Empty Land:

A Second Look at the Heavy Half of the Camping Market Wilbur F. LaPage, Dale P. Ragain, 1971 **USDA Forest Service Research Paper NE.** Northeastern Forest Experiment Station (Radnor, Pa.), 1971 Postcoloniality and Forced Migration Martin Lemberg-Pedersen, Sharla M. Fett, Lucy Mayblin, Nina Sahraoui, Eva Magdalena Stambøl, 2022-08-23 This powerful book explicates the many ways in which colonial encounters continue to shape forced migration ever evolving with times and various geographical contexts Bringing historians political scientists sociologists anthropologists and criminologists together the book presents examples of forced migration events and politics ranging from the 18th century to the practices and geopolitics of the present day These case studies covering Europe Africa North America Asia and South America are then put in dialogue with each other to propose new theoretical and real world agendas for the field As the pervasive legacies of colonialism continue to shape global politics this unprecedented book moves beyond critique ahistoricity and Eurocentrism in refugee and forced migration studies and establishes postcoloniality and forced migration as an important field of migration research *Land Rights, Ethno-nationality and Sovereignty in History* Stanley Engerman, Jacob Metzger, 2004-08-02 The complex relationships between ethno nationality rights to land and territorial sovereignty have long fed disputes over territorial control and landed rights between different nations ethnicities and religions These disputes raise a number of interesting issues related to the nature of land regimes and to their economic and political implications The studies drawn together in this key volume explore these and related issues for a broad variety of countries and times They illuminate the diverse causes of ethno national land disputes and the different forms of adjustment and accommodation to the power differences between the contesting groups This is done within a framework outlined by the editors in their analytical overview which offers contours for comparative examinations of such disputes past and present Providing conceptual and factual analyses of comparative nature and wealth of empirical material both historical and contemporary this book will appeal to economic historians economists political scientists sociologists anthropologists and all scholars interested in issues concerning ethno nationality and land rights in historical perspective **The Social Epidemiology of the COVID-19 Pandemic** Dustin T. Duncan, Ichiro Kawachi, Stephen S. Morse, 2024 The COVID 19 pandemic has worsened health disparities worldwide Across all nations the burden of COVID 19 has fallen most heavily on the socially disadvantaged In the United States the COVID 19 mortality rate for Black Americans is over twice that of their White American counterparts and people in prisons have more than double the COVID 19 mortality rate of the general U S population Other social dimensions such as income gender sexuality and immigration status have also played a significant role in COVID 19 infection hospitalization and mortality The Social Epidemiology of the COVID 19 Pandemic provides an interdisciplinary analysis of the pandemic s effect across populations and its disproportionate impact on vulnerable groups in society including racial ethnic minority immigrant and incarcerated populations Written by leading international scholars this

essential volume describes how the COVID 19 pandemic intersects with nearly every social determinant of health from race and ethnicity to income inequality and how such interactions compound existing structural disadvantages Using examples from upper middle and high income countries such as the United States contributing experts delve into the differential impacts of COVID 19 by major social determinants of health and reveal the resultant effect of pandemic related policy on health outcomes Together these authors underline the urgent need for further integration of social epidemiology into public health decision making to ensure that every population receives the care it requires Drawing from research across epidemiology sociology psychology and public policy *The Social Epidemiology of the COVID 19 Pandemic* illuminates the stark disparities exacerbated by the COVID 19 pandemic and the valuable insights from social epidemiology that can inform a more equitable pandemic response

A History of the Jews and Judaism in the Second Temple Period (vol. 1) Lester L. Grabbe, 2006-07-27 In the first of four volumes on *A History of the Jews and Judaism in the Second Temple Period* Lester Grabbe presents a comprehensive history of Yehud the Aramaic name for Judah during the Persian Period Among the many crucial questions he addresses are What are the sources for this period and how do we evaluate them And how do we make them speak to us through the fog of centuries This first volume *Yehud A History of the Persian Province of Judah* offers the most up to date and comprehensive examination of the political and administrative structures the society and economy the religion temple and cult the developments in thought and literature and the major political events of Judah at the time

