generations of sociologists including many immigrants are each shown to have left their unique mark on New Zealand sociology The author demonstrates that the rising interest in topics specific to New Zealand has been accompanied by increasing capacities to contribute to world sociology This book will have inter disciplinary appeal across the social sciences and provides a valuable study of the development of sociology in a semi peripheral country **Saili Matagi** Leulu Felise Va'a, 2001 An exploration of the practice of fa a Samoa among migrants of the nature of the politics of traditionn within their communities and of the search for opportunities in new environments *Su'esu'e Manogi: In Search of Fragrance* Tui Atua Tupua Tamasese Ta'isi Efi, 2018-07-06 This book is a celebration of His Highness Tui Atua Tupua Tamasese Ta isi Efi s intellectual and cultural legacy to Samoa providing Tui Atua s writings and thoughts on Samoan indigenous knowledge It was first compiled and published as a festschrift in commemoration of his seventieth birthday Tui Atua is Samoa s Head of State and is currently the only holder of one of Samoa s four p p aristocratic chiefly titles Tui Atua The book also contains responses from fourteen of Samoa s leading and emerging scholars including two Rhodes Scholars based within and outside Samoa The book searches for the best of what His Highness terms the Samoan indigenous reference and enlarges our contemporary understandings of indigenous knowledge Migration and Development in the South Pacific John Connell, 1990 *Return Migration of the Next Generations* Dennis Conway, 2016-12-05 There is renewed interest in return migration among researchers of global movement patterns Until recently it was overlooked regarded as the result of failure by emigrants or related to the return of retired elderly migrants This important study looks at the one and a half and second generation migrants the youthful contract workers and the prolonged sojourners and the consequences of their return to source communities *Leadership and Change in the Western Pacific* R.
