En Otra Voz By Kanellos:

En otra voz Nicolás Kanellos, Kenya Dworkin y Méndez, José B. Fernández, Erlinda Gonzales-Berry, Agnes I. Lugo-Ortiz, Charles M. Tatum, 2002-04-30 *En otra voz* is the first Spanish language anthology to bring together literature from the entire history of Hispanic writing in the United States from the age of exploration to the present. The product of hundreds of scholars working with the Recovering the U S Hispanic Literary Heritage program over ten years, the anthology compiles for the first time scores of previously unknown works in the Spanish language written by Hispanics of diverse ethnic backgrounds and classes. It is the most comprehensive literary collection available in Spanish, spanning more than three centuries and including a broad range of genres. Organized chronologically into three sections which represent the three major manifestations of Hispanic culture in the United States: Native Exile and Immigration, the anthology goes beyond the written tradition to also include oral literature, folk songs, tales, personal experience narratives, rhymes, etc. The anthology includes the political essays of revolutionaries and reactionaries, cultural elites and workers, academic creative writers and street poets, all reflecting the Hispanic condition past and present. Of course, such familiar names as Reinaldo Arenas, René Marqués, Cherríe Moraga, Dolores Prida, Piri Thomas, and Luis Valdez are found in its pages, as well as those of anonymous bards and numerous unheralded writers whose works appeared in Spanish language newspapers in the nineteenth and twentieth centuries.

Hispanic Immigrant Literature Nicolás Kanellos, 2011-07-01 Immigration has been one of the basic realities of life for Latino communities in the United States since the nineteenth century. It is one of the most important themes in Hispanic literature, and it has given rise to a specific type of literature while also defining what it means to be Hispanic in the United States. Immigrant literature uses predominantly the language of the homeland; it serves a population united by that language, irrespective of national origin, and it solidifies and furthers national identity. The literature of immigration reflects the reasons for emigrating, records both orally and in writing the trials and tribulations of immigration, and facilitates adjustment to the new society while maintaining links with the old society. Based on an archive assembled over the past two decades by author Nicolás Kanellos's Recovering the U S Hispanic Literary Heritage project, this comprehensive study is one of the first to define this body of work. Written and recorded by people from Mexico, Cuba, Puerto Rico, the Caribbean, and Central and South America, the texts presented here reflect the dualities that have characterized the Hispanic immigrant experience in the United States since the mid-nineteenth century, set always against a longing for homeland.
