EQ isn't just a soft skill; it's the foundation of effective leadership. In *Emotional Intelligence: The EQ Edge for Business Leaders*, executive coach and author Tim Luscombe shows how EQ helps leaders build trust, inspire teams, and thrive under pressure. Blending practical leadership tools with timeless wisdom from Stoic thinkers like Marcus Aurelius and Epictetus, this book offers a roadmap for leading with clarity, empathy, and purpose. Whether you're managing a team, scaling a business, or navigating change, this book will help you stay calm and composed in high-stress situations, strengthen team cohesion and collaboration, resolve conflict with confidence and empathy, and cultivate a culture of innovation and resilience. Packed with case studies, exercises, and actionable insights, *Emotional Intelligence* is your toolkit for leadership that lasts. Lead with heart. Decide with clarity. Succeed with purpose. [Emotional Intelligence and Public Relations](#) Weiwu Zhang, 2025-11-03

Emotional intelligence, often referred to as emotional quotient (EQ), has emerged as a critical soft skill in public relations (PR). Proven essential for performance, leadership, and fostering collaborative organizational cultures, despite its importance, EQ remains understudied in PR contexts. This groundbreaking volume presents the first comprehensive collection of cutting-edge research and theoretical and practical insights exploring the pivotal role of EQ across PR practice and education. Leading scholars contribute original research, theoretical frameworks, and case studies examining EQ in various settings. The book covers diverse topics including EQ's importance in PR roles, internal communication, listening, and mindfulness, leadership, intercultural relations, work-life harmony, crisis communication, health communication, organizational listening, social capital, and diversity initiatives. Each chapter provides practical recommendations for implementing EQ principles in daily PR practice and future research directions. This essential resource serves multiple audiences: PR educators seeking to incorporate EQ into their curriculum; researchers exploring the intersection of EQ and communication; and practitioners looking to enhance their professional capabilities. Whether used as a supplementary text for PR theory courses, a foundation for professional development, or a required text for specialized EQ classes, this volume delivers valuable insights into why EQ truly is the new IQ in public relations.
