En La Revolucion De Marti:

En la revolución de Martí Rafael Lubián y Arias,1984 **La revolución de 1868** José Martí,1968 **Martí y la primera revolución cubana** José Martí,1971 *El Partido Revolucionario Cubano de José Martí* Dionisio Lázaro Poey Baró,Maria Auxiliadora César,2023-01-01 Esta obra es el resultado de una cuidadosa selección organizativa y traducción de documentos comunicaciones artísticos de periódicos y cartas de José Martí sobre el Partido Revolucionario Cubano PRC publicados en diferentes tomos de sus Obras completas. Está ordenada temáticamente buscando ofrecer al lector las líneas más generales del pensamiento y de la actividad martiana en el Partido fundado por él para organizar la guerra de independencia y crear las condiciones para una real descolonización de la república a ser creada. Se considera importante mostrar la originalidad de esa institución política observable en su estructura sus estatutos sus principios ideológicos su postura política en las formas de financiamiento y sobre todo en la amplia y profunda democracia presente en las prácticas cotidianas dentro del Partido. Ocho capítulos reúnen los textos en grandes áreas para presentar una visión general de los intereses del PRC y la actividad de Martí. Sus títulos son Documentos programáticos del PRC Política e ideología La política y la tica en la política Financiamiento y recaudación de fondos Contra el autonomismo y el anexionismo La unidad de diferentes clases y sectores sociales Convivencia fraternidad y honradez y El PRC en la guerra The Cuban Republic and José Martí Mauricio A. Font,Alfonso W. Quiroz,2006-01-01 José Martí contributed greatly to Cuba's struggle for independence from Spain with words as well as revolutionary action. Although he died before the formation of an independent republic he has since been hailed as a heroic martyr inspiring Cuban republican traditions **José Martí** Cristina Noble,2007 **Lunes de Revolución** William Luis,2003-01-01 Lunes de Revolución 23 03 1959 06 11 1961 suplemento literario del periódico Revolución órgano del Movimiento 26 de Julio recoge en sus páginas el fervor el entusiasmo las dificultades y los conflictos de los primeros años de la Revolución Cubana. A la mayoritaria esperanza colectiva se unió la improvisación y las primeras pugnas por dotar de un sesgo ideológico determinado al proceso recién iniciado. Bajo la dirección de Guillermo Cabrera Infante y la subdirección de Pablo Armando Fernández los 131 números de Lunes de Revolución fueron un reflejo de las difíciles relaciones entre cultura y política. Con el cierre del magazine en 1961 se llegaba al final de la luna de miel entre los intelectuales y la Revolución y se pasaba de una etapa de espontaneidad y pluralismo a otra de institucionalización y oficialismo de la cultura **José Martí** Christopher Abel,2015-11-19 Martí was a leading Cuban nationalist in the independence war of the 1890s that anticipated the Third World liberation struggles of the 20th century and played for the Cuban Revolution a similar role to that of Lenin in Russia. This title looks at his role in US Latin American relations his contribution to ideological debates and the influence of American and German thinking in his social criticism Cuba between Empires, 1878-1902 Louis A. Pérez Jr.,1983-06-15 Cuban independence arrived formally on May 20 1902 with the raising of the Cuban flag in Havana a properly orchestrated and orderly inauguration of the new republic. But something had gone awry. Republican reality fell far short of

the separatist ideal In an unusually powerful book that will appeal to the general reader as well as to the specialist Louis A Perez Jr recounts the story of the critical years when Cuba won its independence from Spain only to fall in the American orbit The last quarter of the nineteenth century found Cuba enmeshed in a complicated colonial environment tied to the declining Spanish empire yet economically dependent on the newly ascendant United States Rebellion against Spain had involved two generations of Cubans in major but fruitless wars By careful examination of the social and economic changes occurring in Cuba and of the political content of the separatist movement the author argues that the successful insurrection of 1895-98 was not simply the last of the New World rebellions against European colonialism It was the first of a genre that would become increasingly familiar in the twentieth century a guerrilla war of national liberation aspiring to the transformation of society The third player in the drama was the United States For almost a century the United States had pursued the acquisition of Cuba Stepping in when Spain was defeated the Americans occupied Cuba ostensibly to prepare it for independence but instead deliberately created institutions that restored the social hierarchy and guaranteed political and economic dependence It was not the last time the U S intervention would thwart the Cuban revolutionary impulse

José Martí y Leoncio Prado en la independencia de Cuba, 1853-1953 Luis Humberto Delgado, 1953 *Reading José Martí from the Margins* Miguel A. De La Torre, 2024-01-05 Reading Jos Mart from the Margins explores the construction of Cuban homophobia racism sexism sinophobia and ethnic discrimination which continues unabated today on both sides of the Florida Straits The apotheosis of Mart and the falsification of his thoughts have made it difficult to provide a critical assessment of his contributions to the cause of political and social liberation In his writings and in his declaration Montecristo Manifesto he is among the first Latin Americanists to envision the future of Cuba and the rest of Latin America with the full and equal inclusion of Indian and Black people However he also unwillingly created the foundation for a paternalistic colorblind social order which contributed to the marginalization of those who fell short of the cis gendered male Eurocuban ideal Relying primarily on Mart s own writings some of which has yet to be translated into English Miguel De La Torre provides a critical assessment of Mart and shows how some of his work contributes to the construction of intra Cuban oppression
