Today, Emily is a healthy eighteen-year-old living life to the fullest. She is currently a freshman at Boston College in Massachusetts. Her major is Elementary Education and she plans on becoming a kindergarten or first grade teacher. She is honored to be part of the BC community and has happily transitioned into college life.

Emily was diagnosed with Acute Lymphocytic Leukemia at age eleven. Through her experience with cancer she learned to appreciate relationships with others and to embrace opportunities in life. The Andre Sobel Award gave Emily the chance to share her story with others. Emily knows the feeling of lying in a hospital bed being told you have a terminal illness. Fear, confusion, sadness, loneliness, and even anger take over your body as the message sinks in. The poem Emily wrote is meant to inspire others on their journey back to health. Emily hopes that others will connect with the feelings and emotions she felt throughout her journey and that they will continue to fight back. Never give up hope!
