseas
