Emily 2 Jeremy Wells, Emily Wells, 2014-08-08. What would you do to bring hope to your dying son or daughter afflicted with leukemia? Would you permit your son or daughter to experience life while facing their expected death? Emily was twelve when diagnosed with leukemia. She met seventeen-year-old Jeremy who would become her anchor to give her strength when she was weak, to give her hope when she felt all was lost, and to give her unqualified love and support to hold onto when she was lost, frightened, or simply unable to do for herself. Emily wanted to experience life before she faced her own death. Emily's mother reluctantly allowed her to secretly marry Jeremy before God, and in her presence, since underage marriage was forbidden by society. Emily's story was told in the book titled *Emily*. Emily brought hope to young cancer patients who simply want to experience life before facing their probable death. This book chronicles Emily and Jeremy's fight to change the rules and allow qualifying sick children to marry and experience life before facing death. Emily states: 'Is that really so much to ask?' Child Welfare says 'Yes, it is.' Underage girls can marry if they are pregnant, but underage sick and dying children should never be permitted to marry unless the cancer patient gets pregnant. See who prevails in this battle to bring life and dignity to young cancer patients who just want to live, even if living is but a moment in time. *Emily's Quest* Lucy Maud Montgomery, 1927. When Maggie accepts a temporary position at the illustrious Dickinson family home in Amherst, it's only to save money for her upcoming trip West to join her brothers in California. Maggie never imagines she will form a life-altering friendship with the eccentric brilliant Miss Emily, or that she'll stay at the Homestead for the next thirty years. In this richly drawn novel, Amy Belding Brown explores what it is to be an outsider looking in, and she sheds light on one of Dickinson's closest confidantes.

Woman On The Goldfields Edward Duyker, 2013-03-01 Emily Skinner, vibrant, observant, eternally young at heart, emigrated from Britain to Australia in 1854. Not only did she keep a shipboard journal, she later recorded her reminiscences of a colourful life as a miner's wife. Here published for the first time is Emily's account of a voyage half way around the world to marry her sweetheart. She evokes wild storms, sea sickness, the malaise and boredom, the gossip and intrigue. Her impressions of the young town of Melbourne follow as well as her recollections of what is now the town of Beechworth and the surrounding goldfields. Emily reaches across the years with her vivid descriptions contrasting the realities in her workday life cooking, washing, childminding with the wild dreams and aspirations of the miners.