Towards an Urban Renaissance The Urban Task Force, 2003-09-02 The Urban Task Force headed by Lord Rogers one of the UK's leading architects was established by the Department of Environment Transport and Regions DETR to stimulate debate about our urban environment and to identify ways of creating urban areas in direct response to people's needs and aspirations Their findings conclusions and recommendations were presented in a final report to Government Ministers in Summer 1999 and form the basis of this important new illustrated book

Temple Restoration in Early Achaemenid Judah Peter Ross Bedford, 2001 In the early Achaemenid Persian period the Jews returned to Jerusalem to rebuild the temple of Yahweh This volume investigates issues surrounding the rebuilding of this temple focusing on the timing and purpose of the project and the social and political circumstances in which it was undertaken The study reflects on certain passages from the Old Testament such as Ezra 1 6 Haggai and Zechariah 1 8 early Achaemenid Persian administrative practices and Judean hopes for restoration in order to question the contention that the Jerusalem temple was established as an economic and administrative centre around which competing groups struggled for socio economic and political power

[The Concept of Exile in Ancient Israel and its Historical Contexts](#) Ehud Ben Zvi, Christoph Levin, 2010-10-19 In ancient Israelite literature Exile is seen as a central turning point within the course of the history of Israel In these texts the Exile is a central ideological concept It serves to explain the destruction of the monarchic polities and the social and economic disasters

associated with them in terms that YHWH punished Israel Judah for having abandoned his ways As it develops an image of an unjust Israel it creates one of a just deity But YHWH is not only imagined as just but also as loving and forgiving for the exile is presented as a transitory state Exile is deeply intertwined with its discursive counterpart the certain Return As the Exile comes to be understood as a necessary purification or preparation for a renewal of YHWH's proper relationship with Israel the seemingly unpleasant Exilic conditions begin discursively to shape an image of YHWH as loving Israel and teaching it Exile is dystopia but one that carries in itself all the seeds of utopia The concept of Exile continued to exercise an important influence in the discourses of Israel in the Second Temple period and was eventually influential in the production of eschatological visions

Consider Leviathan Brian R. Doak, 2014 Brian R Doak observes that the book of Job uses metaphors drawn from the natural world especially of plants and animals as raw material for thinking about human suffering Doak argues that Job should be viewed as an anthropological ground zero for the traumatic definition of the post exilic human self in ancient Israel Consider Leviathan explores the text at the intersection of anthropology theology and ecology opening up new possibilities for charting the view of nature in the Hebrew Bible From Publisher

First Peoples In Canada Alan D. McMillan, Eldon Yellowhorn, 2009-12-01 First Peoples in Canada provides an overview of all the Aboriginal groups in Canada Incorporating the latest research in anthropology archaeology ethnography and history this new edition describes traditional ways of life traces cultural changes that resulted from contacts with the Europeans and examines the controversial issues of land claims and self government that now affect Aboriginal societies Most importantly this generously illustrated edition incorporates a Nativist perspective in the analysis of Aboriginal cultures

Bedouin Bureaucrats Nora Barakat, 2023-04-25 In the late nineteenth century the Ottoman government sought to fill landscapes they legally defined as empty Both land and people were incorporated into territorially bounded grids of administrative law Bedouin Bureaucrats examines how tent dwelling seasonally migrating Bedouin engaged in these processes of Ottoman state transformation on local imperial and global scales As the tribe became a category of Ottoman administration Bedouin in the Syrian interior used this category both to gain political influence and to organize community resistance to maintain control over land Narrating the lives of Bedouin individuals involved in Ottoman administration Nora Elizabeth Barakat brings this population to the center of modern state making from their involvement in the pilgrimage administration in the eighteenth century and their performance of land registration and taxation as the Ottoman bureaucracy expanded in the nineteenth to their eventual rejection of Ottoman attempts to reallocate the empty land they inhabited in the twentieth She places the Syrian interior in a global context of imperial expansion into regions formerly deemed marginal especially in relation to American and Russian empires Ultimately the book illuminates Ottoman state formation attempts within Bedouin communities and the unique trajectory of Bedouin in Syria who maintained their control over land
