Emotionally Disturbed Mentally Retarded:

The Emotionally Disturbed, Mentally Retarded Earl Edward Balthazar, Harvey A. Stevens, 1974 This new book integrates the diverse literature related to emotionally disturbed mentally retarded and achieves a balance between historical and contemporary sources It is a fresh dynamic approach to the definition analysis and reconstruction of past and present interpretation of the problems indigenous to mental retardation and adaptive behavior Dust jacket Mentally Retarded Children Harriet Eleanor Blodgett, 1971-01-01 Severe Behavior Disorders in the Mentally Retarded Rowland P. Barrett, 2013-11-22 It is well known that behavior problems are a salient characteristic of children and adults with mental retardation That is not to say that all persons with mental retardation experience behavior disorders how ever most studies indicate that the incidence of emotional disturbance in this population is four to six times greater than that observed in similar intellectually nonhandicapped children and adults It is equally well known that the principal form of treatment accorded clients with mental retardation and behavior disorders is pharmacotherapy or the prescription of behavior modifying drugs Recent studies show that 6 out of every 10 individuals with mental retardation have been prescribed drugs as treatment for disorders of emotion or behavior Unfortunately further studies indicate that only one or 2 out of every 10 clients receiving medication are determined to be responders such that some therapeutic benefit is derived from their drug treatment As noted by the title the single major thrust of this volume is to review approaches to the treatment of behavior disorders in persons with mental retardation from a nondrug perspective This requires the presentation of a wide range of material on treatment basic behavior modification programming cognitive behavioral strategies habilitative approaches counseling and psychotherapy designing therapeutic living environments managing medical factors bearing relevance to emotional illness intervening with families training special education teachers and direct care staff and supplying information on the client's rights to obtain treatment in the least restrictive and least intrusive manner Handbook of Mental Illness in the Mentally Retarded F.J. Menolascino, J.A. Stark, 2012-12-06 This volume aims to provide the reader with a contemporary account of his torical diagnostic treatment management including the individual and the service systems perspectives and training dimensions of mentally ill mentally retarded individuals from interdisciplinary perspectives Emphasis is placed on current and evolving aspects of this topic The broad scope of our approach is consistent with the concepts and practices that currently typify this topical area of clinical and research activity This volume is divided into five sections Part I deals with the definitional aspects the nature and incidence the historical aspects and a view of assessing the types of needs of mentally ill mentally retarded individuals Part II addresses the key issues in treatment intervention from an individual therapeutic aspect through vocational considerations as well as the role of the parents in these helping processes Part III focuses on systems of service delivery ranging from inpatient and day treatment models to the delivery of services in the home at all times the emphasis is on programs that have been successful Part IV presents a modern perspective on the multiple

challenges in training both mental health and mental retardation specialists as well as the critical dimension of providing a well trained cadre of paraprofessionals in both fields And finally Part V encompasses key current research perspectives as well as possible future directions for this rapidly growing area of professional interest and involvement **Assessing Psychopathology and Behavior Problems in Persons with Mental Retardation** ,1994-02 A survey of the instruments and methods that are available for assessment of psychopathology and behavior problems in persons with mental retardation Instruments are described and evaluated from a methodological perspective *Emotionally Disturbed and Mentally Retarded Children* Mississippi. professions in mental health Psychopathology is often perceived as a stepchild of the more glamorous areas of diagnosis or assessment and therapy or behavioral change Nevertheless it is doubtful that any meaningful advancements in these areas will occur until there is a thorough understanding of the behavioral disorders The purpose of the present project was to devise a handbook that covered both general and specific topics in psychopathology and that would be useful to researchers practitioners and graduate or other advanced students in the mental health professions In order to implement this plan we selected very carefully colleagues whom we respect for their expertise in particular fields These include both clinicians and researchers with outstanding national reputations as well as more junior behavioral scientists and clinicians who in our opinion will achieve similar recognition in the future The chapters in this book lead us to believe that we have chosen wisely We would like to express our appreciation to these authors for their outstanding contributions and cooperation
