Fiction it is a story inspired by real people and based on real events that doesn't forget the role of strong women in the Great War or their need for a wartime romance love where they could find it Bryn is without doubt one of the best writers of historical fiction writing in English today In *The Dandelion Clock* you will not just read about the horrors of war you will live them in all their stark reality Frank Parker author of *Called to Account* She truly captured what it was like to be a soldier but also what it was like for loved ones left at home It is a story of courage of duty of heartbreak and of promises made not to be broken no matter what the emotional cost This book had me in tears in parts the writing so compelling It deserves to be read I strongly recommend *The New York Times Book Review*, 1980 *Jane Austen's Emma* Paula Byrne, 2004 This sourcebook introduces not only Jane Austen's text but also the literary and historical contexts and the many different critical readings that it has generated from the time of its publication to the twenty-first century
