**Empowering the Laity for Ministry** Joseph Lamb, 2011-10 Never See the Bible the Same Way Again The Bible was written thousands of years ago by Eastern people whose worldview had very little if anything in common with culture of the West. Awareness of the customs and language of ancient Jewish people will empower you with the gift of seeing the Holy Scriptures with brand new eyes. You will discover how to see the words of Scripture as the biblical writers intended. Recognize that the world culture and language of biblical authors can be seen behind the English words of your Bible. Teach the Scriptures with a higher level of knowledge and confidence. Find additional scholarly resources that will equip you to teach Bible lessons which will amaze even some of the most dedicated Bible students. Discuss some of the biblical passages and topics you once thought were too difficult and confusing. Find additional scholarly resources that will equip you to teach Bible lessons which will amaze even some of the most dedicated Bible students. Discuss some of the biblical passages and topics you once thought were too difficult and confusing. Find new enthusiasm to discuss your personal Christian faith. Jonathan Gainey has taught thousands of people how to read and understand the Bible from its intended Eastern perspective. He is recognized and sought after by Christian pastors and Bible students all over the world for his scholarly insights of the original meanings of Scripture.

**Empowering the People of God** Christopher D. Denny, Mary Beth Fraser Connolly, 2013-11-01 The early 1960s were a heady time for Catholic laypeople. Pope Pius XII's assurance "You do not belong to the Church. You are the Church" emboldened the laity to challenge Church authority in ways previously considered unthinkable. **Empowering the People of God** offers a fresh look at the Catholic laity and its relationship with the hierarchy in the period immediately preceding the Second Vatican Council and in the turbulent era that followed. This collection of essays explores a diverse assortment of manifestations of Catholic action ranging from genteel reform to radical activism and an equally wide variety of locales, apostolates and movements.

**Montfortians in Malawi** Reijnaerts, Hubert,Nielsen, Ann,2019-05-09 A common misconception found in popular and even some scholarly literature is that the missionaries are a homogeneous category about whom it is easy to make broad generalisations When a more accurate appraisal of the role of missionaries in Malawi and elsewhere will be reached when each partiular missionary initiative is subjected to critial study This work fills a gap in our knowledge of the Catholic missions since it is the viewpoint of the White Fathers which predominates in the seminal work of K and J Linden Catholics Peasants and Chewa Resistance in Nyasaland 1889 1939 It intends to identify assess and evaluate the Montfortian spirituality and charism by examining as far as possible within the context of their times the lives and works of the three Montfortian pioneers in Malawi and their successors **Bloom Wherever God Plants You** J. Mastine Nisbett,2019-10-30 Dean Joshua Mastine Nisbett reflects on God s involvement and purpose in his life He reminisces over four decades of ordained ministry in two parishes Several parallels are made between the author and Biblical characters The call of Jeremiah while still in his mother s womb Hannah dedicating her child to God s service and Dean Nisbett s parents baptizing him when he was nineteen days old Amos the dresser of sycamore trees called to be a prophet and Dean Nisbett s call from the grafting of fruit trees to assist in the grafting of souls The anointing of David to be king of Israel and the election of Dean Nisbett as the second rector of St David s Episcopal Church Abraham s sacrificial testing of his son Isaac and the near death experience of Jevon Dean Nisbett s son Joshua who led the Israelites into the Promised Land and Joshua who led St David s into their Promised Land Haggai s call for the rebuilding of the temple and Dean Nisbett s congregation building a house of worship Jesus passion death and resurrection and Dean Nisbett s challenges at the onset of his ministry The author also identified with no room at the INN at Bethlehem and the flight to Egypt by the Holy Family Often times the lectionary readings resonates with a current experience of the author Through prayer meditation radical trust in God creative and mutual ministry difficulties were turned into opportunities and a little church was transformed into a healthy one Reflecting on a pilgrimage to Ghana Dean Nisbett gives a graphic description of the African Slave Trade He agonizes over the Anglican Church s role in the business but is convinced God planted him in the said church to help change the narrative **Deacons and Vatican II** Michael J. Tkacik,2018-06-28 The Second Vatican Council committed the Catholic Church to the service of the world when it defined the church to be missionary by nature and a sacrament pointing to and making Christ present to all Such a vision of the church informed the restoration of the permanent diaconate within the ministerial life of the church a vocation and participation in Holy Orders endowed precisely with the charism of service Deacons are called and ordained to

serve in the areas of sacrament word and charity This work considers the place and role of deacons in the life of the contemporary church through the lens of the ecclesiological reforms of the Second Vatican Council Via their preaching teaching and sacramental ministry deacons are uniquely gifted and positioned to empower the lay faithful and advance the church s engagement with the world commitment to ecumenism and interreligious dialogue promotion of peace and championing of human dignity

**The Equipping Pastor** R. Paul Stevens, Phil Collins, 1993-03-01 The authors draw on their combined experience to create an exciting model of congregational leadership that understands congregations as relational systems Learn how relational processes can liberate members for ministry and mission in the world and release pastors for appropriate leadership

**The Dangerous God** Dominic Erdozain, 2017-10-02 At the heart of the Soviet experiment was a belief in the impermanence of the human spirit souls could be engineered conscience could be destroyed The project was in many ways chillingly successful But the ultimate failure of a totalitarian regime to fulfill its ambitions for social and spiritual mastery had roots deeper than the deficiencies of the Soviet leadership or the chaos of a command economy Beneath the rhetoric of scientific communism was a culture of intellectual and cultural dissidence which may be regarded as the prehistory of perestroika This volume explores the contribution of Christian thought and belief to this culture of dissent and survival showing how religious and secular streams of resistance joined in an unexpected and powerful partnership The essays in *The Dangerous God* seek to shed light on the dynamic and subversive capacities of religious faith in a context of brutal oppression while acknowledging the often collusive relationship between clerical elites and the Soviet authorities Against the Marxist notion of the ideological function of religion the authors set the example of people for whom faith was more than an opiate against an enduring mythology of secularization they propose the centrality of religious faith in the intellectual political and cultural life of the late modern era This volume will appeal to specialists on religion in Soviet history as well as those interested in the history of religion under totalitarian regimes
