Bush, 2013-10-15 In 1803 the United States purchased 828 000 square miles of land from France at a price of approximately three cents per acre dramatically altering the young nation's geography and its political future President Thomas Jefferson had struggled for three years over the purchase which many believed to be unconstitutional during which time the land changed hands between the French and the Spanish In perhaps the nation's most formative development since the Revolutionary War the deal secured the U S territory that would become fifteen new states sparked intense public argument about the American Frontier and ensured Jefferson a complicated legacy in American history With special attention to the diplomatic and constitutional background of the purchase *The Louisiana Purchase* examines the event in the context of the Atlantic world including the impact of the French Revolution and Napoleonic wars in Europe colonial revolutions in the Caribbean and the westward expansion of the U S population In five concise chapters bolstered by primary documents including treaties letters and first hand observations Robert D Bush introduces students to the political history of this momentous land acquisition *The Louisiana Purchase* Junius P. Empires of the Imagination Peter J. Kastor, François Weil, 2009-10-16 *Empires of the Imagination* takes the Louisiana Purchase as a point of departure for a compelling new discussion of the interaction between France and the United States In addition to offering the first substantive synthesis of this transatlantic relationship the essays collected here offer new interpretations on themes vital to the subject ranging from political culture to intercultural contact to ethnic identity They capture the cultural breadth of the territories encompassed by the Louisiana Purchase exploring not only French and Anglo American experiences but also those of Native Americans and African Americans Despite differences in concerns and methods the pieces collected share crucial ground in how they suggest new ways for thinking about empire identity and

memory The authors show how France and the United States set about their competing imperial projects even as residents of the North American West effectively resisted those imperial aims creating instead their own notions of community and connection At the same time these essays show how the contact among peoples created new social configurations and distinct cultural identities Moving beyond the particulars of the late eighteenth and early nineteenth centuries these essays reveal how the Louisiana Purchase subsequently entered into the public consciousness on both sides of the Atlantic in ways that continue to define imperial projects racial identities and ethnic communities Delineating a unique moment in transatlantic historical conversation *Empires of the Imagination* also provides important lessons in cross disciplinary approaches to North American and Atlantic history In addition to the multinational perspectives of the authors individual essays deploy social science history political culture and ideological history as well as social and cultural history to create a cohesive understanding of diverse experiences Contributors Emily Clark Tulane University Laurent Dubois Duke University Mark Fernandez Loyola University New Orleans Peter J Kastor Washington University in St Louis Paul Lachance University of Ottawa Jean Pierre Le Glaunec Dalhousie University James E Lewis Jr Kalamazoo College Peter S Onuf University of Virginia Jacques Portes Universit de Paris VIII Marie Jeanne Rossignol Universit de Paris VII Denis Diderot C ile Vidal L cole des Hautes tudes en Sciences Sociales Fran ois Weil L cole des Hautes tudes en Sciences Sociales Richard White Stanford University

The Fire of His Genius Kirkpatrick Sale,2002-09-10 None of the spectators who gathered on the Hudson River shore on August 17 1808 could have known the importance of the object they had come to see and mostly deride Robert Fulton s new steamboat But as Kirkpatrick Sale shows in this remarkable biography Fulton s large noisy showy fast brash exciting powerful and audacious machine would for better or worse irrevocably transform nineteenth century America Set against a brilliant portrait of a dynamic period in history *The Fire of His Genius* tells the story of the fiercely driven man whose invention opened up America s interior to waves of settlers created and sustained industrial and plantation economies in the nation s heartland and facilitated the destruction of the remaining Indian civilizations Probing Fulton s genius but also laying bare the darker side of the man and the darker side of the American dream Kirkpatrick Sale tells an extraordinary tale with deftness zest and unflagging verve

The State and the Soldier Kori Schake,2025-07-21 America s Founding Fathers feared that a standing army would be a permanent political danger yet the U S military has in the 250 years since become a bulwark of democracy Kori Schake explains why in this compelling history of civil military relations from independence to the challenges of the present The book begins with General Washington s vital foundational example of subordination to elected leaders during the Revolutionary War Schake recounts numerous instances in the following century when charismatic military leaders tried to challenge political leaders and explains the emergence of restrictions on uses of the military for domestic law enforcement She explores the crucial struggle between President

Andrew Johnson and Congress after Lincoln's assassination when Ulysses Grant had to choose whether to obey the Commander in Chief or the law and chose to obey the law And she shows how the professionalization of the military in the twentieth century inculcated norms of civilian control The U S military is historically anomalous for maintaining its strength and popularity while never becoming a threat to democracy Schake concludes by asking if its admirable record can be sustained when the public is pulling the military into the political divisions of our time **Lord Selkirk** J.M.
