The Empress's Desire LG - E. Andrews, 2020-04-09 An Wei and Apophany inseparable as children were forced into adulthood along vastly separate routes Apophany an empress through forced marriage and An Wei an orphan through politically motivated killings An Wei escapes through the valiant efforts of his father while Apophany must bear the foreboding pressure of leading her new empire as a figure head An Wei finding solace only within the beautiful memory of the smile of his best friend Apophany obtains direction for where he wants his life to conclude beside his best friend Fortunately for An Wei the emperor passed away as a result of his desire for the adrenaline filled life of warrior legends Not wanting to lose his chance An Wei ceases the moment to thrust himself back into Apophany's life Surrounded by political edicts traditional avenues and cultural bias An Wei understands that the only way to get to his Apophany is through the shadows created by his family An Wei soothes the mind and spirit of Apophany while honoring her request for him not to reveal his identity With war breaking out and Apophany showing signs that she still lacks the strength to help make a change in her empire An Wei sets out to give her as much time as she needs An Wei enlists to defend the empire Apophany soon understanding what her truest desire is searches for An Wei Apophany and An Wei through unforeseen events now must decide on the course of their native empire as An Wei now stands before Apophany an empress

as an emperor With the fate of the land in their hands they are forced into mortal combat Apophany must decide between what is truly important in her life and subsequently the lives of her people traditions created generations ago or through the steady advancement of empowerment for all And Apophany must decide quickly as she finds herself yet again torn between mortal combat fear and her truest desire It is a sensual adventure of how passionate love for oneself and one's people is gained and lost before being rekindled through the trials of cultural conflict and domestic war **Farewell Darkness!** Norbert Mercado, 2014-09-28 Book II of *In The Shadow Of The Roman Empire* explores the story behind the villain captured by Marcus Aurelius **Goodbye, Your Majesty** Xin Huan, 2019-12-06 Three years together her whole being lost in the mists of love he had given her how could she have known it was a lie and the stakes were the most important thing in her life Sister in law forsaken a year of suffering wear out all her thoughts She had been reborn with a sense of hatred and her state of mind had long since changed She slowly pushed away the fog yet she was caught up in a huge conspiracy **One Last Farewell** Isabelle Kane, 2021-11-23 Krystyna Sielska a bold Polish beauty hopes to escape scandal by fleeing her homeland for the imperial city of Vienna There she encounters two men a charming and handsome rogue and a brash and unpolished scoundrel Both men seek to woo the lovely Krystyna but another a monster who goes only by the name of Janus also pursues her Can true love survive the flames of war *Farewell My Beloved, Goodbye Dear Leader* Brigitte M. Wareham, 2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria's fascinating State funeral The cortege for China's Empress Dowager Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco's body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India's Indira Gandhi was confined to sacred flames The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini's funeral ended in frenzy and tumult In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip's funeral hardly any guests were allowed to attend This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death **The Knot in the Rug** Mahsoud Behnoud, Sara Phillips, 2022-07-01 *The Knot in the Rug* encapsulates the massive upheavals of the first half of the twentieth century from a point of view that the English speaking readership rarely glimpses A gripping read that also sheds light on traditional Persian customs of birth marriage and death still followed in modern day Iran The book's heroine Khanoum is in the courts of Persia's Qajar dynasty The twists and turns in Khanoum's life make for a gripping read whilst at the same time shedding light on

traditional Persian customs of birth marriage and death still followed in modern day Iran Forced to flee Persia during the Constitutional Revolution of 1906 Khanoum is brought up by her uncle and his immediate family Her teenage years are marked by her struggles family tragedy her horrendous journey through Persia and her uncertain future Once in Russia her aunt a woman of great strength and wisdom manages to bring some sense of order to their exiled gathering by creating a home akin to what they were accustomed to However some years later the Bolshevik revolution brings another upheaval and they flee once more this time to Istanbul In the fairy tale palaces of the Ottoman Empire Khanoum marries a member of the Ottoman Court But the newlyweds hardly have time to make plans for their future when they face yet more turmoil learning of the downfall of the ruling family they hurriedly escape to France In Paris with her husband Khanoum at last finds a resting place but it does not take long before her eventful and tragic destiny once again beckons and she finds herself alone and destitute The story contains a rich and compelling record of how these historic events affected the lives of a group of people from different parts of the world It presents an overview of the fabric of the Iranian society with an emphasis on the last century s privileged class **Herdbook Containing the Pedigree of Improved Short-horn Cattle** ,1902 Vols include the Shorthorn Society s Grading register for beef Shorthorn cattle v include the society s Herd book of poll shorthorns

Chantal Thomas, 2012-07-10 Follows a woman whose function it once was to read books aloud to Marie Antoinette as she recounts her memories of living at Versailles during the final days of the French revolution *Farewell to the World* Marzio Barbagli, 2015-10-06 What drives a person to take his or her own life Why would an individual be willing to strap a bomb to himself and walk into a crowded marketplace blowing himself up at the same time as he kills and maims the people around him Does suicide or voluntary death have the same meaning today as it had in earlier centuries and does it have the same significance in China India and the Middle East as it has in the West How should we understand this distressing often puzzling phenomenon and how can we explain its patterns and variations over time In this wide ranging comparative study Barbagli examines suicide as a socio cultural religious and political phenomenon exploring the reasons that underlie it and the meanings it has acquired in different cultures throughout the world Drawing on a vast body of research carried out by historians anthropologists sociologists political scientists and psychologists Barbagli shows that a satisfactory theory of suicide cannot limit itself to considering the two causes that were highlighted by the great French sociologist mile Durkheim namely social integration and regulation Barbagli proposes a new account of suicide that links the motives for and significance attributed to individual actions with the people for whom and against whom individuals take their lives This new study of suicide sheds fresh light on the cultural differences between East and West and greatly increases our understanding of an often misunderstood act It will be the definitive history of suicide for many years to come *Farewell My Queens: from Marie Antoinette to Farah Diba* Ellie Abdi, Stewart Essence Parr, Nooshin Saeidosadat Manshadi, 2022-06-29 There has been much written from many perspectives about the French revolution and Marie Antoinette over the years however *Farewell My Queens from Marie Antoinette to Farah Diba* by Dr Ellie Abdi Stewart Essence Parr Nooshin Manshadi and edited by Marjorie Sara Mamman is the fi rst I have read that compares the tragic lives of the queen of France and those of the three ill fated queens of Iran Fawzia Fuad of Egypt Soraya Esfandiyari Bakhteyari and Farah Diba While these Persian queens did not share the ultimate sacrifi ce of death under the blade of the guillotine as did Marie Antoinette as outsiders these four queens all endured the stiffl ing and controlling life at court and the pressure to produce an heir *Coates's Herd Book* Henry Strafford, 1899 **Farewell to the Pope!
