accessible once again using print on demand technology This title was originally published in 1975      **Embodying Mexico** Ruth Hellier-Tinoco, 2011-06-07 Embodying Mexico examines two performative icons of Mexicanness the Dance of the Old Men and Night of the Dead of Lake Pátzcuaro in numerous manifestations including film theater tourist guides advertisements and souvenirs Covering a ninety year period from the postrevolutionary era to the present day Hellier Tinoco's analysis is thoroughly grounded in Mexican politics and history and simultaneously incorporates choreographic musicological and dramaturgical analysis Exploring multiple contexts in Mexico the USA and Europe Embodying Mexico expands and enriches our understanding of complex processes of creating national icons performance repertoires and tourist attractions drawing on wide ranging ethnographic archival and participatory experience An extensive companion website illustrates the author's arguments through audio and video      **The Cross-cultural Approach to Health Behavior** L. Riddick Lynch, 1969 A unique volume of studies that deals with the impact of cultural conditioning on health attitudes health practices and the whole concept of health Consists of articles by 24 authorities with the cultural groups studied representing the Americas Africa Asia and Island groups in the South Pacific      **Creating Pátzcuaro, Creating Mexico** Jennifer Jolly, 2018-01-24 In the 1930s the artistic and cultural patronage of celebrated Mexican president Lázaro Cárdenas transformed a small Michoacán city Pátzcuaro into a popular center for national tourism Cárdenas commissioned public monuments and archeological excavations supported new schools libraries and a public theater developed tourism sites and infrastructure including the Museo de Artes e Industrias Populares and hired artists to paint murals celebrating regional history traditions and culture The creation of Pátzcuaro was formative for Mexico not only did it provide an early model for regional economic and cultural development but it also helped establish some of Mexico's most enduring national myths rituals and institutions In Creating Pátzcuaro Creating Mexico Jennifer Jolly argues that Pátzcuaro became a microcosm of cultural power during the 1930s and that we find the foundations of modern Mexico in its creation Her extensive historical and archival research reveals how Cárdenas and the artists and intellectuals who worked with him used cultural patronage as a guise for radical modernization in the region Jolly demonstrates that the Pátzcuaro project helped define a new modern body politic for Mexico in which the population was asked to emulate Cárdenas by touring the country and seeing and embracing its land history and people Ultimately by offering Mexicans a means to identify and engage with power and privilege the creation of Pátzcuaro placed art and tourism at the center of Mexico's postrevolutionary nation building project

Urban Life George Gmelch, Petra Kuppinger, 2018-01-03 More than half of the world's population lives in cities What are their lives like in very different global and globalizing cities How can urban anthropologists study and understand the diverse and complex experiences of urban dwellers all over the globe The latest edition of Urban Life explores questions about how to study urban lives and examines experiences of urban inhabitants in cities across the globe Authors ask questions such as how can one study the activities in a huge fish market in Tokyo How do elderly residents benefit from urban agriculture in

New York City How do people maneuver ever present traffic jams in Istanbul How do low income residents in Cairo manage their lives drawing on neighborhood social networks How do immigrants fight for green spaces in Paris How do families manage transnational ties between New York City and Ecuador The book is organized into six parts Urban Fieldwork Communities Urban Structure Inequality and Survival Immigrants Migrants and Refugees Changing Cities and Current Topics in Urban Anthropology The last part addresses issues at the forefront of anthropological research and broader political debates like environmental justice disability and accessibility and access to water supplies Each part includes an introduction and each chapter is preceded by notes about its context and relevance The rich ethnographic content of the chapters makes them highly accessible to students while addressing relevant topics and themes

### **Chronicling Cultures**

Robert V. Kemper, Anya Peterson Royce, 2002-04-23 Some field sites have hosted anthropologists for as long as half a century Chronicling Cultures collects articles from principals of many of the longest and best known anthropology projects from four continents the Kung Harvard Chiapas Project Gwembe Valley Tzintzuntzan and Navajo among others These projects have brought a new understanding of change and persistence in communities over time They have forced researchers to develop methods of involving local communities in research of using data over generations of scholars and of resolving ethical issues of research versus advocacy The projects range from individual scholars who return home year after year to large scale institutionalized projects involving many researchers and numerous studies This volume will be an important addition to the literature on fieldwork on the history of ethnology and on ethnographers role in their host cultures
