The Importance of the Offering in the Ministry of Worship Molege J. Claveus,2019-10-25 For several years the author of this book has followed with great interest a phenomenon that is developing in several Christian congregations and is wreaking havoc in Protestant assemblies It is the way in which the offerings are presented and collected in certain services of the Church which leaves him a bitter taste and makes him think His purpose in writing this book is first to demonstrate the importance of the offering in the ministry of worshiping and then to teach believers to offer to God in a way that is pleasing to Him It is a book to read So get yourself a copy

Heaven Made Clear Kurt Hagerman,2023-12-20 If reading this book does anything for you but establish a sense of urgency for being prepared for the return of Jesus and eternal life in Heaven then I have done my job Right now Jesus probably cares more about your eternal life with Him than you do If you are not ready and excited for Christ's return tomorrow then you are playing Russian roulette with procrastination and fear When Christ returns once again it will either be the best or the worst day of your life Make sure you are inside before the door is shut

A Reader in Edo Period Travel Herbert Plutschow,2022-03-07

Largely ignored hitherto by Western scholars Plutschow's Edo Period Travel provides the first in depth study of the subject which is centred on fifteen of the period's most notable travellers some of whom are well known in other fields as intellectuals artists poets folklorists and natural scientists for example but rarely if at all as travellers The first traveller put in the spotlight is the celebrated intellectual and botanist Kaibara Ekiken 1630-1714 and the last is the explorer of Ezo now Hokkaido and government official Matsuura Takeshiro 1818-88 Such was the thirst for knowledge in the Edo period that some travel accounts estimated to number over 2000 became best sellers in their day not least for their voyeuristic appeal including those of Kaibara Ekiken and Tachibana Nankei which are included in this volume This important research on how the Japanese discovered their own country and cultural identity has considerable interdisciplinary appeal Of particular interest also is the author's discussion on the nature of this new travel writing and the self-centred observation and seeing that developed in the eighteenth and early nineteenth centuries he calls the Japanese Enlightenment

, A Refreshing Time with God Remi Dayo-Omole, 2023-06-30 We live in a very fast paced world and we are constantly on the move trying to keep up with everything In doing so we drain ourselves of energy We live for family work and other people so much so that we forget about ourselves Sometimes we allow others to define who we are and we forget who God says we are How can we regain strength and renew our inner peace joy and happiness God is calling us to come to him fellowship together and bring our burdens to him A refreshing time with God contains 365 days of devotions and inspiration that help you discover your unique self Opening your Bible daily with this guide helps you understand that God has created you to make a difference It allows you to discover your power of dominion and take back control I can do all things through Christ who strengthens me Philippians 4:13 NKJV Our Church Life, 1897 The Clear Word for Kids Jack Blanco, 2005 Are you bewildered by begats Well here is a fresh paraphrase of the world's greatest book now easily readable for children of all ages Great Thoughts from Master Minds, 1891 The Easy English Clear Word Jack J Blanco, 2005 **A Life Shared** Margaret Cornell, 2013-12 Set in a small village in Cambridgeshire Margaret recounts her dramatic conversion in 1970 which led to her heart and her home being open to sixty-five people in forty-five years Led by God Margaret and her husband Tony moved from three to six and then ten bedrooms to accommodate their growing family Their Liquorice Allsort residents added great richness to their lives During their early Christian life their son was killed in a road accident which far from crushing their faith made them stronger than ever and their witness resulted in a small revival in their Anglican church Eventually in 1982 they made room in their hearts for many more people when controversially side by side they pioneered and pastored a lively and successful Charismatic church for twenty-five years It was prophesied that they would be like two Shire horses pulling a plough Margaret clearly heard God speak and direct her to minister to others and to trust God for everything from her own clothing to buying houses As a result she is very keen to teach others how to hear God for themselves It has always been Margaret's aim to love God and love people whatever the cost Funding Forward Grace Duddy Pomroy, 2024-09-17 Many

congregations across the country are coming to two seemingly unrelated realizations First the Sunday morning offering may not be enough to sustain their mission Second their ministry has been so internally focused that they are almost entirely disconnected from the community they are called to serve Funding Forward provides a path to help a congregation discern God's mission reconnect with the neighborhood and find a new more economically sustainable model for ministry Drawing on years of teaching research and field work Pomroy shows there are no one size fits all solutions for church and nonprofit finances There is no single model that will work for every ministry Each economic model has a distinct shape because each ministry has a distinct mission and community However common tools span these ministry models repurposing church property social enterprise impact investing grants multi vocational ministry and more While the tools and models can spark creativity congregational leaders often wonder what process they might use to discern God's mission which tools will work best in their context and how they might get other congregational leaders on board Discernment and execution are much more challenging than the ideation process Funding Forward can help ministers and ministries move through the funding forward process from start to finish paying special attention to the leadership challenges and pitfalls they might encounter along the way [The Juvenile missionary herald](#) Baptist missionary society,1871

Mike Graves,Andre Resner,2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What's the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock's legacy Mike Graves and Andr Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching's present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson [Jon Courson's Application Commentary](#) Jon Courson,2006-01-08 A devotional commentary that helps you gain fresh insights into the Bible and understand how you can apply God's Word to your life Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines these elements in this easy to read verse based devotional commentary on the Old Testament books of Genesis through Job Pastor Jon's years
